After and they have apparently been the best of inspecting Shamrock the party was taken on i friends.

board Erin, and shown over that vessel. Shortly after noon there were indications of a breeze coming in from seaward, so Shamrock's mooring was gotten ready to slip. Soon after 1 o'clock a cool, fresh breeze came from the southeast and then a steam launch shot out from alongside Erin. In it were Sir Thomas Lipton, Mr. Jameson, Mr. Watson and Commodore Hillyard. The party had hardly stepped on deck when the yacht's mooring was slipped. Staysall, which is branded as infamous by internajil and small jib topsail were broken out and as its sails filled and it gathered headway in the freshening breeze, it made a spirited picture. As soon as the point of deep regret of the emperor of China. I Sandy Hook was cleared sheets were trimmed down flat on the port tack and the yacht slipped through the water at a lively clip. It passed through Gedney's channel minutes. The tide was fair, but there was

off the yacht's speed. Sailmaker Rats went on board Ericson to obtain a good view of Shamrock's sails, but sion alone. They will be jufged by their future conduct in accordance with the laws the yacht had sailed so fast on the way out that it was obliged to heave to and wait At 2:53, when the steam yacht arrived, Captain Sycamore put Shamrock on the starboard tack for seven minutes and then let it come around and stood along the Jersey coast for ten past year will be overcome and between minutes, when it swung around from full to full in twelve seconds. The yacht was lying remarkably close to the wind.

not enough of it to cut more than a knot

Something of a Surprise.

Ten minutes later the main sheet was manned and rounded in smartly, and then the great main boom swung across the deck as Captain Sycamore put the helm up and gybed it. It was thought that the spinnaker would be set again, but instead the bowsprit men were sent out to take in the small jib topsail. The sail was down and stowed and another one put on the bowsprit in two minutes. In two minutes more tomorrow afternoon. She was 50 years of the new sail was soon on his stay, hoisted age. The family has lived here twenty-nine in place and broken out. There were ex- years. She leaves a husband and several clamations of surprise and admiration from grown children. One of her married daughall who saw it, for it was a big reaching ters is ill with the same disease. Her retib topsail of white linen, its cloths running up and down from a center line divid-

ing the sall from clew to luft. As soon as this new sail filled the vacht seemed to jump away with renewed speed, for the light mantle caught every breath of wind going and pulled like forty horses. Traveling at a fourteen-knot clip, and leaving all steamers but Erin in the wake, Shamrock entered Gedney's channel at 4:03. It stood well over toward the southwest spit, then made a tack into the bay, where the club topsall was taken in and at 5:30.

Impaired Digestion

after being towed to its mooring by Law-

rence, it was made fast for the night.

May not be all that is meant by dyspepsia now, but it will be if neglected.

The uneasiness after eating, fits of nervous headache, sourness of the stomach, and disagreeable belching may not be very bad now, but they will be if the stomach is suffered to grow weaker. Dyspepsia is such a miserable disease that the tendency to it should be given early attention. This is completely over-come by

Arr ves in Buffa o for His Day at the I xpesition.

MRS. M'KINLEY COMES, TOO, LOOKING WELL

Their Arrival Appounced with the Usual Blowing of Whistles and Enthusiastic Cheering -Program of the Visit.

BUFFALO, N. Y., Sept. 4.-President Mc-Kinley, in whose honor Thursday, September 5, has been set aside on the Pan-American exposition calendar, entered Buffalo through the portals of the Rainbow City. Part of the party left the train at the Central station, but the president and Mrs. Mc-Kinley, the Misses Barber and Miss Sarah members of the reception committee were the booming of guns greeted the president's he is out of the city. train as it passed along the lake and river fronts over the belt line tracks to the ASKS FORSYTH TO EXPLAIN grounds.

As the train passed by the fort, a salute of twenty-one guns boomed forth from Fort Porter. An immense crowd had assembled at the railroad terminus at the exposition grounds to await the arrival of the presiso closely together that there was scarcely there was no sign of the president's train. At 6:30 the blowing of whistles in the factories north of the exposition grounds announced the approach of the train.

Mrs. McKinley Looking Well.

A few minutes later President McKinley, with Mrs. McKinley leaning on his arm, and surrounded by the reception committee, tion. emerged from the entrance to the terminal thousands who caught a glimpse of the party and it was taken up and re-echoed Agent Gives Out Statement for Colomby the others farther back, who, although they could not see the president, knew what the cheering meant. President McKinley. with Mrs. McKinley and John Milburn. president of the Exposition company, entered the first carriage, which was drawn by four handsome bays. It was with difficulty that the police kept a passageway clear for the carriages, which proceeded slowly toward the Lincoln parkway entrance. Cheer after cheer went up from the vast throng. The president acknowledged the salutations of the crowd by bowing and raising his hat. Mrs. McKinley, who looked remarkably well after the tiresome journey, also smiled happily.

The only witness was ex-Adjutant General J. A. Dixon, who was in conference with beauties of the grounds. They were then 23. driven rapidly out of the Lincoln parkway fused to talk. Posses with Their Hounds Are Recalled and Arrest of Leader and Crowd of Boys is Expected Hourly.

bloodhounds from the track.

from the express car to the engine. The Banks were closed in St. Louis Monday one man, the remainder being boys. The arrest of the leader is looked for hourly, ton Belt and Pacific Express company held The amount of booty, it is said, will reach a conference and decided to offer jointly a duced to the extent that nearly everyone nearly \$50,000. The Cotton Belt has offered a reward of \$1,800 for the robbers, and the express company 10 per cent of all money recovered. The posses have been recalled pay a bonus of 10 per cent on all sto en and search is now confined to Texarkana.

TEXARKANA, Ark., Sept. 4.-The six men who held up the Cotton Belt passenger train at Eylau, Tex., last night are still at large. The robbers evidently rode their horses up Aiken creek and left them standing in the stream. They then used a handcar and went five miles north, as the handcar was found near where the train was stopped.

After looting the mail and express cars the robbers returned to the creek, mounted their horses and again rode down the stream, thus obliterating their trails.

Thirty-Five Thousand the Total. The robbers secured one package of \$10, 000 and it is said the entire haul was about

The expressmen, railroad and govern ment officials are very reluctant about discussing the robbery.

At noon today the pursuing officers returned to Texarkana and reported that they could not obtain a single clew as to who the robbers were or which way they went, At 1 p. m. today a special train was dispatched to the scene of the holdun with Colonel O. K. Wheeler, chief of the Cotton Belt detectives; Sheriff Stanley Edwards, Attorney General E. C. Crow, filed a peti-United States Marshal John Grant and a large posse of deputies, who had with them a pack of bloodhounds.

At 4 o'clock another posse, headed by Constable James Rochelle, left for Eylau to try for a trail where the train was first stopped. Texas sheriffs are rushing here from every direction and are bringing many

Story of the Crime.

The revised history of the bold crime i sent from Fort Worth, as follows: Cotion Belt passenger No. 1, southbound, due to leave Texarkana at 9:25 last night, was delayed in its departure and did not get out until 11 o'clock. It reache! the Teras & Pacific crossing, four miles south of T x-

Engineer Henderson was left with the express and mail cars and the messenger and postal clerk. He made his way to a section | total is 11,790,000, against 10,975,000 a year house, within a mile or two of the scene. and procuring a handcar and some men to assist in propelling it, he started for the locomotive. It was slow work. At a point south of Rowan, within four miles of Red Water, they came upon the deserted engine standing on the main track, throttle closed, lights out and no one in sight. The engine was at the bottom of the grade and had either been deserted or had been left at a point further north and was allowed by its own weight to seek the level track. Engineer Henderson got aboard, backed to the mail and express cars and coupled up.

Time Enough for Good Start.

The train was not put together until early this morning. Some time after midnight Henderson succeeding in getting his engine and the two cars back to where the first stop was made by the robbers, and the train proceeded south to Mount Pleasant, made and the officials of the company ordered everything possible done to locate the robbers.

In the meantime Conductor Armstrong and several passengers had walked back to Prickly Ash Bitters is a wonderful system Texarkana and given the alarm. Without delay the sheriff organized a posse and started in pursuit and the conductor re-

The passengers were not molested. While Superintendent Russ of the Pacific Express company admits the robbers secured much The trick was turned by men more experienced in railroading than in robbery. They knew the stops of the train and were prepared for the emergency thus presented. It was not necessary for them to flag the LONDON, Sept. 4.-Abdul Krim, who engineer and when he stopped to whistle were armed, but did not make unnecessary

Favorable to Escape.

The country where the holdup occurred is densely wooded so that the robbers have had an opportunity to double on their tracks through the timber and hide the route they

are traveling.

The scene of the holdup is twenty miles from a telegraph station. The general apperintendent at Tyler, Tex., wired to St. Louis that the reward offered by the two companies had been posted and that every-

thing possible was being done to effect the capture of the roobers. A third posse has been sent to the scene with one bloodhound and efforts are being made to secure more dogs from New Boston and Douglasville, Tex. It is expected they will have a num-ber on the robbers' trail before night. The United States marshal and Special Officer Wheeler have arrived at the scene of the holdup.

Say Loss in Light.

General Superintendent Fuller of the Pacific Express company, whose safe on the Cotton Belt train was reported blown op n and rebbed, stated that he had received no particulars of the holdup. All he knew, be said, was that it had occurred. He did not believe the loss was heavy, for, he said, not very much money is ever carried on that TEXARKANA, Tex., Sept. 4.-Tonight train. He declined to state the amount the posses hunting for the Cotton Belt train shipped on that date. When asked what robbers returned here, having called the he thought the robbers carried off in the two sacks they were reported to have It has been discovered that the robbers taken from the express car, Superinten! secured one bag of gold, which required ent Fuller said they might have contained the combined efforts of two men to carry silver currency, possibly \$1,000 in each through safe was dynamited. 	Theologous in Almaham Vand C	

WASHINGTON, Sept. 4.—Acting Secre-tary Ryan has rendered a decision in the land contest case of George Harkrader and others against Anna Goldstein. The case involved a' conflict between the Bonanza lode claim and the townsite of the town of Juneau in Alaska. The townsite protested against the granting of the application of the division point. There a full report was a patent to the lode claim and the secretary sustains the protest.
