Court Today Hears Defense in Kansas City Murder Trial.

STATE SEEKS TO PROVE CONSPIRACY

Day's Evidence Directed Against Entire Prince Family as Having Deliberately Plotted and Predicted Husband's Death.

KANSAS CITY, June 10 .- The state in the case of Luiu Prince-Kennedy, on trial for murdering her husband, rested this afternoon and court adjourned until tomorrow morning, when the defendant's side will be presented. The case will probably be given to the jury some time Saturday.

Today the state adduced additional evidence to prove its claim that Kennedy was forced to marry Lulu Prince at the point of a revolver, that Will Prince furnished the weapon and nerved her up to committing the crime, that the Princes conspired to kill Kennedy and predicted the murder days before it occurred and that the woman's claim that she was in a delicate condition and shot her husband in a fit of temporary insanity produced by this condition was untrue.

Totals 13 15 27 15 2 Totals ... \$ 12 27 9 4 Tomorrow the defense will begin its testimony to show that Mrs. Kennedy inherited insanity, that Kennedy had ruiped her and that his refusal to acknowledge her as his wife temporarily deprived her of her reason. Following this the state will offer evidence to show that she was not a good woman before she met Kennedy. Mrs. Kennedy was pale and wan when she entered court this morning and showed plainly the suffering she had endured since her collapse on Saturday. In the afternoon her condition seemed to improve. She prompted several questions asked by her attorneys and when Police Matron Moore, who proved one of the state's strongest Six Runs in One Inning Turn Tide witnesses, took the stand the prisoner

most delightful privilege. As the only double track railway from the West to Buffelo (meaning greater safety and dispatch in traveling) and by reason of its furnishing the most complete and frequent service of any line, the Lake Shore & Michigan Southern with its eight through trains daily, including the only daylight train, will prove the most desirable route for exposition travel.

In making it your choice you will travel well. It takes you through the richest and fairest portion of the Middle States, including the beautiful Western Reserve country with nearly 300 miles of ride along the picturesque south shore of Lake Erie.

All tickets over this route afford use of steamore either way between Cleveland and Buffalo, also stop at Chautauqua on return trip within limit of ticket "Book of Trains" containing full information about Lake Shore service free on application to F. M. BYRON, G. W. A. Chicago.
