Mrs. FRANK CARTER, 8 Merrill St., Amesbury, Mass.

This letter should carry Faith and Confidence in the hearts of all Sick Women. I suffered with inflammation and falling of the womb and other disagreeable female weaknesses. I had had spells every two weeks that would last from eight to ten days and would have to go to bed. I also had headache and backache most of the time and such bearing down pains it could hardly walk across the room at times.

These a friend advised me to try the Pinkham medicine, which I did, and after using the first bottle I began to improve. I took in all five bottles of Lydia E. Pinkham's Blood Purifier, four boxes of Lydia E. Pinkham's Dry Form Compound, three boxes of Liver Pills and used three packages of Sensitive Wash, and I am as well now as I ever was. I am more than thankful every day for my cure.—Mrs. FRANK CARTER, 8 Merrill St., Amesbury, Mass.

\$5000 will be paid if this testimony is published in Lydia E. Pinkham Medicine Co.
