CLEVELAND HARNESS RACES

Grand Circuit Meeting Opens with Good Weather and Crowd.

CLEVELAND, July 22.—Ideal racing weather, a large crowd and a track as smooth as the top of a billiard table characterized the opening day of the Grand Circuit meeting at the Cleveland Driving park.

Heretofore it has been the policy of the Cleveland Driving park company to charge no admission on the open days of the Grand Circuit race but the full admission price was charged today and about 5,000 persons were in attendance.

The two heats of the first race for 2:30 for the three and one-half mile race were won by the same pair. Sister Alice succeeded in sticking her nose under the wire in straight heat.

Ed Geer's shadow was cast on the track in the third race and most exciting race of the meeting. No one was a hot favorite in the second race, but Martha Marshall was too fleet for the Helm entry and won in straight heat.

SECOND GO FOR CANADA CUP

Cadillac of Detroit Wins It from Other Western Yachts, Including Disabled Milwaukee.

CHICAGO, July 22.—The second trial race for the Canada cup was sailed this afternoon in a northeast wind averaging twenty miles an hour and was won by

Cadillac of Detroit, with Detroit of Detroit second, Illinois third, Minota fourth and Prairie fifth. The last three boats are from Chicago.

Milwaukee, which won the first race, lost its title twenty miles from Chicago and was compelled to drop out. Yachts from Chicago and Detroit of Milwaukee turned back and did not go over the course.

The course today was nine miles to windward and return. The yachts scattered so widely soon after starting, by reason of a number standing off to port in search of smooth water, while others kept straight on, that it was impossible to give their relative positions in the race. Cadillac was the first to round the outer buoy, making the lead in the race. Cadillac was second in 1:48:10 and Detroit third in 1:50:20.

Straightening out for home the run was practically without incident save that Detroit's lead was passed by Cadillac, gaining about two minutes in the run before the wind.

RUNNERS' RIDERS ARE HURT

Accidents Seen Principal Feature of First Day at the Opened Hawthorne Track.

CHICAGO, July 22.—The Hawthorne track was reopened today for a two-week meeting. The feature was the number of accidents which were reported. The riders of the Don't You Dare team and the Cedars tumbled over her. Murray, on the former, was thrown from the horse and broken ribs followed. Filion, on the latter, fell at the first jump and Mago, the second, tumbled at the last jump. Filion, on the latter, had his leg slightly hurt.

Lloyd, on Mago, was at first thought to be seriously hurt, but came through all right. There was a big crowd and the track was full. Contrary to the reports, the race was hardly from Louisville, but the handle of Mago on a hard battle. Robert Wood II got the start, but lost it to Filion of Mought by only a nose. Evey favored, with the exception of Filion D.O.T., won.

Blackman and Wire Arrested. Jim Tucker, hack driver, and his wife Mabel, were arrested early this morning by Sheriff Murray at the Hawthorne track. They were charged with the murder of Jim Tucker, who was shot and killed on the track.
