The most serious thing in life is maternity. The child who inherits weakness is ment. handicapped for life in the struggle for existence. The weak and sickly mother surely devotes her offspring to misery and the same condition that I was in as one misfortune. The romantic idea of marriage is based on love and love alone. The DES MOINES, March 28 .- (Special.) - The scientific idea of marriage demands sound health as a back of matrimony. The utter helplessness of love is written in a to comfort it. She can do naught but weep duces refreshing sleep. It imparts great in sympathy.

As surely as the most serious thing in

thing for the prospective mother is prepa ration. For preparation is possible. There are surprised to see me so well." is, in general, no need for the weakness. Dr. Pierce's Pavorite Prescription makes and weariness so often associated with weak women strong and sick women well maternity.
