THE VEND CHECKE CONTRACTOR CONTRACTOR According to custom the Elks are getting ready for their annual benefit entertainment, which will take place at the Boyd theater April 2 and L. As in former years Mr. T. P. Getz of "A Night in Bohemia" fame will have charge of the show, which will consist of a gigantic minstret first part, a number of bright and catchy specivilies and will conclude with a burleague called, "lil-Treated Trovature."

The entertainment will be staged in a manner to bring it close to a professional standard and will embrace the services of a large number of Eller, assisted by a number of our best young women, together with a cherus of children. The mineral first part will be patriotic in the extreme and will introduce such well-known heroes as Uncle Sam. Dewey, Schley, Sampson and Hobson. The ollo will be bright and sparkling and the closing skit, the burlenque of Il Trovatore, will abound in eatchy music, fances and hot local gage. Rehearsals are being held daily and the show promises to be even better than last year's

There is considerable talk among the Modern Woodmen concerning the erection of a building to be used by the various local camps for headquarters. If it is found itspracticable to build, the proposition to arcause with some capitalist to put up a buttiling and make suitable arrangements in it for lodge rooms may be acted upon

Within the text two or three weeks ? couple of the larger Woodmen camps will have to hunt new quarters in which to hold their meetings. The building in which their sessions are now held has been sold to the Ancient Order of United Workmen lodges of Omaha and they will devote it entirely to their meetings. The Workmen have about the same number of members in Omaha as the Modern Woodmen in securing this building they have taken a step in advance of the other societies, for not only have they provided a permanent home for their lodges and secured for them a meeting place that will mean a great saving in cost, but they will secure advertising that could not be had in any other way. Meanwhile Omaha's cleven samps of the Modern Woodmen of America, almost all of which held weekly meetings. are still conducting their sessions in balls So a roll and up; painting, paper hanging decorating. > Among the Odd Pellows in this city preparations are being made for the celecration of the eighty-fourth anniversary of American Odd Fellowship, on April 26. The arrangements are in charge of Canton Ezra Millard No. 1, which is the milltary branch of the order and is composed of members of all the lodges in the city. I has already been assured of the support of every local lodge in this movement and all subordinate lodges within 100 miles of Omaha will be invited to par-

ticipate in the celebration. Canton No. 1 in full dress uniform will visit the Danish lodge in South Omaha next

The local Odd Fellow lodges have work for nearly every night during the coming week. State lodge No. 10 will confer the first degree Monday night, Beacon No. 20 will put on the initiatory Tuesday night, Wasso No. 183 will work the third degree. Wednesday night and Omaha No. 2 will confer the initiatory Friday night.

Triangle louge No. 54, Knights of Pythias, is having plenty of work. At its meeting last Thursday night it worked the second rank and received several petitions for the rank of knighthood. On next Thursday evening it will work on the third

rank. Lillian temple, Rathbone Sisters, is doing work at each meeting. On last Monday night it initiated three candidates. On Monday evening, March 11, it will give
