Republican State Central.

"I haven't been giving much thought to politics lately and consequently have not decided just when to call our committee together," said Chairman H. C. Lindsay of the republican state central committee this morning when questioned concerning the preliminary plans for the fall campaign. "There are quite a number of matters of importance to be decided, such as the time and place for holding the state convention, location of state headquarters, etc., and they will come before the committee at its next meeting.

"A call for a meeting of our committee will probably be issued within the next few weeks. I believe this meeting should be held in the latter part of June or the first of July. I haven't discussed the matter with the committeemen, but I think that a meeting about that time would be convenient for all purposes.

"Owing to the nature of the campaign this year it will not be necessary to hold the state nominating convention before the last week in August or the first part of September. It will not be a fight that can be long-drawn-out. However, the time, as well as the place for holding the convention, must be decided by the committee."

Chairman P. L. Hall of the democratic state committee was reticent today when questioned regarding plans for the fusion campaign.

"The fact is, I have been too busy with other work to give any attention to political work," said he. "I have not talked with anybody regarding plans and have no definite idea as to when our convention will be held. I believe, however, that it will not be an early convention."

Mr. Hall said further that he did not know whether the conventions of the different fusion parties would be held simultaneously and in the same city. He thought this would be determined at a conference of party leaders. The time and place of holding the conventions would be left, he thought, to the state committees.

Member of Charities Board.

Rev. Father Ruesing of Wear Point was today chosen a member of the State Board of Charities and Corrections. This board will be non-partisan in its make-up, appointments having already been made from the republican and democratic ranks. The fourth and last member remains to be chosen and, according to the terms of the act creating the board, it will be necessary to select the man from the populist party. The appointment of this fourth member will complete the organization.

New Banking Institutions.

The State Banking board has granted charters to the following new banking institutions:

State Bank of Boone, Boone; capital stock authorized, $10,000, 50 per cent paid up; incorporators, J. E. Dack, E. R. Dack and M. G. Dack.

Woolback State bank, Woolback; capital stock authorized, $10,000, 50 per cent paid up; incorporators, F. W. Crew, Cornelius Bradley and Harriet VanDean.

Ponca Valley bank, Lynch; capital stock authorized, $10,000, 50 per cent paid up; incorporators, C. F. Rue and Frans Nelson.

New Corporations.

The following corporations were legalized by the secretary of state today:

Overland Real Estate and Investment company of Nebraska City; capital stock, $100,000.

Omaha Dye works of Omaha; capital stock, $6,000; incorporators, Henry Strassheofer of Omaha, Christian Strassheofer of Omaha, Henry C. Behrens and Elizabeth Behrens of Creta.

Arlington Telephone company of Arlington; capital stock, $2,000; incorporators, H. W. Marshall, W. G. Pfeiffer, M. Margensen, C. Vail, H. Wilson, A. G. Unland and R. A. Davies.

Hastings Furniture company of Hastings; capital stock, $10,000; incorporators, Edgar J. Pease, William E. St. John, Fred L. Pease; for wholesale and retail trade.

Bank Suit is Up Again.

A verdict for the defendants was delivered by a jury in the district court this afternoon in the case of Henry Gerner against Charles W. Mosher, R. C. Outcalt and C. E. Yates. The action was begun by Gerner to recover $22,000 paid for stock in the defunct Capital National bank, a few months before it failed. The defendants have won three times in the district court and the plaintiff has been given two favorable decisions by the supreme court. If a new trial is denied in the district court Gerner will appeal to the higher tribunal.

The case involves an important proposition of law. The plaintiff in his petition asked for a judgment on the grounds that he invested the money in the stock on the strength of a statement which purported to show the financial condition of the bank. He alleges that this statement was false. In two opinions the supreme court supported his contention.

Vagrancy Law Unconstitutional.

Judge Frost in the district court this afternoon gave a decision declaring unconstitutional the act of 1875, which provided a penalty for vagrancy. It was discovered that this act was passed without a necessary repealing clause. A curative measure providing for the repeal of the original law was passed by the last legislature with an emergency clause, but it is not considered likely that it can be held to apply to pending cases of appeal where conviction was had under the law of 1875. There are probably not many cases of this kind pending and the decision, therefore, will have little or no effect, except in the case under consideration here, in which a woman was the defendant. The act of the last legislature is in force and it is believed it will stand any test of the courts.

DAMAGES FROM PHYSICIAN

Charles Lacroix of Wayne Wins Suit Against Dr. H. G. Leisenrig.

WAYNE, Neb., May 17.—Special Telegram.)—Judge J. F. Boyd closed a term of the district court here tonight. The State of Nebraska against J. M. Cassell, in which the defendant was charged with attempting to assault a 12-year-old girl, is dismissed.

Three divorce decrees were granted.

Charles Lacroix sued Dr. H. G. Leisenrig for $12,500 damages. He claimed the doctor did not properly set a broken leg for him in December. Expert evidence was introduced. Depositions from Dr. Knott of Sioux City were introduced in behalf of the plaintiff, while Drs. Jonas and Allison of Omaha, and Dr. Warren of Sioux City were witnesses present in behalf of the defendant. The case went to the jury yesterday forenoon and a verdict was not reached until this afternoon, when $1,100 and doctor's bill of $175 was awarded the plaintiff. Dr. Leisenrig appealed the case to the supreme court.

Every item of the program was closely contested from beginning to end. The athletic contests were chiefly between the Hartington and Randolph schools, there being a misunderstanding with reference to the Coleridge and Laurel schools participating. PE-RU-NA

The Greatest Spring Tonic and Catarrh Remedy of the Age.

Gonzalo De Quesado, Secretary of the Cuban Legation in Washington.

Senor Quesado, secretary of the Cuban Legation at Washington, is an orator born. In an article in The Outlook for July 1899, by George Kennan, who heard Quesado speak at the Esteban theater, Matanzas, Cuba, he said: "I have seen many audiences under the spell of eloquent speech and in the grip of the strong emotional excitement, but I have rarely witnessed such a scene as at the close of Quesado's eulogy upon the dead patriot, Martí." In a letter to The Peruna Medicine Company written from Washington, D. C., Senor Quesada says:

"Peruna I can recommend as very good medicine. It is an excellent strengthening tonic, and it is also an efficacious cure for the almost universal complaint of catarrh."

Gonzalo De Quesada.

Peruna does not operate upon the system, as the usual remedy does. It is not a local treatment. It operates as a systemic remedy. It gives tone to the weakened nerve centers, and thus gives tone to the mucus membranes that line the various organs of the body.

Catarrh is always located in some mucous membrane. Catarrh is a faulty condition of the blood vessels of these membranes. Peruna gives tone to these vessels and restores them to their natural elasticity.

Thus it is that Peruna strikes at the root of the evil. Peruna removes the cause of catarrh and the symptoms disappear. It is useless to doctor symptoms. Symptoms disappear once the cause is removed. Peruna removes the cause. It is the only systemic catarrh remedy yet devised.

Mrs. J. Priest, Lee, Mich., writes: "I think there is no medicine on earth that excels Peruna. My husband won't take any other. We have tested it and it worked a great change in my son's health last spring when we thought he was going into consumption. We gave him only one bottle and he was all right."—Mrs. J. Priest.

Catarrh Twenty Years.

Spent Hundreds of Dollars Trying to Find a Cure.

PERUNA COMES TO THE RESCUE.

Mr. Howard Harry Marshall, 462 Main street, Tuckertown, N. J., writes:

"I have been troubled with catarrh for eleven years. All remedies and doctors failed to cure. I heard of Peruna through a friend and bought a bottle. In less than four months I was a well man and now weigh more than I ever did in my life."

His wife writes: "I want to give my experience with Peruna. It is the only medicine that American people should buy if they want to be cured of catarrh. **I have had catarrh for twenty years, and it had extended throughout my entire system.** I spent hundreds of dollars trying to get relief. I did not expect to be cured.

"As I was seeing so much in the papers about Peruna I thought I would try it, but had no faith in it. I bought a bottle, but did not see much change in my condition, but thought I would take another bottle. Then I saw a big change. I kept on taking it until I was entirely cured and have remained so for six months.

"I will do all I can to get your medicine into the homes of the American people, as it is the only sure cure for catarrh in any form or any part of the human body."

—Hannah Marshall.

Miss Martha Wittkopp writes from Greenville, Mich., the following: "When I began your treatment I had catarrh of the head, nose, throat, stomach and pelvic organs. I was troubled with hawking and spitting, caught cold very easily, had almost constant headache. My stomach was all out of order. I did not sleep well and was more tired in the morning than when I retired. I had backache and was very nervous; in fact the catarrh had permeated my entire system and I almost despaired of getting well.

Martha Wittkopp.

"I wrote you for advice and you advised Peruna. I began to gain right along and am now well. My parents praise Peruna very much. As for myself, I can't speak well enough of it. I am well and happy and enjoy my life as I never have before. I cannot remember when I have felt as well as I do now."

If you do not derive prompt and satisfactory results from the use of Peruna write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address, Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
