

CITY COUNCIL PROCEEDINGS

Steps for Paving Sixteenth Street Are Again Deferred.

ORDINANCE FOR CONDUITS IS FILED

Members Believe City Should Own the Electric Underground System - Mayor Sustained in Two Votes.

No steps will be taken to repair the paving on Sixteenth street, for another week at least, Councilman Mount introduced a resolution at last night's meeting of the city council, providing that the Board of Public Works be instructed to have the street repaired with the material thought to be most suitable. This resolution was referred to the committee on paving and sewers.

Councilman Lobeck introduced a resolution, providing for the repair of street intersections along Sixteenth street and for the repair of the portions of the Sixteenth street paving adjoining Jefferson square and the government building. The resolution did not specify how the repairs should be paid for. This question was raised and it was suggested that the money be taken from the street intersection fund. City Engineer Rosewater expressed the opinion that no money could be taken from that fund for the purpose of making repairs.

Electric Conduits Postponed. Upon the recommendation of the committee on street lighting, the council placed on file an ordinance which provides that all electric light and power wires within the territory bounded by Eighth, Sixteenth and Howard streets and Capitol avenue be placed in conduits constructed by the companies owning the wires. The ordinance was submitted to the council several months ago. The New Omaha Thomson-Houston Electric Light company expressed a willingness to comply with the ordinance on condition that its light contract be extended, but the members of the council expressed the opinion that the city should have a municipal conduit system.

Mayor Moore vetoed a resolution, which provided for the payment of a claim of \$811.45, held by the Welshbach Street Lighting company. He was sustained in his veto. The mayor refused to approve the bill on the ground that there is no money to pay it in the street lighting fund.

Ordinance were introduced and passed providing for the following paving: Thirty-seventh street, from Farnam to Leavenworth; Twenty-first street, from Binney to Wirt; Twenty-fourth street, from Dodge to Farnam; Corby street, from Fifteenth to Sherman avenue; Lafayette avenue, from First to Eleventh.

Mayor's Veto is Sustained.

Mayor Moore was sustained in his veto of a resolution providing for the paving of Twenty-ninth avenue from Hickory street to the south side of Hancock park.

The city comptroller reported that on June 1 the total amount of city, school and police relief funds on hand was \$336,331.01.

City Engineer Rosewater was requested to prepare a schedule of the remainder of the work on the streets.

Remarkable Demonstration of Mental Triumph at School for Deaf.

INTERESTING CLOSING DAY EXERCISES

Pupils of the Institute Render a Program that is Worthwhile and Appreciated by the Audience.

Seventy-five students at the Nebraska School for the Deaf yesterday illustrated the triumph of mental over misfortune in the annual closing exercises of that institution. A program illustrating completely the progress in both departments of the work, oral or lip reading and sign language, was begun at 2 o'clock in the afternoon in the chapel, which was crowded to its capacity.

Most of these numbers were presented by the students in sign work, which was interpreted simultaneously to the audience in English by a teacher. A few of the exercises, however, were given orally and in the brightest and most confident children who are just entering the rudiments of English bravely spoke their lines in English, which was halting at times, but always perfect in enunciation and in grammar.

Every spectator seemed profoundly impressed with what they had seen. Teachers and pupils had attained such wonderful results as to teach a child who could not hear one sound, not only to speak correctly, but to comprehend and answer the words addressed to him merely by watching the lips of his interlocutor.

Yesterday was general open house for the deaf school. The work of the pupils was to each member of the city government. Owing to the new charter a number of changes in the rules have been made and as many of the city officials are not as yet familiar with the rules and the order of business the old custom of having the rules and committee printed will be followed.

Street Closing Lights. Councilman Johnston and Martin are after the Burlington and Rock Island again and propose to have electric lights maintained at the grade crossings even if the courts have to be appealed to. As per a resolution the Burlington will be compelled to maintain lights at L and Q streets and at Rock Island.

Accepts the Call. Rev. Irving P. Johnson, rector of St. Martin's Episcopal church, writes The Bee from Chicago as follows: "You can officially announce that I have accepted a call to the rectorship of St. Martin's church to take effect July 1. I will be in charge of services at St. Martin's church, South Omaha, on June 23 and 30. Rev. Johnson's last appearance in the pulpit at St. Martin's church will be at 11 o'clock on Sunday morning, June 30. A great many people in South Omaha will regret to learn that Rev. Johnson has decided to accept this call. He said that he feels it a duty to go and has been urged to do so by Bishop Williams and others. Rev. Johnson is exceedingly popular here and his presence in the interest of his church and Christianity during his stay in the Magic City."

Orders for Treasurer. Standing orders have been issued to City Treasurer Koutsky by the council authorizing and directing him to take up and pay any and all outstanding district bonds of the city whenever there are funds in the treasury to do so.

Magic City Gossip. Mayor Kelly is in Buffalo looking over the exposition.

Meeting of the High School Alumni will be held at the High school this evening.

Children of the local Bohemian schools will picnic at Syndicate park on June 30.

Miss Welsh left yesterday afternoon for O'Neill, Neb., to attend the funeral of Peter Simpson, Omaha.

A reception to Rev. Father Byrne will be held at the residence of Rev. D. W. Moriarty this evening.

As soon as the decorators complete their work the South Omaha club will move into their new quarters in the Rock building over the old postoffice.

The entertainment given by the building committee of the Christian church last night at the home of Mrs. Cranford was well attended.

Repairs on the pavement on Twenty-fourth street are being made rapidly. It is expected that the work will be completed by July 1.

The Omaha Gas company will soon commence the laying of mains on L street from Twenty-fifth to Twenty-second street and on Twenty-fifth street between B and D streets.

Marriage Licenses. The following marriage licenses were issued yesterday: Elmer H. Peterson, 33; Edna M. Peterson, 31; Carl Hermanson, Red Oak, Ia.; Olga Nielsen, South Omaha; Mary Rouse, Omaha; Frank E. Henry, Omaha; Nellie M. Henry, Omaha; Nelson Cox, Nebraska City; Fannie Weener, Nebraska City; Stanley Fredrickson, Omaha; Olga Anderson, Omaha; George D. McElroy, Vinton, Ia.; Bert Anderson, Omaha; Christina Festner, Omaha.

Careless Smoker Ruins Awaiting. A careless smoker on one of the upper floors of the Patterson block, Seventeenth and J street, caused the destruction of the building on the evening of the Joyce millinery store last night. The fire started from a cigarette stub partially destroyed it. An alarm was turned in, but the blaze was extinguished before the department arrived.

Emporia Mayor Forbids Papers to Detail the Many Suicides.

DEATH SEEMS TO HAVE BECOME EPIDEMIC

Three Attempts Made Monday Seem to Be Inspired by Recent Successful Precedents, Beginning with Bank President's.

EMPORIA, Kan., June 11.—An epidemic of suicides in this town, culminating yesterday in three deaths, is exactly similar to recent successful suicides, has caused the mayor and board of health to forbid publication of details of suicides or attempts in local papers. The board is acting on the theory that publication spreads the contagion of suicide by psychic suggestion. Mayor Morse contends that the liberty of the press is secondary to the public health and is prepared to use force, if necessary, under the nuisance act.

All the editors, however, have agreed to suppress details of suicides or attempts until the epidemic abates. The epidemic which has caused in the towns and county two dozen suicides or attempts in as many months began with the suicide of Charles Cross, president of a wrecked bank, and in the last thirty days there have been seven cases, three successful.

FIRST SHIRT-WAIST MAN

New Century's Pioneer Cuts His Pink Evening Maslin with a False Front.

NEW YORK, June 11.—The first shirt-waist man of the new century was seen on Broadway at noon, walking north at Liberty street, the crowd progressed through the crowd, no longer possible to dislodge his way to an open trolley car. The conductor let him board it. The police in sight did not leave their posts.

The garment was made of pink mousseline de soie, with a false front, accented with white. The garment was neckerchiefed with a white, high turn-over collar with a flowing tie, patent leather shoes, gray trousers and a straw hat with a brim in three layers.

HYMENEAL

Henry Cameron. The marriage of Miss Annie Mabel Cameron, daughter of Mr. and Mrs. J. S. Cameron of 4212 Farnam street, and Rev. F. Edmond's church was solemnized in St. Matthias' church last evening by Bishop Williams.

At 8 o'clock the bride party entered the church, the bride escorted by her father and attended by the bridesmaid, Miss Nettie Dabrah. They were met at the altar by the groom and best man, Dr. Paul H. Ellis. The rites of the Episcopal church were performed by Bishop Williams. Large numbers of friends were present.

Rev. and Mrs. Henry will be at home after July 1 at 4416 North Twenty-first street.

Avary-Gardner

HASTINGS, Neb., June 11.—(Special.)—Clarence P. Avary and Edna L. Gardner, both of Edgar, were married in Hastings tonight by Rev. Van Dyke Wright of the Presbyterian church. Mr. and Mrs. Avary will leave tomorrow for Denver and the mountains to spend their honeymoon.

Drive Into a Motor Car

Matt Hoover of 106 South Thirty-eighth avenue and E. H. Leslie of 21 North Twenty-first street ran into a motor car while driving on Sixteenth street, near Webster last night and were thrown out but not seriously injured. Leslie sustained a small cut on the head and the buggy was wrecked.

FAIR EXCHANGE

A new back for an old one, how it is done in Omaha.

Sometimes the back aches with a dull, indescribable feeling, making you weary and restless as you go about your daily work in the region of the kidneys, and again the loins are so lame to stoop is agony. No use plastering or rubbing the back in this condition. You cannot reach the cause. To exchange a bad back for a new and stronger one, follow the example of this Omaha citizen.

Mr. Ufads Johnson of 1407 Pacific street, employed at the G. A. Hoagland Lumber Co., says: "I have a good deal of heavy lifting to do and it is necessary to have a good strong back to do the work. My back commenced to trouble me and finally became so bad I had to lay off work—in fact I was not working when Doan's Kidney Pills came to my notice. I procured a box at Kuhn & Co.'s drug store and had taken them but a few days when I was able to return to my occupation. I have not had a symptom of backache since I took the treatment and you can use my name as one who thinks Doan's Kidney Pills the finest medicine there is for the back and kidneys."

For sale by all dealers, price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agent for the United States. Remember the name—Doan's—and take no substitute.
