LINCOLN. April 19.-(Special Telegram.) -The University of Nebraska team began the collegiate base ball season this after-noon, defeating the Missouri Tigers 16 to 1 1. The visitors were outclassed in all points of the game. They tried three pitchers, but without avail. Townsend, who was in the box for Nebraska, played a remarkably fast game throughout. Gaines' terrific and well-timed batting brought in several of the sixteen runs and was the sensational feature. Voeth, first pitcher for Missouri, was succeeded by Thurman in the fourth Inning, and the latter by Dempsey in the seventh. The second game of the series will be played tomorrow afternoon.  BROOKLYN, N. Y. April 19.—Despite wintry weather 7.600 enthusiasts witnessed the opening game between Brooklyn and Philadelphia here today. A parade, band concert and a raising of the pennant flag preceded the game. Both sides fielded faultessly, but the Philadelphians could go nothing with the pitching of McCann, who allowed only four hits. Two of these were a triple and a homer by Filek, who scored both of the visitors' runs. The Brooklyns made few hits off Townsend, but took ad-vantage of ten passes to first. Score: BROOKLYN.
