**PRICKLY RASH BITTERS**

AN ECLIPSE

Of the Sun throws a dark shadow on the earth. So it is with the human body when disease shuts out the light of health and happiness.

**PRICKLY RASH BITTERS**

Is an antidote for all diseases which attack the kidneys, Liver, Stomach or Bowels. It drives out constipated conditions, restores functional activity and regularity.

MAKES...  
Pure Blood,  
Strong Nerves and  
Good Digestion.

People who have used it say it is their main reliance for keeping the body healthy.

**SOLD AT DRUGGISTS.**  
Price, \$1.00.

SPECIAL BOTTLE—Only one dozen made. "Bottle" in the case that it is in use on a glass. It is not tampered with, having no other glass in the case.

**COLDS**

I regard my COLD CURE as more valuable than a life insurance policy, not only cures colds in the head, colds in the lungs, colds in the bones, but it wards off dangerous diseases such as grippe, diphtheria, pneumonia, and consumption.—RUYON.

Munyon's Rheumatism Cure seldom fails to relieve in one to three hours, and cures in a few days.

Munyon's Dyspepsia Cure positively cures all forms of indigestion and stomach trouble.

Munyon's Cough Cure stops coughs, night aches, sore throats and speedily heals the lungs.

Munyon's Kidney Cure quickly cures pain in the back, loins or groin, and all forms of kidney disease. Munyon's Vitallizer restores lost power to weak men.

All the cures are 25 cents, at any drug store.

Munyon's Guide to Health should be in the hands of every mother. It will help them to know the symptoms of every disease and tell them the proper treatment. Sent free to any address.

Munyon, New York and Philadelphia.

**WATER FOR THE CAPITOL**

Joseph Burns of Lincoln Awarded State Contract.

**SPORTSMEN PROTECTING THE FISH**

Grand Army of the Republic Men Get Ready for Encampment—State Fair Grounds Remain Unselected.

LINCOLN, April 25.—(Special.)—The State Board of Public Lands and Buildings today awarded a contract to Joseph Burns of this city for the erection and installation of a water pumping plant for the capitol building. The work will be finished by July 1, including all material and labor. The paratus, the plant will cost the state \$4,500. It is estimated its operation will cost about \$1 per day, which is considerable less than what the state now pays the city of Lincoln for water service at the capitol building. For the last five years the state has paid \$500 per year for a limited supply of water for the building and the rate charged for water for lawn purposes has been \$65 per week.

The contract requires Mr. Burns to sink enough wells to furnish 200 barrels of good water per hour against seventy-five pounds pressure and to sink and brick up a pit twenty feet in diameter and thirty feet deep for the pumping machinery and well. In addition he must furnish a compression tank to stand 25 pounds pressure and all other materials and machinery that may be necessary in the construction of the plant.

The Board of Public Lands and Buildings estimates that the plant will not only furnish an unlimited supply of water for the building and lawn, but in cutting out the heavy bills from the city will pay for itself within a few years. Mr. Burns will begin work the latter part of this week. He gave a bond to guarantee that the plant would be in working order by July 1.

**Crusade Against Illegal Fishing.**

Sportsmen living in the southeastern section of Nebraska are preparing to begin a crusade against illegal fishing in the Nemaha river, which they say would be well stocked with various species of the finny tribe were it not for the illegal use of nets by market fishermen. The game law passed by the last legislature provides a heavy penalty for fishing with nets in Nebraska streams and an effort will be made to have it enforced. The Nemaha river flows through the counties of Richardson, Pawnee and Johnson and a branch stream extends into Nemaha county. In recent years the market fishermen have been operating in the extreme southeastern end of the state and by the use of a series of nets have prevented fish from going up stream.

The first step will be toward the appointment of a deputy section game warden for the counties through which the river flows. Such an official is authorized to make arrests for violation of the game law, but he receives no salary. The people who are complaining of the illegal fishing say that the salary is not essential, the real object being to prevent the marketmen from using nets.

**Nebraska Grand Army Encampment.**

Programs are being distributed from the state headquarters here for the twenty-fifth annual encampment of the Nebraska department of the Grand Army of the Republic and the Woman's Relief corps, to be held at Plattsmouth, May 7, 8 and 9. All business matters pending consideration by these organizations will come before the committee, thus leaving the reunion, which will be held later in the year, for social purposes only.

The first event of the encampment will be a reception by the Grand Army to the woman's Relief corps, Tuesday evening, May 7. The following day a special committee from the department will visit the schools of Plattsmouth and several addresses will be delivered before the pupils. The formal opening exercises will be at 2 o'clock Wednesday afternoon. The mayor of Plattsmouth will deliver an address of welcome and responses will be made by John Reese of Broken Bow, department commander, and Mrs. Sarah Sweet of Creighton, president of the Relief corps. Thursday evening there will be a campfire in the opera house. The encampment will close with a business session and campfire on Friday. On this day new officers will be chosen for the Grand Army and Relief corps.

The officers of the Grand Army department to be elected are commander, senior vice commander, junior vice commander, medical director and chaplain. If the precedent established five years ago is followed, Major Robert Wilcox of Omaha will be promoted from senior vice commander to department commander.

**State Fair Bids.**

The State Board of Public Lands and Buildings was to buy grounds for the state fair this afternoon, but owing to the absence of a special committee appointed by the State Board of Agriculture to confer in the morning the bids were deferred. The committee consists of Secretary Furnas and former President Bassett.

The agricultural board committee arrived in the city late in the afternoon and held a short conference with the lands and buildings board. The several bids submitted were discussed and the time for filing proposals was continued to May 5. The committee favored purchasing the old state fair grounds site.

Tonight the committee from the State Agricultural association with a committee from the Lancaster Agricultural association to open negotiations for a ten-acre tract, in the center of the old fair grounds, and owned by Lancaster county. This property will either be offered for sale at a nominal sum or for rent under a lease extending for ninety-nine years.

Five sites have been offered for the state fair, ranging in price from \$15,000 up to the total amount of the legislative appropriation, which is for both grounds and buildings. The Lincoln Traction company has made a proposition for the sale of Lincoln park and is vigorously urging the board to accept it. The property is admitted to have advantages not possessed by any other site offered, but it has no buildings that could be used for state fair purposes. The owners of the old state fair grounds are willing to give a clear deed to the property for \$22,000.

**New Omaha Company.**

The secretary of state today legalized the following corporations:

Perry-Harris Construction company of Omaha, stock \$50,000, for constructing and equipping railroads, by A. O. Perry, F. A. Harris, B. J. Cunnell and George W. Poynton, of Omaha.

Lewellen, Merchandise company of Lewellen, merchandise business, stock, \$25,000.

**Sheets to Return Contaminated Liquor.**

TECUMSEH, Neb., April 25.—(Special.)—The hearings in three more of the cases against the wholesale liquor firms that have been shipping liquor into this city, a temperance one, were heard in Justice C. B. Woolsey's court yesterday. The justice ordered the sheriff to return the packages of liquor which were the property of these firms, and which were seized ten days ago, to the express company, and the company will return them to the wholesalers.

**Post Blasted on Hay Knife.**

TECUMSEH, Neb., April 25.—(Special.)—John Wagner, the 1-year-old son of August Wagner, near Tecumseh, was hauling a load of hay, when the load upset and he fell upon a hay knife. His foot was cut nearly off, a gash being inflicted from the heel to the instep.

**NEBRASKA'S LIMITED ROOM**

State Exhibit at Buffalo in Exclusively for Products of the Soil.

LINCOLN, April 25.—(Special Telegram.)—E. L. Vance of Pawnee city, commissioner to the Pan-American Exposition, returned tonight from Buffalo. Regarding the plans for the state's exhibit, he said: "The Nebraska exhibit will be in place June 1. The exhibition will not be formally opened until May 29 and our exhibit will be ready a few days after that time. I have obtained space 28,200 feet in the main Agricultural building and a smaller allotment in the Horticultural building. I found it impossible to secure space for other exhibits, hence the educational and all other features which have to be left out. My state exhibit is exclusively agricultural and horticultural. This is to be regretted, but under the accommodations offered by the exposition authorities it cannot be otherwise. It will be impossible, of course, to prepare a complete horticultural exhibit so early in the season. The work will be pushed, however, with all possible speed. I have several county agricultural exhibits already prepared."

Vance said he would announce the appointment of deputy commissioner within a few days.

**CLARK DECLINES TO QUIT**

Continues Building Los Angeles Road, Regardless of Land Commissioners.

**CONFERENCE FAILS TO ADJUST MATTERS**

Men of Two Contending Lines Meet, but Fail to Agree—Meanwhile the Ganges Draw Nearer.

LOS ANGELES, April 25.—J. Ross Clark and T. Gibbon of the San Pedro, Los Angeles & Salt Lake road, speaking today of the decision of the commissioner of the general land office of Washington awarding the disputed Nevada right-of-way to the Oregon Short Line, declared emphatically that the decision will not interrupt the work being done.

The Harriman forces have scored a point, announced Mr. Clark, "but the matter has yet to be passed upon by the secretary of the interior and meanwhile we will relinquish none of our rights."

"We will hold the fort," said Mr. Gibbon, "and keep our men at work until we are ordered to vacate by a court of competent jurisdiction. The decision of the commissioner is not final and we still propose to win out. If we do not, there are other ways of getting our road through to Los Angeles, and a defeat will in no wise cause us to halt."

**Conference Unavailing.**

SALT LAKE CITY, April 25.—A meeting between the chief engineer's force of the Oregon Short Line and those representing Senator Clark's Salt Lake-Los Angeles railroad, both of which are contending for a right-of-way between the Utah and California lines, was held at Nevada, in hope of reaching an understanding whereby the threatened collision between the two forces could be avoided. All present expressed a desire that something be done to relieve the tension that is arising in snapping point as the distance shortens between the opposing forces. This agreement, however, could not be reached and the situation seems unchanged. Both sides seem determined to continue work until the dispute is closed.

The Utah and California lines have been heavily reinforced within the past few days. General Manager Bancroft of the Short Line says the work of construction will be kept up and the road pushed right through to California and C. C. Whitte, chief engineer of the Clark line, is quoted as saying that yesterday's decision of the commissioner of the general land office will not deter for an instant the progress of the Salt Lake-Los Angeles line.

**City Sheriff Takes a Hand.**

SALT LAKE CITY, April 25.—A special to the Herald from Nevada says that the sheriff of that state has entered into the fight between the Oregon Short Line and Senator Clark's forces for possession of the old Utah & California right-of-way and has notified both forces, now within less than 20 miles of each other, that in the event of a clash between the opposing forces, which at the present rate of road extension will meet either tomorrow or Saturday. Both forces have been largely reinforced.

**STOCKMEN TO MEET AT ALLIANCE**

ALLIANCE, Neb., April 25.—(Special.)—The annual meeting of the Nebraska Stock Growers will be at Alliance May 12 and 13. May 12 Prof. Burnett, professor of animal husbandry at the State university, will lecture on "Beef Cattle." Prof. Peters, bacteriologist, will give an address on "Advancement Made in Combating Contagious Diseases." Regent Von Forell will give an address on "Education for Stockmen's Boys." Editor McIntosh of the Omaha Nebraska Farmer will give an address. In the evening there will be a banquet at the Hotel. The stockmen will be accompanied by their families and friends by the citizens of Alliance. A large attendance is promised.

**Examination for Annapolis.**

MADISON, Neb., April 25.—(Special.)—Congressman John S. Robinson is sending out notices of a competitive examination to fill a vacancy in the naval academy at Annapolis. The examination will be held at the Norfolk high school building at 10 o'clock June 12. The examination committee is composed of County Superintendent C. W. Crum, Prof. D. C. O'Connor, Norfolk, and Dr. J. H. Mackay, Norfolk.

**Trainmen's Annual Picnic.**

SEWARD, Neb., April 25.—(Special.)—At the meeting of the union conductors and trainmen it was decided upon to hold their annual picnic at this place in the new park and fair grounds west of the city July 4. Trains will be "between Lincoln and Seward every hour from 9 a. m. to 10 p. m.

**Burglars Enter Tecumseh Foundry.**

TECUMSEH, Neb., April 25.—(Special.)—Burglars entered the Tecumseh foundry last night and breaking open a tool chest made away with several tools, including making devices. Other tools were stacked up as though the thieves had intended to take them, but were left behind.

**Bloodhounds Are Ordered Out.**

BEATRICE, Neb., April 25.—(Special Telegram.)—The Fulton bloodhounds were called to Marysville, Kan., by a telegram from the sheriff at this place this morning. The details are not known, but it is reported that a large robbery took place at Marysville early this morning.

**Elm Creek Citizen Removes.**

ELM CREEK, Neb., April 25.—(Special.)—J. M. Foristal, a resident of Elm Creek for two decades, removed to Ogden, Utah, where he will continue his law practice. Mr. Foristal is a member of the First National bank, and of the First bank since reorganization.

**Farmers Finish Seeding.**

SUTTON, Neb., April 25.—(Special.)—Farmers have completed seeding their ground for oats. The unusual amount of moisture this spring is bringing winter wheat and pastures forward rapidly, so that by May 1 stock will subsist on pasture.

**Norfolk Woman Asks Divorce.**

MADISON, Neb., April 25.—(Special.)—Claudia Davis of Norfolk has begun proceedings for a divorce from her husband, William D. Davis, on grounds of desertion and drunkenness. They were married at Kirksville, Ia., in 1895.

**Farmer to Try Alfalfa.**

ELM CREEK, Neb., April 25.—(Special.)—Over a thousand acres of alfalfa will be put out around Elm Creek this year. A number of farmers are trying it on alfalfa land. Some good fields are now growing on elevated land.

**District Court at Geneva.**

GENEVA, Neb., April 25.—(Special.)—District court is now in session. Today the case of the State against Henry Beister, charged with assault with intent to kill Henry Nachbor, is being heard.

**Village Board Selects Marshal.**

TABLE ROCK, Neb., April 25.—(Special.)—At a meeting of the village board last night, A. J. Barrett was selected village marshal.

**Priest Leaves Home for School.**

LEMARE, Neb., April 25.—(Special.)—St. Joseph's parish will erect a \$20,000 school-house immediately, in accordance with the directions of the will of the late Rev. H. J. Meis, for twenty-five years priest of the parish, who left money for this object. A new priest's home will also be built this summer.

**TO BUILD LINE TO OMAHA**

President of Great Western Announces Road's Future Plans—Branch to Sioux City.

FORT DODGE, Ia., April 25.—(Special Telegram.)—President A. B. Stickney and General Manager Samuel Stickney of the Great Western and Fort Dodge railroad, and Vice President E. C. Danforth, arrived in this city this morning on a special train. President Stickney announced the future course of the Great Western in an interview this morning, saying: "We plan to build a line from Fort Dodge to Omaha and will begin work on construction immediately. The line to Sioux City will be a branch from the Omaha line and will run into Fort Dodge over the same track. I am unwilling to state the point at which the Sioux City branch will leave the main line."

The statement of President Stickney is considered positive information of the Great Western's plans. The Omaha line from Fort Dodge will leave this city on a new \$2,000,000 steel bridge over the Des Moines river. The bridge will be 3,000 feet in length and 120 feet in height at highest point. J. V. Col will have general supervision of construction on the new lines. President Stickney met a committee of Fort Dodge business men, to whom he gave these details. Several additional offices were rented in this city for engineering corps of the Great Western.

**OFFER TO BUY BURLINGTON**

Directors to Submit Proposition of Two Northern Roads to Stockholders.

BOSTON, April 25.—The Chicago, Burlington & Quincy directors at a special meeting today voted to submit to the stockholders of the road a proposition to sell the Great Northern and Northern Pacific railroads to take control of the Burlington. The offer for the Burlington stock is \$200 per share for not less than two-thirds of the whole amount, to be paid for in 4 per cent bonds of the negotiating road. The stockholders being given the option of taking part cash.

All Roads Cut Rates.

COLORADO SPRINGS, Colo., April 25.—Charles Allen Parker, chairman of the Western Passenger association, was in the city today and authorized the statement that the cut rates from Chicago to Colorado Springs established by the Rock Island and Burlington would be met by all other transcontinental lines. The rate is \$25 for the round trip from Chicago and \$15 round trip.

**DECIDE YOURSELF**

The Opportunity is Here, Backed by Omaha Testimony.

Don't take our word for it. Don't depend on a stranger's statement. Read Omaha endorsement. Read the statements of Omaha citizens. A number of letters are being sent to you. Here is one case of it.

Mr. R. L. Rowe No. 2623 Bristol street, who has charge of the transmitters between Chicago, St. Louis and California in the Western Union Telegraph company's office, says: "Before I procured Doan's Kidney Pills at Kuhn & Co.'s drug store, corner Fifteenth and Douglas streets, I tried several well known proprietary medicines guaranteed to be sure cures for any form of kidney trouble, but they beat them. The treatment has apparently cured me, for up to date I have not noticed a symptom of a recurrence."

Sold by all dealers. Price 50c per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's, and take no substitute.

**THOUSANDS HAVE KIDNEY TROUBLE AND DON'T KNOW IT**

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease, therefore, when through neglect or other causes, kidney trouble is permitted to continue, fatal results are sure to follow.

Your other organs may need attention—but your kidneys most, because they do most and need attention first.

If you are sick or "feel badly," begin taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

The mild and immediate effect of Dr. Kilmer's Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root will set your whole system right, and the best proof of this is a trial.

4 West 17th St., New York City.

DEAR SIR:—Oct. 15th, 1900.

"I had been suffering severely from kidney trouble. All symptoms were on hand. My former strength and power had left me; I could hardly drag myself along. Even my mental capacity was giving out, and often I wished to die. It was then I saw an advertisement of yours in a New York paper, but would not have paid any attention to it, had it not promised a sworn guarantee with every bottle of your medicine, asserting that your Swamp-Root is purely vegetable, and does not contain any harmful drugs. I am seventy years and four months old, and with a good conscience I can recommend Swamp-Root to all sufferers from kidney troubles. Four members of my family have been using Swamp-Root for four different kidney diseases, with the same good results. With many thanks to you, I remain, very truly yours,

ROBERT BERNER.

You may have a sample bottle of this famous kidney remedy, Swamp-Root, sent free by mail postpaid, by which you may test its virtues for such disorders as kidney, bladder and uric acid diseases, poor digestion, when obliged to pass your water

frequently night and day, smarting or irritation when passing, brick dust or sediment in the urine, headache, backache, lame back, dizziness, sleeplessness, nervousness, heart disturbance due to bad kidney trouble, skin eruptions from bad blood, neuralgia, rheumatism, diabetes, bloating, irritability, without feeling lack of ambition, loss of flesh, sallow complexion, or Bright's disease.

If your water when allowed to remain undisturbed in a glass or bottle for twenty-four hours, forms a sediment or settling, or has a cloudy appearance, it is evidence that your kidneys and bladder need immediate attention.

Swamp-Root is the great discovery of Dr. Kilmer, the eminent kidney and bladder specialist. Hospitals use it with wonderful success in both slight and severe cases. Doctors recommend it to their patients and use it in their own families, because they recognize in Swamp-Root the greatest and most successful remedy.

Swamp-Root is pleasant to take and is for sale the world over at druggists in bottles of two sizes and two prices—fifty cents and one dollar. Remember the name, Swamp-Root, and the address, Binghamton, N. Y.

Your other organs may need attention—but your kidneys most, because they do most and need attention first.

If you are sick or "feel badly," begin taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

The mild and immediate effect of Dr. Kilmer's Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root will set your whole system right, and the best proof of this is a trial.

4 West 17th St., New York City.

DEAR SIR:—Oct. 15th, 1900.

"I had been suffering severely from kidney trouble. All symptoms were on hand. My former strength and power had left me; I could hardly drag myself along. Even my mental capacity was giving out, and often I wished to die. It was then I saw an advertisement of yours in a New York paper, but would not have paid any attention to it, had it not promised a sworn guarantee with every bottle of your medicine, asserting that your Swamp-Root is purely vegetable, and does not contain any harmful drugs. I am seventy years and four months old, and with a good conscience I can recommend Swamp-Root to all sufferers from kidney troubles. Four members of my family have been using Swamp-Root for four different kidney diseases, with the same good results. With many thanks to you, I remain, very truly yours,

ROBERT BERNER.

You may have a sample bottle of this famous kidney remedy, Swamp-Root, sent free by mail postpaid, by which you may test its virtues for such disorders as kidney, bladder and uric acid diseases, poor digestion, when obliged to pass your water

frequently night and day, smarting or irritation when passing, brick dust or sediment in the urine, headache, backache, lame back, dizziness, sleeplessness, nervousness, heart disturbance due to bad kidney trouble, skin eruptions from bad blood, neuralgia, rheumatism, diabetes, bloating, irritability, without feeling lack of ambition, loss of flesh, sallow complexion, or Bright's disease.

If your water when allowed to remain undisturbed in a glass or bottle for twenty-four hours, forms a sediment or settling, or has a cloudy appearance, it is evidence that your kidneys and bladder need immediate attention.

Swamp-Root is the great discovery of Dr. Kilmer, the eminent kidney and bladder specialist. Hospitals use it with wonderful success in both slight and severe cases. Doctors recommend it to their patients and use it in their own families, because they recognize in Swamp-Root the greatest and most successful remedy.

Swamp-Root is pleasant to take and is for sale the world over at druggists in bottles of two sizes and two prices—fifty cents and one dollar. Remember the name, Swamp-Root, and the address, Binghamton, N. Y.
