MORE HANDS TO SORT MAIL Retrenchments in Postal Service Are

No Longer So Im-

The officials of the railway mail service are looking hopefully toward July 1, when the new appropriation becomes available. It has been necessary to retrench severely during the last half of the fiscal year, and additions will probably be made commen-surate with the needs of the service. Eight mail clerks who are now unemployed anticipate going back to their runs on the

first of the month. The common rumors of additional mail cars are repeated now with more definite authority. It is contemplated putting two more through cars on the Burlington, giving this line three westbound fast mail trains and two eastbounds. Nos. 6 and 13, both fast trains, are expected to benefit by the improvement. At present these trains have no working mail cars east of the Missouri river, although they carry through mail. A working car is to be put on each of these trains, that on No. 13 to run from Chicago to Billings and that on No. 6 from Denver to Chicago. The additional service contemplated will be of especial benefit to people of lown who have long clamored for a fast daylight

will make necessary several additional postal clerks between Chicago and Omaha. It is expected that these positions will be given to men old in the service, the less desirable runs going to novices. Lake Manawa Expects to Match Ita

service between towns in the state along

the line of the Burlington. The change

As the result of a visit paid to Omaha and Council Bluffs by President W. T. Van Brunt of the St. Joseph Street Railway cempany a series of races are partly arranged for between the fleets of Lake Manawa and Lake Controry, the latter sheet of water standing near St. Joseph. It is proposed to bring Lake Contrary's prize yacht to compete against the fleet at Manawa and later to reverse the process, Manawa sending a representative to the Missouri town. The challenge of Mr. Van Brunt is now being considered by the Lake Manawa club, which will act upon it within a few days.

Kelly relates an experience similar to that which has happened in almost every neighborhood in the United States and has been told and re-told by thousands of others. He says: "Last summer I had an attack of dysentry and purchased a bottle of Chamberlain's Colle, Cholera and Districts Benedy which is the control of the college o Diarrhoea Remedy, which I used according to directions and with entirely satisfactory results. The trouble was controlled much quicker than former attacks when I used other remedies." Mr. Kelly is a well known citizen of Henderson, N. C. For sale by
