**GRAHAM TOO TOUCH A GRIST** Millers Jar Their Works Trying to Grind Him to Dust. MINNEAPOLIS CAN'T FILL THE SACKS Omaha Does a Little Pulverizing on Its Own Account and Loads Up the Bags for a Hearty Men1.

MINNEAPOLIS, July 19 .- (Special Telegram.)-The Omaha base ball team played all around the Millers today, winning the first game of the series handily. The locals figured in only one inning. In starting off they batted Graham fiercely and for a time it looked as if the Omaha pitcher would be sent to the stables. Two doubles and a single were hit out in rapid succession and the Millers counted. But the next three men went out in a row, Graham having aettled down for good. From then on the Beailites could connect but three times and these hits were so scattered that no damage followed. Gonding's double and a clean single by Fleming resulted in an earned run in the third for the visitors and in the fourth Stewart's base drive and a pair of errors hatched another tally, tieing the score. More bad plays gave Omaha a tally in the sixth and in singles and a double, carning four clean Stewart's men put up faultless ball, the Stewart's men put up faultless ball, the play of Genins, Gonding and Stewart be-ing features. The stick work of Genins, Fleming, Stewart and Gonding was also telling. Hunt, a minor league catcher Hunt, a minor league catcher, played his first game with the Millers and made a good impression. The fielding and

base running of the locals was ragged. Score:

Women Play Ball. Women Play Ball. FORT DODGE, Ia., July 19.-(Special.)-Base ball enthusiasm has taken a novel and interesting form at Kalo. The women have taken possession of the Kalo diamond and games between feminine teams are now in progress. A team has been organ-ized among the married women of the town and also among the unmarried women. These two teams have already met on the diamond and more games are in prospect. The new departure is awaken-ing the liveliest interest and large crowds. largely men, are attending. The women go after the game in the most approved style. They have star pitchers, whose curves are univaled, and the fielding is spectacular. The players rag the umpire and do every part of the game in good form. Some out-of-town games are being arranged.
