Western Jockey Club Stewards Give

Kinlock Park Preference

Over Worth Track.

Over Worth Track. CHICAGO, Aug. 6.-The Western Jockey club, after mearly an all-night session. recognized the request from Kinloch park. St. Louis, granting dates from August 17 to September 14, and refused the request made by Wagner Bros. for eighteen days' racing at Worth prior to November 1. It is said the meeting of the stewards was the hottest since the organization be-bame a factor in western turf affairs, and the Worth dates may result in a local war, as Hawthorne and Harlam have been 10-r-ally dealt with, apparently at the expense of Worth. The officials confirmed by the Jockey club stewards were Judges Joseph A. Murphy and E. C. Hopper, Statters U. J. Holtman and Richard Dwyer, Clerk of the Course John B. Dillon, Stewards James H. Recs, Wilson P. Hunt, Charles McClarren. Cap-tain Rees will divide his time between St. Louis and Chicago. Holtman and Dwyer are engaged at Windsor until August 21, but an effort will be made to secure their release. In case they cannot get away from Windsor, one of the judges will do the starting until they arrive. The ring will be open to all bookmakers. The granting of dates to Kinloch will probably precipi-tate a bitter race track war at St. Louis. Trainers-R. H. Biags, George R. Belt-nap, George Buell. W. E. Hardin, Joseph James, A. C. Jones, W.
