Auditorium Committee Receives Applications from Everywhere.

OUTSIDE PROPOSITIONS NOT CONSIDERED

Managers of Proposed Enterprise Give Opportunity Exclusively to Local Talent—Auditorium Doings in General.

Architects from all over the country are trying to secure the contract for plans of the auditorium building, and President Sanborn receives daily many letters on the subject, the larger number coming from Chicago and New York.

At the meeting of the auditorium committee yesterday the action taken Wednesday in offering 5 per cent commission on the sale of auditorium bricks was rescinded, and the question of remuneration was referred to the miscellaneous revenue committee.

A committee consisting of F. E. Sanborn, C. D. Thompson and W. W. Unstated was appointed to secure speakers for the Elks' benefit, and it was decided to secure two lecturers and a number of clerks to record the number sold and the purchase price.

Yesterday, in response to the notice of the death, came a letter to the Danish vice consul from the brother and sister of the deceased.

Nebraska Latter Day Saints, or Mormons, to the number of about 150, will attend a conference to be held at Idlewild hall, Saturday and Sunday, April 20 and 21.

It will be hard to convince the residents of Denmark that such is the case and it will require a letter from the Omaha vice consul with the seal of his office attached to prove to them that they have no claim on a north Nebraska farm.

The new Fourteenth cavalry is now recruited up to its full strength so far as men are concerned, but it still lacks horses. It is hoped that these will be furnished by the middle of summer, as the regiment is expected to report for duty in the Philippines some time during the fall.

HILLS MUST SERVE TIME

Supreme Court Decides Against the Alleged Bigamist Convicted at Blair.

The final chapter in the celebrated Hills bigamy case has been written. The supreme court of Blair about two years ago. He settled on a farm and became a dairyman.

Mrs. Elizabeth Cook Adette Hills, the woman who became the wife of the Episcopal rector in England in 1885, heard the news yesterday morning without evincing any particular emotion.

Other points which he set forth in defense are answered by the supreme court as follows:

1. A wife is a competent witness against her husband in a prosecution for bigamy.

2. The mere allegation or avowment of a marriage as a fact implies that the marriage was legal.

3. A communication to a minister of the gospel, or priest, is not privileged, where it is shown that it was not made in confidence of the relation or was not to be kept as a secret.

4. A confession of a prisoner voluntarily and promptly by any inducement of hope or fear.

5. A marriage solemnized in good faith and not void, merely because the contracting parties may at some prior time have entered into an agreement or understanding that the marriage should be invalid.

6. A marriage legal where solemnized is valid everywhere.

Case of Phoenix Insurance Company Against the Cashier's Surety to Be Appealed to Higher Court.

Judge Munger filed a memorandum opinion in the United States circuit court yesterday in which he sustains the motion of the Guarantee Company of North America to have set aside the verdict recently found against it by the Phoenix insurance company of Brooklyn.

This action grows out of the defalcation of Fred Kelly, cashier of the local branch of the Phoenix company, who, three years ago, is alleged to have absconded with \$4,836 of the company's money.
