box and that they are each privileged to bring as their guests five friends.

Manager Bear's company is offering first-class amusement and an evening at Boyd's will be a pleasant side issue to this campaign.

And it may be that Sam Bear will get still more deeply interested and throw in a lot of votes for somebody.

What is the play? Well, don't worry about that. Sam Bear knows his business and it's Kimberly diamonds to Purple people that he'll offer a first-class attraction Monday night.

The three winners of the theater box party will be announced in The Bee Monday afternoon.

As soon as the winners read the Monday afternoon Bee they may get the Monday theater clothes and each one may invite five friends to sit with her at the play.

Now the proposition is clear—each of the three highest candidates in the Omaha list is to occupy a box, surrounded by five friends of her own choosing—eighteen people in the aggregate, and all because of Manager Bear's admiration for the independent American girl who works for a living.

STRIVING TO BREAK RECORD Christian Endeavor Convention Promises to Eclipse Its Predecessors.

FOUR BIG HALLS ARE TO BE UTILIZED First Day Clears Up Preliminary Business and Makes a Good Start on the Work of the Convention.

CINCINNATI, July 6.—The twentieth annual meeting of the Christian Endeavor society began five days' session in this city today.

The registration of delegates and visitors is unusually large and the indications are that the attendance will be the largest in the history of these great gatherings.

In addition to the receptions and rallies at different state headquarters the business session of the United Society of Christian Endeavor was held during the forenoon, at which the annual reports of the officers and business agents were submitted.

The annual meeting of the trustees will be held this afternoon. The grand openings, with the welcoming address and the address of President Clark and the annual report of Secretary Baer, will take place simultaneously in the Auditorium tonight.

Three large auditoriums and a large hall have been arranged on the old exposition grounds adjoining Washington park, on Elm street.

A large orchestra, which has been constituted in Washington park for overflow open air meetings, music hall has been designated as "Auditorium Endeavor."

Power hall is called "Auditorium Williston" and Horticulture hall is known as "Auditorium Ohio."

Four of the auditoriums will be used at simultaneously tonight. Dr. T. S. Hamlin of Washington, D. C., presides in one, with W. F. Jacobs of Brooklyn as musical director.

Bishop Samuel Fallows of Chicago presides in the other, with Percy S. Foster of Washington, D. C., as musical director. Eminent soloists will assist the chorus of 1,200 voices in each of these auditoriums tonight.

In addition to the welcome addresses by members of the local committee, the city and state governments and others, there will be responses by L. H. Keller of Milwaukee, Rev. A. Miyaki of Osaka, Japan; Rev. T. C. Cleveland, Atlanta; Rev. George A. Hubbard of China; Rev. Neal A. McAuley, Wilton Junction, Ia.; Rev. Alfred Gaudier, Toronto; Rev. W. J. Darby, Evansville, Ind.; and Rev. William Marsh, Adelaide, Australia.

Sunday's Program. Tomorrow the daily quiet-hour meetings will be held from 8 to 9 a. m. in the churches and the visiting delegates will supply over 200 pulpits morning and evening in the city and vicinity.

On Sunday afternoon the great auditoriums will be used for meetings simultaneously for children, men and women from 2 to 3 p. m. and other meetings will be held from 4 to 5 p. m. in the interest of Sabbath observance, temperance and missions.

Very elaborate programs have been prepared for the different auditoriums and churches simultaneously for Monday, Tuesday and Wednesday from 8 a. m. until 10 p. m. and the list of speakers includes the most eminent ministers and lecturers in the country on their special topics.

The session of the business meeting was conducted today under a pall, owing to the death of one of their trustees and the serious illness of another.

The meeting was opened by President Francis E. Clark and special devotional prayers for the late Rev. Dr. Malthe Babcock, who committed suicide in Italy, and for Rev. J. Willbur Chapman, who is seriously ill in Indiana, were led by Rev. Floyd W. Tompkins of Philadelphia and W. H. McMillan of Pittsburg. A resolution of condolence was ordered sent to the relatives of the late Dr. Babcock and a message of good will and sympathy was telegraphed to Dr. Chapman.

The report of Treasurer William Shaw was then submitted. It shows the total receipts for the year ending June 1 to be \$11,020, expenses \$10,064, leaving a balance on hand of \$956.

The following were then elected as general trustees: Bishop B. W. Arnett, Wilberforce, O.; Rev. W. J. Darby, Evansville, Ind.; Bishop Samuel Fallows, Chicago; Rev. Rufus W. Miller, Reading, Pa.; Rev. H. McMillan, Pittsburg, Pa.; Rev. P. S. Henson, Chicago; Bishop A. Walters, Jersey City; Rev. J. H. Garrison, St. Louis; Prof. James L. Howe, Lexington, Va.; Rev. H. P. Shupe, Dayton, O.; Rev. J. M. Lowden, Providence; Rev. Canon J. B. Richardson, London, Ont.; Rev. Cleland R. McAfee, Chicago; and Hon. S. B. Capen, Boston.

Treasurer Shaw tendered his resignation as trustee and Hon. S. B. Capen of Boston was selected to succeed him. Rev. Cleland R. McAfee was elected to succeed the late Dr. Babcock.

The following officers were then re-elected by the convention: Francis E. Clark, Boston, president; William Shaw, Boston, treasurer; John W. Baer, Boston, general secretary; and F. H. Kildor, Boston, auditor. A new position, field secretary, was created and Rev. Clarence E. Eberman of Lancaster, Pa., was elected.

UNION LEADERS NOT WORRIED Do Not Believe Consolidation of Companies Will Injure Them in the Least.

PITTSBURG, July 6.—The special train carrying the employes and former officers of the National Steel and American Steel Hoop companies reached Pittsburg from New York about 7 o'clock this morning.

The two concerns, which have been merged into the Carnegie company, will take up their headquarters in the Carnegie building on Monday. The trip from New York was made without incident.

Considerable interest is manifested in manufacturing and labor circles as to the bearing the absorption of the American Steel Hoop company by the Carnegie company will have on the strike recently ordered by the Amalgamated association.

President Charles M. Schwab of the United States Steel corporation and still a leading spirit in the affairs of the Carnegie Steel company, of which he formerly was president, is understood to be opposed to organized labor. The absorption by the Carnegie Steel corporation of the American Steel Hoop company thus brings the latter into much more intimate contact than when it was one of the individual constituents of the great steel combine, in which it now lost its identity.

President T. J. Shaffer of the Amalgamated association thinks, however, that the change will not prove inimical to his association. Said he: "No, I do not think the Amalgamated people have anything to fear. I think so far as the employment of labor is concerned will go on in the old way. I observe in looking over these official changes that while there are new presidents, vice presidents, secretaries, treasurers, auditors and business agents, traffic managers and the like for the two companies merged with the Carnegie Steel company, there have been no changes in the operating departments. It is with the operating departments, the managers, that the Amalgamated people have anything to fear."

and treasurers do not bother with labor disputes. There might also be changes in the operating departments of these companies, but I do not think that would alter

the attitude of the companies on the labor question." President Shaffer, when seen this morning at the headquarters of the steel workers, said there was nothing new to be given out. Asked as to the meeting of the advisory board, he said: "This is the regular auditing time and if I find anything of sufficient importance I will call the board together to consider it, but that is all."
