CHICAGO LIVE STOCK MARKET. Steers Steady to Slow - Hogs Close

bid lower on nearly everything. Sellers were holding for steady prices, so that it was late before much of anything was done. Some of the better grades so.d at a reasonably early hour at just about yesterday's prices, but all others were very slow and in must cases a little lower. Packers did not seem to care much whether they got the cattle or not, so that it was rather late before the bulk of the offerings were out of first hands.

Cow stuff also sold lower today unless in the case of some of the choicer grades of heavyweight cows and helfers. They were not far from steady, but the light stuff and commoner kinds, and particularly the grassers, could be quoted very slow and 5gible lower.

Choice bulls were about steady, but others were lower. The same was true of veal calves and stags.

The light receipts of feeders continued today, and in fact there were not enough offered to make a test of the market. The few that changed hands did so on a basis of just about steady prices. Representative sales:

Apprehends, as Does Sir Robert Hart, that Twenty Million Boxers Are Yet a Possibility in China.

PEKIN, June 27.-The foreign ministers at today's meeting discussed only minor points of the indemnity question. The British minlater, Sir Ernest Satow. refuses to agree to a 10 per cent increase

in the tariff in the event that China finds itself unable to meet its payments. The Russian minister, M. de Giers, has not yet agreed that the interest on the indemnity is to be 4 per cent.

The United States special representative, Mr. Rockhill, thinks there should be little further delay.

When these points are settled the work of the ministers will be practically settled. Rev. Arthur Smith, missionary and author, preaching at Tien Tsin on the anniversary of the relief of that city (June 24), said be thoroughly agreed with Sir Robert Hart in the statement that unless there was a complete regeneration of China in a few years, the country would be menaced by 20,000,000 Boxers. The Chinese would never forget that the Boxer movement was fully approved by the court.

If warm weather makes you feel weary you may be sure your system needs cleansing. Use Prickly Ash Bitters before the hot weather arrives; it will put the stomsch. liver and bowls in order and help you through the heated term.
