Ten Hits in One Inning.

FOR

MINNEAPOLIS, July 20 .- (Special Telegram.)-"Dad" Clarke, veteran and hero of many battles, administered a clean dose of whitewash to Omaha this afternoon, letting down the Rourke family with six scattered hits. In spite of the unbearable heat both sides put up excellent ball, although the players suffered greatly.

Artie Herman started the exercises on the slab for Omaha, but lasted just one and a half innings and Payne, who was out in center, was called in to finish the game. Three hits drove Artie to the woods. For six and one-half innings Payne pushed them over the plate in superb style, not one hit having been secured off him during that time. But in the eighth he evidently succumbed to the heat, completely going to pieces. He was touched up for ten hits, which netted the Millers nine runs.

Several times the Rourkeites managed to reach second and third bases, but attempts at further progress were futile. "Dad" was too much for them, being particularly effective at critical stages. The fielding of Toman and Beiden and the batting of Congalton were features. Two games will be played tomorrow. Score: MINNEAPOLIS.

PINK COAT'S FANCY FINISH

It Gives Him a Spare Half Length in the Wheeler Handicap.

TERMINUS THIRD AND WADDELL FOURTH

Recent Derby Winner Fails to Fit in Near the Front-Time Fraction Faster Than Ever Before.

CHICAGO, July 20 .- With mighty strides the giant Pink Coat took the lead in the last furiong post in today's Wheeler handlcap and, holding his advantage to the end, finished a bandy winner by half a length from the heavily-weighted Advance Guard. The Conquerer II was a close third, being only a neck behind the second horse.

The feature of the final day's sport at Washington park quite came up to expectations and furnished the perspiring crowd of 15,000 spectators with good sport. Fourteen horses carded to start, but three were scratched-Sidney Lucas, Favonius and Martimus. George Arnold, carrying 111 pounds, was added, so that a field of twelve went to the post,

Five to one was offered against any horse in the race at almost all times in the betting. John Bright finally settled down as the slight favorite.

They were at the post but a few minutes and then broke away to a good start. The Lady was taken to the front, closely followed by Robert Waddell, these two being near the inside rail. George Arnold rushed across from the extreme outside position and took third place. Pink Coat and John Bright were the last to leave the post, but Terminus was at once pulled back to last place by little Gormley.

The Lady was out in front to stay as long as she could and Dominick evidently was determined not to lose his advantageous position next to her. Accordingly the pace was fast almost from the outset. The pair in front at the start kept in the lead, closely attended by George Arnold, The Unknown and Vesuvian, with the entire field well bunched behind. As the field turned down the back stretch Woods cut loose with Advance Guard and the great chestnut moved up from the rear with a grand burst of speed. He was comparatively close to the rail, but he managed to get through and pass the trailers and was close to the leaders when the far turn was reached. As the field swung around the far turn and the jockeys began working for an advantageous position in the stretch, The Lady was still leading, with Robert Waddell second. In a close bunch behind was George Arnold, who was steadily losing ground; Vesuvian, who was about holding his own; Pink Coat, who was running with great, powerful strides, and The Conquerer, on whom Knight was just beginning to make his run. The last named horse was close to the rall and as the field turned into the stretch Knight shot him to the front and he was in the lead by the losing ground; Vesuvian, who was about time the field was well straightened out for home. beaten and Dominick was working on Robert Waddell, who was game, but tired.

Behind The Conqueror II the horses finished as follows: Terminus, on whom Gormiey waited too long to make his run, a length in front of Robert Waddell; he a length before Star Chamber and Vesuvian, who finished head and head; then a gap of three lengths before the trailers. The Lady, WEDNESDAY.

attendance only two of the four races were pulled off. The two pacing races down ting race was declared off.

In the pacing race three half-mile heats were necessary to decide the contest, two of them being taken by Tom Dennison's Black Blondine. In the first the latter got a had start, breaking at the word and losing hopelessly on the first turn. Before the quarter pole was reached Buck Keith's Lizzie B. broke her harness and dropped out of the race. Cosgrove's Weasel led from the start, with Thompson's Black Hawk, second, in which order they finished, Black Hawk landing about three lengths behind Weasel and Black Blondine being even farther behind the

the lead from the wire and kept it. Black Hawk broke on the first turn and fell far behind. Weasel pressed the leader to the quarter, where she broke slightly, but picked up on the homestretch, until she again broke and let Lizzie B, pass her and win second place by a neck, a length or more behind Blondine.

In the third Blondine readily took the lead and held it and Wessel pressed close clear around to the stretch. Lizzie B. went off her feet on the first turn, but on the last quarter came up like a cyclone As they flew down the homestretch they made a pretty finish, until Weasel broke just before the wire was reached, and Lizzie again shot past her, winning second place by a neck and trailing about a length
