

The Masses and the Classes Use and Praise Per-una

A Fruit Grower's Letter.
W. E. Birch, fruit grower, Afton, Va., writes:
"My wife was very much run down and out of sorts every way. She had female weakness and was very weak, nervous and had no appetite. I tried her on everything I could think of, but she would not touch a thing—could not eat strawberries, even. I saw Peruna in my father's store one day, and after reading the printed matter on the bottle, decided to have my wife try it. Before she had taken half of the bottle, she commenced to eat, and now she is hungry all the time. We both agree that it beats any medicine to bring an appetite and put the nerves in good shape that we have ever had anything to do with."
"We had our family doctor to give her medicine, but she did not improve in the least. She has consumption in her family and she was in such bad shape and so run down that I began to get very uneasy, but your medicine has made an entirely new woman of her. I believe she eats and feels better now than she has for years. I had no idea it would do half what it has done, and don't think that there is another medicine made that will begin to compare with it."—W. E. Birch.

A Count's Letter.
Count Segundo de Ovies, whose family has been one of the most influential and wealthy of Spain, and who in the last of this illustrious race, in a recent letter gives this endorsement to Peruna, in the following words written from the Canfield, Atlantic City, N. J.:

"Last winter my secretary had a severe attack of la grippe, which was cured effectually by the use of four bottles of Peruna, so when I contracted the same unpleasant sickness last fall I at once sent for a bottle. It truly worked wonders, and removed the sickening and sore feeling I had within a few days. I would not be without it now for any money, and when I go away I carry Peruna as a valuable requisite to my traveling outfit."—Julian Segundo, Conde de Ovies.

A Barber's Letter.
D. L. Wallace, a charter member of the International Barbers' union, writes from 15 Western avenue, Minneapolis, Minn.:

"Following a severe attack of la grippe I seemed to be affected badly all over. I suffered with a severe headache, indigestion and numerous ills, so I could neither eat nor sleep, and I thought I would give up my work, which I could not afford to do."

"One of my customers who was greatly helped by Peruna advised me to try it, and I procured a bottle the same day. I used it faithfully and felt a marked improvement. During the next two months I took five bottles, and then felt splendid. Now my head is clear, my nerves are steady, I enjoy food and rest well. Peruna has been worth a dollar a dose to me."—D. L. Wallace.

An Old Man's Letter.
Mr. Isaac Brock of McLennon county, Texas, has attained the great age of 111 years. He speaks as follows of Peruna:
"After a man has lived in the world as long as I have he ought to have found out a great many things by experience. I think I have done so. One of the things I have found out to my entire satisfaction is the proper remedy for ailments due directly to the effects of the climate. For 111 years I have withstood the changeable climate of the United States. During my long life I have known a great many remedies for coughs, colds, catarrh and diarrhoea. I had always supposed these affections to be different diseases. For the last ten or fifteen years I have been reading Dr. Hartman's books and have learned from them one thing in particular: That these affections are the same and that they are properly called catarrh. As for Dr. Hartman's remedy, Peruna, I have found it to be the best if not the only reliable remedy for these affections. It has been my standby for many years and I attribute my good health and my extreme age to this remedy."—Mr. Isaac Brock.

"For some time I have been a sufferer from catarrh in its most incipient stage, so much so that I became alarmed as to my general health. But, hearing of Peruna as a good remedy, I gave it a fair trial and soon began to improve. Its effects were distinctly beneficial, removing the annoying symptoms, and was particularly good as a tonic."—Hon. W. V. Sullivan.

A Pastor's Letter.
Rev. S. H. Renfro of Norborne, Mo., had running ears. He says:
"My head gathered and broke and my ears ran terribly. I tried several remedies with no relief. My head does not pain any more, my ears have stopped running and I feel a great deal better."—Rev. S. H. Renfro.

She had catarrh of the nose, which caused an offensive discharge and bad breath."

"I deem it my duty to inform you that I have been troubled with catarrh for four years and could not work at my trade. I have tried almost every cure on the face of the earth, and had doctors attend me at their office and in the hospital, but could not get relief until I tried your wonderful Peruna. I was very doubtful whether it would help me, but at a good friend's advice I tried your Peruna, which is a god-send to all catarrh sufferers. After taking but four bottles, I am very much pleased indeed. I can safely say that one more bottle will be enough. After taking the second bottle I could go to work at my trade (sawyer), and the dust has no effect on my throat now. I shall recommend Peruna to everybody who suffers with catarrh."—F. W. Radtke.

A Society Lady's Letter.
Miss Blanche Myers, 3129 Penn street, Kansas City, Mo., has the following to say of Peruna:

I also gave it to my husband until he was good and well. I do not know how I could have stood taking care of them and being up night and day had it not been for Peruna."
"Last winter was the first winter in sixteen years that I did not have a cough. It is impossible to explain my thanks in words. I never looked as well as I do now."

A Traveler's Letter.
J. Edward Clark, 402 Temple street, Los Angeles, Cal., writes:
"I fully believe Peruna saved my life. About two years ago, after returning from Alaska, I was taken with catarrh of the stomach, and, in fact, of the whole system. My stomach failed me, as nothing I ate seemed to do me any good, but always gave me pains and belching of gas. My kidneys got sore and weak, I had palpitation of the heart, my lungs were sore and it was difficult to draw a long breath. I also had fainting spells, and while walking was afraid I might fall to the sidewalk. I also had to get up at night and sit in a chair to keep from smothering. My legs and arms pained me most of the time, my feet were cold on the hottest day, my tongue was coated, I had chills from my head to my feet. I was weak and had very little life and everything looked dark to me and often wished for the end."
"I took all kinds of medicine—do not think there is a drug store in this city that I did not get some truck from. I also used vapor baths, dieted, drank all the mineral waters, had many consultations with two of the best doctors of this city, used their prescriptions, but all seemed no use."
"After months of this kind of work I fully made up my mind to try Peruna, and thank God for it, as I had not used over two bottles until I felt a change, and have been getting better ever since, and now I am well and strong. All my friends tell me how well I look. Let me say to those who are sick, try Peruna if you have any of my symptoms. It will cure you. Don't expect to be cured by one bottle, but stick to it until cured."—J. Edward Clark.

An Artilleryman's Letter.
Captain T. H. Rundle, Third battery of the Wisconsin Light artillery, writes from Loda, Ill.:

"I have nothing but praise for Peruna. This winter a severe cold settled in my kidneys, and my stomach was in such a bad catarrhal condition that I could not eat. I lost appetite and sleep and nothing helped me until the doctor told me to try Peruna."
"That was the finest prescription he could have given. It seemed to restore me to my usual health quicker than anything I had ever taken. In two days I had a fine appetite, slept like a child and felt like a man once more. I would not be without it in my family for ten times its cost."—T. H. Rundle.

A Fireman's Letter.
Mr. John Sweeting, captain fire department of Evanston, Ill., says:

Every dose seems to last till life and health. I have been troubled with catarrh of the head for years; also with influenza, but it is all gone. Peruna seemed to cure it in an incredibly short time. I only used three bottles and I am today as healthy and well as any man could wish to be. Inclement or damp weather I do not dread, as Peruna cures a cold in a short time."—Z. L. H. Burns.
