

DIVORCES ASKED FOR THREE

Three Women Make Charges of Cruelty and Non-Support Against Husbands.

Three women petitioned the district court yesterday for divorce, and each charged her husband with extreme cruelty and non-support. Huldah Wallace, who married George W. Wallace in Newton, N. H., in 1875, says she has been compelled to support herself and her daughter, who is 21 years of age, ten years. Katie Hull says she married Arthur Hull at South Omaha in July, 1899, and that he took on an unpleasant habit of beating her soon after the marriage. Huldah Stinson, whose husband, Frank Stinson, is bread baker at the Faxon hotel, wants a divorce because she has been cruelly treated and neglected.

Forced Out of Business

We have decided to abandon our country agencies, the object being to centralize our business at the main store. Seven large stocks have been shipped to the city and we are compelled either to rent additional space or sacrifice a large portion of our piano stock. We prefer the latter course.

HAYDEN'S We wish we could bring to your ears

The words of praise given our Cloak Department by some of the most competent and economical buyers of Omaha. We have labored hard this season to make this department what it is. It is stocked with a rare choice lot of suits at reasonable prices. Suits, Skirts, Waists and Jackets at prices that save you fully 40 per cent when compared to those of other stores. You may ask WHY we can do these things. Simply for the reason that we have buyers in the market at all times ready to buy any quantity, no matter how large if the price is low enough. We pay spot cash, we do business on an economical basis and we do a tremendous business. That is why we can save you 40 per cent on the prices of the smaller stores in Omaha.

HAYDEN'S
We can tell you what men of fashion will wear this spring and summer. Ask us.

Compare a Stein-Block Wholesale Tailored Suit

With one of any other make that costs the same. You can see the difference instantly a Stein-Block is "De real ting," as Chimmy Fadden would say. In other words IT IS JUST RIGHT.

While the other suits just miss the point and looks ready-made, it does not take a philosopher to choose the right make. Each Stein-Block wholesale tailored garment looks as though it was made for the individual wearing it. Look for the Stein-Block, Hatchett-Carhart and Hart-Schaffner & Marx men's ready-tailored spring suits, and you will have the right thing.

Suits for \$7.50, \$10, \$12.50, \$15, \$18, \$20 and \$22.50.

Our \$3.75, \$5.00 and \$6.75 men's suits—we show a beautiful range of over 50 distinctive styles of bright nobby absolutely all wool cassimere and chevots. These suits are cut and tailored to the very newest ideas. We want you to see these garments. You will be surprised that we offer so great a value for the money.

Young men's suits, ages 13 to 19, choice novelty tweeds, worsteds and chevots, in khaki and olive stripes and plaids and superb qualities, in plain and striped, smooth and soft spun serges, black tibbets and clay diagonals, suits worth \$8.50 to \$20.00, on sale for \$5.00, \$6.50, \$7.50 and \$10.00.

HAYDEN BROS.
SELLING THE MOST CLOTHING IN OMAHA.

OUR LONG CAREER

as successful retailers of read-to-wear clothing is probably due in a measure to the friendly support of Omahans and friends throughout the west. We say friendly support, come to think of it "friendly support", didn't have anything to do with it.

Omahans are noted for their ability to be shrewd especially in their personal purchases. This peculiar ability is what has given us the extensive purchasing powers we now possess. Why shouldn't these advantages benefit you?

We think they should and so do the people, and here's where that peculiar personal ability that gets much for little comes in again. Some of the best dressed men and women in Omaha have discovered this fact and come to this store for their clothing. Can we expect you?
