NEBRASKA CASE GUIDES HIM

Judge Lumpkin Denies Application for Christian Science Charter.

LIMITS THE PRACTICE IN GEORGIA

Only Those Having Regular Diplomas from Medical School or Examining Board Are Entitled to Manipulate Their Science.

ATLANTA, Ga., April 19.—Judge Lumpkin of the superior court today denied the application for a charter for "The Atlanta Institute of Christian Science," the effect of his decision being that Christian scientists cannot practice their treatment of diseases in the state of Georgia without having been regularly graduated in medicine or passing an examination before the medical examining board the same as other physicians.

Judge Lumpkin holds that according to a decision of the supreme court in Nebraska Christian science is the practice of medicine, and no further holds that the practice of medicine in Georgia according to the state law must be accomplished by persons who are regularly graduated from a medical school.

GREAT CHESS EVENT BEGUN

International Cable Match Opens with Large Attendance of Enthusiasts.

NEW YORK, April 19.—The great chess event of the year, the ninth international cable match between America and Great Britain for the possession of the Newnes trophy, was begun today under the auspices of the Brooklyn and Bristol Chess clubs. None of the preceding series, except perhaps the very first match, has aroused so intense and general an interest as the present contest, for another American victory will secure permanent possession of the coveted cup. On the American board, placed in Bristol, Great Britain, the contest will be fought out over the board in the ordinary manner, but on the other side of the Atlantic, at the Clifton chambers, in Bristol, a novel method is employed. Here the players are assembled at the International hall of the Cafe Monaco, London. The contest was begun with the usual exchange of greetings between the officials here and in London. Prof. Isaac L. Rice was the first to move, opening at Brooklyn while Lionel Hopper represented the Americans in a similar capacity at London. Baron Albert de Rothschild of Vienna was the referee of the match, while Champion Lasker was agreed upon as arbitrator in case there should be any points submitted at the close of the match.

Luck in Odd Numbers.

At 1 o'clock his move drawn for first move and as the Americans won the toss they selected to play the white or the odd numbered boards. Following is the pairing together with the openings adopted on the two boards:

America.	Great Britain.	Opening.
1. Pillsbury,	Blackburne,	Sicilian.
3. Showalter,	Mason,	Irregular.
5. Barry,	Lee,	Ruy Lopez.
7. Hodges,	Mills,	Two Knights.
9. Delmar,	Atkins,	Ruy Lopez.
11. Young,	Bellingham,	Sicilian.
13. Marshall,	Ward,	Queen's Gambit Dec.
15. Hymanson,	Jackson,	Queen's Gambit.
17. Newman,	Jacobs,	Dutch.
19. Howell,	Mitchell,	Queen's Gambit Dec.

Americans Start Well.

Pillsbury, in the course of his Sicilian defence adopted by Blackburne, offered to sacrifice his pawn, which the wily Englishman did not deem prudent to risk. Eventually the American was gaining ground and while he has not achieved the advantage it is to be hoped that he will graduate from the middle class so far as the cable matches are concerned.

Showalter defended himself with a King's Gambit against Mason. The latter failed to maintain the advantage gained in the opening and the position is fairly even. Barry tried the Ruy Lopez against Lee throughout the day and in view of his well known perseverance it is to be expected that he will add another victory to his strength.

All of the manoeuvring characterized the Ruy Lopez between Mills and Hodges. The American held his own very well and was not slow in accumulating slight advantages which ought to insure him a draw to say the least. Lees favorable to the second generation by board No. 1 in the morning. It came off a fine game against Atkins, but after forcing the pawns turned in favor of the Englishman, although there is plenty of fight left to determine the issue. The most interesting outlook affords at board No. 7, which Marshall, after pulling out of a bad position, won a pawn from Ward. The remaining games are very even, that on No. 19 being a shade in favor of the American player.

Play will be resumed tomorrow.

Many Spectators at London.

LONDON, April 19.—A large assemblage was present at the close of play tonight.

In an interview with the American Press Sir George Newnes said it was evident that both sides were playing carelessly.

Decisions of South Dakota Court.

PIERRE, S. D., April 19.—(Special Telegram.)—The supreme court today handed down the following opinions:

Sir Corner: Sioux Falls Savings Bank against H. H. Lurt, Joe Kister and W. J. Cline, Minnehaha county; reversed.

John Ross against Thomas Whittaker et al., Lincoln county; affirmed.

A. H. Dunscomb et al. against Attorney of Potter county; reversed and new trial granted.

MACHINISTS GRANTED ALL

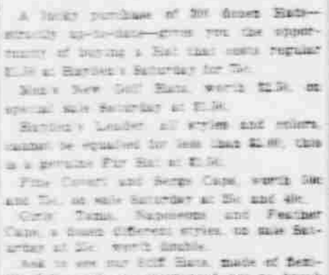
Under the old system the minimum scale varied from twenty-six to twenty-seven cents.

Fashions for the Season

Hints by Mary Lamb.



17127 Sun Bonnet, Small, medium and large.

Call or Supplements No. 2787—Sun golf players alike, but all lovers of outdoor life realize the comfort and convenience afforded by the sunbonnet, that shades the eyes, is light and cool and shields the neck as well as the face. This season they bid fair to be even more popular than heretofore. Fashionable materials are dimity, organdie, lawn and similar delicate cotton fabrics, but Madras, gingham and percale are used when hard usage is expected.

The models shown are one with, one without the cape, one of dotted Swiss and one of Madras with lines of blue. The stiff portions extend well over the face and are edged with becoming frills, while the crowns are soft. We all know the inestimation of a fair face half hidden by a Quaker bonnet. These models, when tastefully made, give much the same effect and make satisfactory and captivating frames for sweet, fresh faces, flushed with the glow of health and exercise.

To make either bonnet in the woman's size 3½ yards of material 32 inches wide will be required with 1¼ yards of ribbon or bettered material for frill and back ties.

The pattern 2787 is cut in three medium sizes, or for women, misses and children.

For the accommodation of The Bee's readers these patterns, which usually retail at from 25 to 50 cents, will be furnished at a nominal price, 10 cents, which covers all expense. In order to get any pattern enclose 10 cents, give number and name of pattern wanted and bust measure. Allow about ten days from date of your letter before beginning to look for the pattern. Address Pattern Department, Omaha Bee, Omaha, Neb.

BUTCHER THEIR OWN LEADER

Mays Rebel Indians Slay Felipe Tama with Machetes.

BECAUSE HE ADVISED SURRENDER

Action Shows Determination of Minor Chiefs to Continue Fighting Regardless of Their Weakened Condition.

MERIDA, Yucatan, Mexico, April 19.—General Felipe Tama, the chief leader of the Maya rebel Indians, has been assassinated by some of his under officers, who were exasperated at his advice to surrender and end the war.

Three major chiefs attacked him with machetes, nearly cutting him to pieces. Then the Indians gathered around the corpse and indulged in a long orgie. This action, it is believed, shows a determination of the chiefs to keep up the Indian fighting, though deserters say food has given out.

The railroad to be completed and in operation between Emporia and Omaha.

All the above conditions to be complied with before the delivery of the bonds.

CHARLES A. WHEELER,
President Kansas & Southern Railroad Company.

Report Unanimously Adopted.

President Wheeler spoke at some length, explaining his negotiations with the committee and stating the plans of his company in detail. He said that Douglas county would receive in benefits the equivalent of any sum it voted to aid the construction of the road.

A. L. Reed, Euclid Martin, E. E. Bruce, P. E. Iler, George W. Kerner and H. T. Clarke spoke briefly in support of the proposition to vote bonds, and a motion to adopt the report of the committee was carried unanimously. Chairman Martin was authorized to appoint a committee of two with himself as chairman, to conduct further proceedings to secure the road. The matter is now up to the county commissioners, who will be asked to submit the question of issuing the bonds to a vote of the people.

The delegation from Emporia arrived in the city yesterday morning, and were entertained during the day by a committee of the Commercial club. At noon they lunched at the Omaha club and at 2 o'clock they visited The Bee building and inspected the workings of a metropolitan newspaper office. Later they were taken to South Omaha and for a drive over the city.

At 6:30 o'clock they met the Commercial club of South Omaha and at 7:30 a reception was given to them at the Commercial club in this city.

Women Wonder Why

They are doomed to so much suffering. But are they doomed? Is not the suffering the result of conditions which under skillful treatment might be entirely cured? Thousands of women who had been great sufferers, have learned that suffering was unnecessary after using Dr. Pierce's Favorite Prescription. It heals diseases of the delicate womanly organs and banishes the headache, backache and other aches which are the consequence of these diseases.

"Favorite Prescription" is absolutely a temperance medicine in the strictest meaning of the term. It contains no alcohol, and is free from opium, cocaine and all other narcotics.

"I wrote you for advice February 4th," writes Mrs. Lena Halstead, of Clarendon, Cherokee Nat., Ind. Ty. "I was suffering with pain from the back of my head down to my heels, had hemorrhage for weeks at a time, and was unable to sit on a chair two minutes at a time. You answered my letter, advised me to use your valuable medicines, viz: Dr. Pierce's Favorite Prescription, Golden Medical Discovery and Pleasant Pellets, also gave advice about local baths and diet. To my surprise in four months from the time I began your treatment I was a well woman and have not had the backache since, and now I put in sixteen hours a day at hard work."

Sick women are invited to consult Dr. Pierce by letter free. All correspondence private. Address Dr. R. V. Pierce, Buffalo, N. Y.
