This morning Attorney General Prout and C. O. Whedon, at the request of several Lincoln taxpayers, began quo warranto proceedings in the supreme court, attacking the recently created office.

Attorney General Prout said this after-

noon that he was in the case simply by virtue of his position as attorney general and was ignorant of the questions at issue in the controversy. He agreed to sign the petition, but with the understanding that other attorneys should take responsibility for the prosecution of the case. "I do not know upon what arguments they rely," said he. Get Twisted Under Milwankee Refrigerator Car and Cause Wreck. MITCHELL, S. D., April 20.-(Special Telegram.)-A wreck occurred on the Chicago, Milwaukee and St. Paul railroad five miles south of here at 10:30 o'clock this morning, in which seven cars were derailed and the track and ties were badly torn up. The accident was caused by the front trucks under a refrigerator car leaving the rails and turning half way around and plowing up the ties. The train passed over bridge 250 feet long before it stopped.

The train was going at a rapid speed There were six cars of stock on the train, but these escaped injury and none of the train crew were injured. Passenger trains will not be able to pass there today and they will transfer or be sent around the east line via Scotland to Sioux City.

No damage was done other than the refrig-

erator car and the road bed.
