JAPAN WITHDRAWS DEMAND

Oriental Government Drops Request So Negotiations May Proceed. Report New Chwang to Be Russian Port. Powers Wish Ministers at Peking to Settle Disposition of Manchuria.

WASHINGTON, July 17.—In a spirit which has aroused the keenest admiration of the state department, the Japanese government has met the difficulty growing out of the preference of her request for an increase of her indemnity by withdrawing that request. The result is a substantial loss to Japan. She asked originally for \$200,000,000. This figure was more moderate than any of the powers which played any prominent part in the Chinese campaign and represented the barest expense of the undertaking. It was fixed upon the idea that payment was to be made in cash by China.
