New Scheme on Southern Pacific.

SAN FRANCISCO, April 27 .- It is stated in railroad circles that President Hays of the Southern Pacific is about to inaugurate a radical change in the management of the system. He will form a cabinet of advisers to be composed of the heads of practically all the principal departments of the road. with the single exception of the law department. The object of this arrangement is to centralize the authority and responsi-

That Retains the Food and Refuse to Digest it. Make the Head Heavy and the Nerves Weak, Need Stuart's Dyspepsia Tablets.

There is a cure for dyspepsia. Sufferers who have tried noxious nostrums will probably be skeptical but skepticism vanishes when Stuart's Dyspepsia Tablets are tried. Whether the trouble is dyspepsia of long standing, or morely a simple case of indigestion, relief is prompt and pronounced. The less the trouble the fewer tablets need be taken

Heaviness after eating, sour stomach, as indicated by belching, fatigue with slight exertion, or with no exertion at all, dis turbed sleep, nervousness, constipation, depression, "blues," these things can commonly be set down as symptoms of dyspepsia. And dyspepsia is merely indigestion in an aggravated form.

By promoting perfect digestion, Stuart's Dyspepsia Tablets produces strong nerves, restful, refreshing sleep, pure blood and good sound healthy flesh. They make the skin clear, the eyes bright, the mind cheer-

Stuart's Dyspepsia Tablets are a medt cine and more than a medicine. They di gest the food and make it easy of assimilation, and they relieve the inflamed, diseased condition of the membraneous linings and active condition. They effect a quick and permanent cure. You don't have to con- sary of the order. Every effort was made tinue taking them forever, still it is well by the officers and members of these two to have a box handy and take one at the first return of the trouble.

> BUFFALO, N. Y., April 27 .- The question grounds are to be open on Sunday was finally settled today by the board of directors. Their decision is a compromise. The gates are to be open from 1 p. m. up til 11 p. m., but the Midway and all amusement features will be closed during the twenty-four hours from Saturday night until Monday morning.

With the opening of the gates still four days away the work of construction is in a remarkably advanced stage, considering the setback caused by the storm of a week ago. The electric wiring was completed today and tonight there was a special illumination for the benefit of the exposition officials. The spectacle was a revelation. There was no glare of arc lights, but incandescent bulbs gleamed everywhere, on lampposts, in huge clusters, along the architectural lines of facades, on caves and roof beams in crossing lines, on the convex surfaces of domes, running to the peaks of minarets, and 20,000 of them bursting into greatest splendor on the electric tower, outlining the delicate tracery of its ornate filagreed panels in a lustrous glow and throwing the entire shaft of ivory and gold into
