Young Omaha Speculator Goes Broke in the Flour Market.

SQUEEZED HARD BY MILLERS' COMBINE

Reifes on Rourke Pamily for Help, but They See He's in a Hole and Shove Him Deeper.

MINNEAPOLIS, Aug. 16 .- (Special Telegram.)-Young Mr. Gordon was walloped unmercifully by the Millers in the first game of the series this afternoon. The Rourke twirier was clearly out of form and the locals were quick to discover the fact. For two innings the little fellow pitched superb ball, but in the third round the men behind him completely went to pieces, four errors being made in the inning and Gordon himself committing one of these. Gordon worked hard in the next, but after be had retired the first two men McConnell opened up on his slants and the next two men followed suit. In the fifth the Omaha crack was given more trouble, being Omana crack was given more and a triple, parrett, cf., Three of these hits were scratches, bunted toward Gordon and too slow to handle. In the ninth he was again lambasted four singles and a triple. With the exceptions of Genins and Buckley the visitors failed to connect with Wadsworth's Lenders with any effect. The fielding of Toman and Robe were features. Figgemeler's work with the indicator was not criticised. Umpire Roach has been released by President Hickey, Attendance, 900. Score: MINNEAPOLIS.

## CLOSE RESULTS AT BRIGHTON

Ideal Weather Prevails and the Racing is of a High Orler.

DAUGHTER OF LYNNE BEL A WINNER

Corrie Bel Gets the Finishing Heat After a Hard Struggle Among the Three-Year-Olds-

NEW YORK, Aug. 16 .- Ideal weather prevailed at Brighton Beach today and, although the crowd was small in comparison with that of yesterday, still there was a fair attendance and the racing was of a high order. The best race of the won, afternoon was that of 3-year-olds and it proved the best contested and fastest of its class this season. In the first heat at the finish the leaders were only heads apart and in the second heat the clip was such a fast one that three fell by the wayincluding the winner of the first. Each of the other heats was equally interesting and in the fourth the finish was so close that the judges hesitated for a long time before deciding it in favor of Carrie Bel. The daughter of Lynne Bel got the finishing heat, but only after a hard struggle with Rowell.

The great betting race was the 2:08 pace and in the early pools Dan Patch brought \$1,300 to the same amount on the rest of the field and one of \$900 on the same terms was recorded. There were seven starters and it was very evident that Dan Patch was not driven to win in the first heat, as he finished well back in fourth position. It was quite different in the second, for he was sent from the start and negotiated the first quarter in 3014. made the half in 1:01 and finished his mile in 2:041/2, after which the race was postponed. SARATOGA, N. Y., Aug. 16.—The card today was a very ordinary one. In only one race was the field of good size. This was the fourth race for 2-year-olds, which was won by Geraldyn, who was backed from 30 to 1 down to 10 to 1 and won in a drive from Chickadee. Lady Sterling at 20 to 1 won the first race of the day from the well played Whisky King. There was some irregular riding during the running of the race, for which Beauchamp and Burns were held responsible. Alsike was an even money favorite for the mile and a furlong race. He was beaten by both Nitrate, who won, and The Amazon.

The Berverwyck steeplechase had but three starters. Zanzibar, who was the even money favorite, and The Bachelor, raced in close company for two miles, when the latter went to the front and won, eased up, by two lengths. Trillion was beaten off.

OWNER OF CRESCEUS TALKS Will Try for New Record This Season, Then Retire from

Turf.

Cresceus, said:

"Cresceus did just what I expected him to. He is the greatest horse in the world, and he has not yet reached his limit. This is his last season on the turf and I will retire with a record as close to two minutes as possible. I tried to distance The Abbott and consider the feat a feather in Cresceus' cap. By doing so, however, I got only \$7,000, the regular first money, and The Abbott's owner receives \$5,000."

Asked why he drove to distance The Abbott, Mr. Ketcham said: "That's horse racing. I brought Cresceus here to beat The Abbott and I wanted to finish up the job as quickly and effectually as possible. To have taken my horse back and allowed get inside the flag would have savored of hippodrome racing. As it was everybody on the grounds went away knowing he had seen a genuine horse race. Many were somewhat disappointed, perhaps, that it ended so suddenly and unexpected.y, but this was much better than a longer race, in which there was a truce.
