ner of Farnam, mayor advised that an addition be built to completed. house, that additional equipment and horses may be accommodated.

The dangerous condition of the paving on North Sixteenth street was brought to the attention of the board and Mayor Moores stated that he will urge the council to take steps at once to put the street in safe condition. City Engineer Rosewater said that he would have filled the holes in the street with crushed stone or gravel seems to be no immediate prospect of had the council not ignored an estimate he made on the cost of repairing the street in a temporary manner.

MUNICIPAL LEAGUE OFFICERS

Committee of Reform Organization Meets to Decide Upon Formal Recommendations.

There was a closed meeting yesterday noon of the committee appointed Monday evening by the Municipal league to select officers for the league, to be presented for the approval of the league at a meeting July 2. Chairman Mahoney has added C. H. Pickens and Ward M. Burgess to the committee. A number of names were dis-cussed for the offices, but no selections were made and the committee will meet again Friday.

> GOOD BREAKFASTS. Start the Day Right.

The breakfast is perhaps the most important meal of the day. Europeans usually eat a very light breakfast. Many Americans | will be held at Krigbaum's, Thirty-ninth have stomach trouble because they eat too and Q streets, on Friday evening of this much or food of not the right sort for the week. It is stated that an exceptionally morning meal. An ideal breakfast is a fine literary and musical program has been prepared and various games have been arranged for. Light refreshments will be Grape-Nuts Food with a little cream, and a served and a pleasant evening is promised cup of Postum Food Coffee.

Leave off all meat, hot biscuits, etc. Grape-Nuts and Postum both furnish the phosphate of potash together with other food elements that go to make up brain turned from a western trip. and nerve centers as well as muscle and tissue, and both can be digested by the stomach of an infant stomach of an infant.

It is the part of wisdom nowadays to use food especially selected for nourish-ment and that can be easily digested. Ten days trial of this breakfast and you will feel as though you had "cleaned house." The exhilaration of bounding health is worth a hundred times the small outlay of time and care in arranging such a break-fast.

Mrs. Riley, 125 Chestnut St., Camden, N. J., says she formerly breakfasted on chops, hot biscults and coffee. "After such a meal I would have severe pains and they would last sometimes far into the night." She finally determined on a change in her diet and had for breakfast only Grape-Nuts Food and a little cream with Postum Food Coffee. She says, "In a very few days the intestinal trouble all disappeared. I have regained my old-time weight, lost the irritability and nervousness, and life takes on a new aspect.

day I simply drop everything and stir a spoonful of Grape-Nuts in a little cream or hot milk, and in ten minutes I have re gained my vigor and freshness."

Grape-Nuts Food is best when served just as it comes from the package without any cooking whatever. The food has already been cooked ten or twelve hours in the process of manufacturing it. When the of Chamberlain's Colle, Cholera and made up into puddings, pies and other des- Diarrhoea Remedy, which I used according the process of manufacturing it. When serts it does not hurt it to be cooked again. but when served simply as a breakfast food it should never be cooked. On the contrary Postum Coffee absolutely must be bolled 15 or 20 minutes before the food value and flavor can be brought out.

A Travel Point Pan-American Exposition

THE Pan-American, to be held at Buffalo, N. Y., May 1 to Nov. 1, will be one of the greatest and most beautiful expositions the world has known. To enjoy its beauties will be worth any effort. The question of traveling to and from Buffalo is one to be carefully considered. You will desire to travel by the route affording the most comfort

and interest. The return trip, too, must be considered, as after you have done the Exposition, Buffalo, Nisgara Falls and vicinity, you'll be tired and wish to reach home quickly.

The Lake Shore

and Michigan Southern Railway

as the leading line to Buffalo by reason of the frequency of its trains and the certainty and punctuality of their movement will best meet this requirement. It is the only double track line, and the completeness of its service- eight through trains daily among them the only daylight train, places it at the forefront among Eastern roads. The country traversed is the fairest and richest of the Middle States -the most interesting on the way to Buffalo.

All sickate over this route afford use of steamers either way between Cloreland and Bufale, also stop at Chautauqua on return trip within limit of ticket. Our "Been of Fraine" contains full information. Sent free on request. Look it through carefully. F. M. BYRON, G. W. A., Chicage.
