(From a Staff Correspondent.)

LINCOLN, Sept. 4.—(Special.)—Prohibitionists of Nebraska met in state convention at the Auditorium and nominated candidates for judge of the supreme court and regents of the University of Nebraska.

All nominations were made by acclamation and were as follows: For Judge of the Supreme Court—W. Bert Clark, Ashland.

Mr. Walker is president of the Woman's Christian Temperance Union of Nebraska. Mr. Dilworth is prominent in southeastern Nebraska as a temperance worker and for many years past as a leading spirit in the state prohibition organization.

The convention was called to order by Chairman S. B. Fitchie before the national committee. Chancellor Huntington invoked the blessing. In opening the meeting Chairman Fitchie made a stirring address, prophesying a victorious future for the party.

Estimated attendance at the state fair on Sept. 4, 20,000. Early this morning excursion trains began arriving and long before the middle of the forenoon the streets were loaded with passengers.

Three-mile intervals all day long. Railroad officials were taken by surprise and had to hustle out extra excursion trains to get the people into the city.

The board of managers today visited each exhibitor on the grounds. They found the exhibits well placed and feeling that they would be on hand to attend the fair next year.

The immense mob of people quickly kicked up a couple of inches of dust all over the fair grounds early in the forenoon. Clouds of dust began blowing from the south and the loose dirt arose in great clouds.

Street sprinklers were called upon to battle with the wind and in a few hours had the dust under control and the surface of the grounds well dampened.

Up to noon today the policemen at the fair grounds had met with no cases of lawlessness. Fifty youngsters who have been determined to avoid the prescribed fee and tried to worm through the opening of the fence have been apprehended.
