Nerves Wear Out And grow weak and exhausted when not properly nourished, just as an engine loses its power when the fuel runs low. The loss of nervous power is seen in the failing health and the wasting form. It is felt in the aching head, the throbbing heart, the irritability, indigestion, restlessness and loss of sleep. Rebuild the worn-out nerves, rest the tired brain and add new fuel to the vital fires with the best of all tonics, Dr. Miles' Nervine. "I was sick with typhoid and malarial fever for three months, and after I recovered from that I was left so weak and nervous that I could not work. I fairly shook all over, and in eating I could hardly hold a fork steady enough to feed myself. I started to take Dr. Miles' Nervine, and received immediate benefits. Three bottles of it cured me." T. F. RICHARDSON, E. Alton, Ill. Dr. Miles' Nervine is food for the worn-out nerves and the weary brain. It is a food for the over-taxed and weak digestion. It nourishes, fortifies and refreshes the whole system. Sold by druggists on guarantee. DR. MILES MEDICAL CO., Elkhart, Ind.
