CORN MARKET RULES FIRM, BUT DULL

Range of Onts Prices Narrow, but Henry Trading is Done-Provisions Strong with Notable Scarcity in Offerings.

CHICAGO, June 16—The bear element held the mastery in the wheat pil today, July closing \$40\text{30} lower. July corn at the close was \$60\text{ above. Maily corn at the close was \$60\text{ above. Saturday's final price. July oats showed a loss of he and provisions were legitified to like higher.

On favorable weather reports from the west and horthwest, coupled with estimates on world a shapements, July wheat opened a shade to \$40\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40}\text{40} orn market was firm but very dull-The corn market was firm but very dull. Receipts were not large nor was much demand in evidence, but there was an undercurrent of faith in present values that was not seriously shaken in the afternoom when wheat was forsaken by its holders. Some help was gained from the strength in oats and this aided in off-setting the more favorable weather conditions. July corn sold between the and 15's 4th and closed isc nigher at 15's c. Local receipts were 45's cars, 17 of contract grade. Nine loads were reported taken for export.

The range of prices in the oats pit was narrow, and, though trading was not very general, a few bought and sold heavily and appt the market from marked duliness. There was a fair country demand based on unfavorable weather reports. July outs sold between 271-92 se and 28 a and closed se lower at 28c. Local receipts were 316

Provisions were strong without much activity in business, but a notable scarcity of offerings. A decrease in receipts of bogs and higher prices at the yards helped the market, the feature of which was the demand for July lard. July pork sold between \$14.75 and \$14.80, closing 12½c higher at the closing figures. July lard ranged between \$8.47½ and \$9.55, closing improved at the latter price. July lard sold between \$8.60 and \$8.07½ and closed 10@12½c up at \$8.05.78.07½. \$3.050/8.07% Estimated receipts for tomorrow: Wheat, 123 cars; corn, 475 cars; oats, 270 cars; hogs, 24.000 head. Some Liquidation at First, but Bears Take Alarm and a Rise Follows.

NEW YORK, June 10.—There was some liquidation in the stock market today, shadowed by the drop in prices on Saturday after the bank statement appeared. The heavy demands asclosed by the bank statement on banking resources here caused uneasiness, as it was not known how much further they might proceed. Payments for the 160,000,000 worth of new Pennsylvania stock are required between June 1 and June 15, so that the needs on that account run over a period to come. The steel stocks lost 18, and 19, respectively for the common and preferred during the period of weakness, but railled to a fraction over Saturday. Rock Island fell as much as 4½ from the best. St. Paul 3½ and Missouri Pacific 34. The leading industrials showed rather acute depression, Sugar falling nearly 4 points. Amalgamated Copper 4½ and Aemiracn Tobacco, People's Gas and the New York public utilities from 1½, to 2½. The late raily left the net changes significant in only a few stocks. Missouri Pacific rose strongly to 120 in the late dealings, which was 2½ points over Saturday. The southwestern stocks, particularly Southern Pacific, Atchison and Union Pacific, made notable good recoveries, and Pennsylvania was lifted a point over Saturday. The closing, nevertheless, was slightly irregular, the market yielding again in spots. American Linseed rose 3½ and the preferred on the buying of only a few hundred shares.

The bond market was inactive and showed some irregularity, but was, in the main, firm. Total sales, par value, 32,420,-000. United States bonds were all unchanged on the las, call.

The Commercial Advertiser's London financial cablegram says: American shares were all unchanged on the las, call.

The Commercial Advertiser's London financial cablegram says: American shares of the New York bank statement of last Saturday. The selling predominated during the first hour on the unfavorable features of the New York bank statement of last Saturday. The

HOGS—There was a very light run of hogs here today, for even a Monday as favorable reports were received from other markets; prices advanced sharply. The market opened a big nickel higher, or 500 70 fc higher than Saturday. The demand was in good shape, so that trading was active and everything was sold in a short time. The bulk of the hogs sold at \$5.824 and \$5.83 and as high as \$5.50 was paid. There was very little below \$5.825 co that the range today is very narrow. The quality of the hogs today was hardly as good as on Saturday. So that the market today is higher in reality as compared with Saturday than it looks on paper.

Today's advance carries the market to the highest point reached since April 20, when the average cost was \$5.85. Representative sales:
