June 5 - The executive council of the Ameigameted Burcher Workmen of North America has been called together in Chicago, by International Presi-Donnelly, because of grievances dent against the Swift Bros., packing company of Chicago and Omaha, and there is thought to be danger of a strike buing ordered, involving all of the employes of the company throughout the United States.

> Some days ago it was reported to the international omerals that the company was discharging union employes. Third International Vice resident Shechan was prdered to Chicago to make an investigation and he pottled the headquarters in this that the foreman making the disharges had been discharged by the comparty, and that the men were being reinstated.
