## THE OMAHA DAILY BEE: SATURDAY, MARCH 16, 1901.

how he became a strong, hearty man : "About two years ago 1 suffered from gen-

eral debility and I doubt if there was anybody more utterly miserable than I was. I had no life or energy, and was as depressed mentally as I was worn out physically. It was not at all unusual for me to mentally as I was worn out physically. It was not at all unusual for me to go to sleep over my work. My blood was thin and watery, but the worst of it all was the dreadful, wearying nervousness at bight. When I retired at ten o'clock, instead of going to sleep I would toss and turn thil well on into the morning, and when I awoke it was without any feeling of being refreshed or rested. I lost so much flesh that I got down to 122 pounds in weight, and I had no desire for food.

"Last January a friend urged me to try Dr Williams Pink Pills for Pale People. I had previously tried many different kinds of remedies and had consulted three physicians, but the little relief they gave was very brief, so I was completely discouraged. My friends, however, insisted and I tried the

"By the time the second box was begun there was such evident improve-ment that I continued taking them till the ni .h box, when I feit that I was entirely cured. I now weigh 158 pounds. There is no sign of nervousness. I rest well and feel strong, and am able to enjoy life once more. Mrs. Scott was feeling a little run down a few weeks ago, but she immediately began taking Dr. Williams Pink Pills for Paie People and the is experiencing the same beneficial results that I did Signed)

C. M. SCOTT.

Now, every applicant must had consumption so had that if I walked a undergo such examination, no matter how small the amount of block I would cough frightfully and spit insurance asked for. The Insurance Companies have learned wis- blood, but, when all other mentions insurance asked for. The Insurance Companies have learned wisdom by experience. They know for a c riainty that the only sure way of detecting Bright's disease in its first stage is by a chemical eight pounds." It's absolutely guaranteed analysis and they govern themselves accordingly. Many men applying for insurance and finding themselves rejected, are dumfounded when told that they have kidney disease. Wny? Because they look and feel well, suffer no pain, and have a good appetite. But the unerring microscope in the hands of the intelligent physician, has unmistakably shown the beginning of the end, unless repaired, of the breaking down of the delicate tissues of the kidneys. Happily, if taken in time, there is a cure for kidney disease. We say this with entire confidence, because thousands have so testified, and hundreds have obtained life insurance following a course of Warner's Safe Cure, after having previously been rejected because of incipient Bright's disease. Min, do not leave your
