## Your Spring Cleaning

hasn't all been done if you have not cleansed and set things to rights in your system. There are those humors that make you break out and feel tired, that take away your appetite, too.

You'll have those dull headaches, those bilious turns, fits of indigestion, that tired feeling and that eruption until you get rid of those unhealthy ac-

cumulations. Hood's Sarsaparilla deanses the system, sets things to rights in it, makes the blood pure and rich, strengthens all the organs and functions.

That's why so many take it every spring. "I have taken Hood's Sarsaparilla as a spring tonic for several years and have derived great benefit from it. I recommend it to all who have that tired feeling, loss of appetite or impure blood."-Fannie Fisher, 2018 High St., Des Moines,

lowa. "My father has taken Hood's Sarsaparilla as a blood purifier and tonic in the spring, and other members of the family have also used it when run down and out of order generally. It soon makes them feel all right again, and they regard it as an excellent medicine."-Mrs. Rills Hiscox, Toulon,

"I have been taking Hood's Sarsaparilla this spring and have found it the best spring medicine I ever tried. I thik it my duty to recommend it to others."-Russell Rinehart, Eaton, O.

"I have used two bottles of Hood's Sarsaparilla and the medicine has given me entire satisfaction. I had a tired feeling, could not sleep, had no appetite, and at times was troubled with dull headaches, but this medicine has given me new life and done me so much good that I recommend it to all who are over worked or run down in health."-H. Reese, Glen Rock, Wyo.

Hood's Sareaparilla promises to cure and keeps the promise.
