AN UNDENIABLE FACT.

A fact which cannot be denied is that the Prince of Omaha is made wholly by hand and the very best material that could possibly be put into a 5c smoke. It is made by men who have made hand-made cigars for years and a bad cigar could not possibly be turned out. This insures the smoker the same size and quality at all times. Smoke the Prince of Omaha and take no other, It is 5c straight.
