Senator Steele is Governor.

At 1:15 this afternoon Governor Savage was carried by a northbound Burlington train over the state boundary line at Mansfield and simultaneously Senator Steele of Fairbury became governor of Nebraska. The latter is at his home and will not come to Lincoln unless called by some unexpected emergency. Governor Savage will return to Lincoln about July 2. Shelton Milling Company.

Articles of incorporation of the Shelton Milling company of Shelton, Buffalo county, were recorded in the secretary of state's office today. The company is capitalized for \$12,000 and is incorporated by Seford G. Carlson and Stephen A. D. Heninger.

Chairman H. C. Lindsay of the republican state central committee has been figuring lately on the delegate representation for the next state convention. The vote cast for Frank Nesbit for presidential elector will undoubtedly be taken as the basis, but it is the ratio that is puzzling Mr. Lindsay and his associates. If the customary ratio of one delegate for each 100 votes cast and one delegate at large from each county is followed the convention will be a monstrous affair, 1,300 being the exact

SOFT, GLOSSY HAIR.

It Can Only Be Had Where There is No Dandruff.

Any man or woman who wants soft, glossy hair must be free of dandruff, which causes falling hair. Since it has become known that dandruff is a germ disease the old hair preparations, that were mostly scalp irritarts, have been abandoned and the public, barbers and doctors included, have taken to using Newbro's Herpicide, the only hair preparation that kills the dandruft germ. E. Dodd, Dickinson, N. D. says: "Herpicide not only cleanses the scalp from dandruff and prevents the hair falling out, but promotes a new growth. Herpicide keeps my hair very glossy."
