Advancement of Captain Hodgins Is Urged—Board of Agriculture Prepares for State Fair Work.

LINCOLN, April 12.—(Special.)—The recent appointment of Colonel Hayward to the adjutant generalship of the Nebraska National guard has started a spirited competition for the colonelcy of the Second regiment.

There is a disposition on the part of many officers of the regiment to favor Omaha for some important position and Captain Hodgins is being strongly urged, not only because he resides in Omaha, but also because he is a popular, efficient and experienced officer.

SPEAKER SEARS IN OMAHA

Tekamah Legislator Discusses the Probability of an Extra Session.

Speaker W. G. Sears of Tekamah was in Omaha yesterday on business. "I have not given the question of an extra session very much thought," said Mr. Sears, "but should it be deemed advisable, of course I will be ready to renew my occupancy of the speaker's chair. To my mind, the only subject of general state importance that could warrant the calling of an extra session would be the restricting bill.

White triumphed over green in a contest yesterday afternoon at the High school building. Some time ago the senior class in the Omaha High school divided into two factions and white and green were the colors adopted as the colors of the opposing colors of the class. The contest measured their strength at debate, recitation, piano playing and essay. The individual markings of the representatives of the two colors were averaged and white color secured the decision.

LAUDER DIES OF HIS WOUND

Victim of Louis Godola's Pistol Passes Away at St. Joseph's Hospital.

William A. Lauder, who was shot by Louis Godola during a drunken quarrel in a South Thirteenth street saloon Thursday night, died at St. Joseph's hospital shortly after 8 o'clock Friday night. The bullet entered the left side of the body between the third and fourth ribs, penetrated both lungs and lodged in the right side of the back. It was removed late Friday morning, but the internal hemorrhage had been so great that death was only a matter of hours. Lauder leaves a wife and a brother, Thomas, who is a fireman at No. 1 engine house.

Coroner Swanson took charge of the body and removed it to the morgue Friday night. An inquest will be held Monday or Tuesday.

Godola expressed deep regret for his act when he became sober, as he and Lauder had been friends for years. He was removed from the city jail to the county jail Friday afternoon.

Mortality Statistics.

The following deaths and births were reported to the city health commissioner for the twenty-four hours ending at noon Friday: Deaths—James Cowan, 112 Dodge, aged 48; Mrs. Melba C. Peterson, 2818 Seward, aged 37; Mrs. Christine Obermer, Union Depot hotel, aged 75.

"Oiling Up."

Just a little oil on the engine at the right time may mean the difference between life and death to the passengers and crew. What oil is to the friction of the delicate parts of the engine, Dr. Pierce's Golden Medical Discovery is to the delicate organs of the body.

It eases their labor, prevents the loss of power and waste of energy caused by friction. Many a man who was all run down, whose limbs ached when he walked, whose back ached when he laid down, who breathed with difficulty, and coughed constantly, has been perfectly cured by the use of Dr. Pierce's Golden Medical Discovery. It purifies the blood, strengthens the stomach and heals weak lungs. Accept no substitute for "Golden Medical Discovery," nor any medicine called "just as good" by the dealer.

Mr. Chas. Hunwick, of Lenox, Macomb Co., Mich., writes: "I have never felt better in my life than I do now. I have taken Dr. Pierce's Golden Medical Discovery right along. I can now walk quite well with a cane, and hope to throw even that away before long, and I have had to use crutches for nearly two years. I think I am doing fine. I do not cough now and I can sleep like a school boy. You must know that I have been treated in two hospitals and by three doctors besides, and received no benefit, so I think your medicine the only medicine for me." Dr. Pierce's Medical Adviser in paper cover, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.
