LOCAL BATTERS FATTEN THEIR AVERAGES

Evans Pitches Faithfully, but is Wenried with the Long Strain and is Treated Harshly by Omaha Timber Wielders.

Omaha had a walkaway in the two games with the "Cripples" yesterday, winning the first one 6 to 1 and shutting them out in the second game, 9 to 0.

Herman pitched the first game, holding the Springs down to six hits. Omaha hit the ball hard, getting nine safe ones. The second game was a farce. The Mid-dles won as they pleased. Several of the bunch fattened up their average a little. Calhoun did the heavy hitting, getting five clean drives in the two games. The Omahans had eighteen clean drives to their credit when the end of the suffering came. The westerners played worse than a lot of bootblacks in someone's back lot.

There will be two games with the same team today. The first game begins at 2:30.

HASTINGS, Neb., Sept. 14 .- (Special Telegram.)-The democrats and populists held their county conventions today in the courthouse. The democrats met in the supervisors' room and the populists in the courtroom. It was evident that the populist convention was nothing but a sideshow as compared with the democratic gathering. While the populists had the democrats outnumbered ten to one, yet the Hastings democrats outgeneraled their fusion friends and made them take the political medicine just as they prescribed it. The principal fight was on county judge. The democrats secured it and also surveyor and coroner. "Doc" has raced horses in Omaha since 1879, and his quintet will be certain to make a good showing today, as he has horses in every

The big hit of yesterday's card was the third race, a seven-eighths mile dash, in which Herne, a 3 to 2 shot, beat Robert Bonner, the favorite at 4 to 5, in a beaut finish. Herne is a little dark brown stallion who has done good work here before and is well liked, but the talent was sure that Bonner was the better horse, taking into consideration the distance and the running.

As usual, at the start Bonner was slow and was well to the rear. But on the second in favor of the locals. Three of the visi- lap at the eighth pole he came away up and people all said that he would exercise his usual tactics, passing the lead horse on the stretch. This time they reckoned wrong. Herne had led all the way, but set such a terrific pace that Bonner could not make a final spurt, and lost in the last hundred yards instead of gaining. Herne came in a winner by two lengths free of lash or rowels, while Bonner was under the whip behind. Emerald took second. After a dozen attempts to get Enchant away with the rest, he was left at the post. The time was 1:36.

The second race, four and a half furlongs brought out the big field, nine starters, with not a single scratch. Billy Derby, the favorite at 2 to 3, gratified the bookies by taking first money in 1:02½. Glards, a good betting proposition at 5 to 1, was second. while Backwood took third, being rated at 4 to 1. Meanwhile Deceit and Coral, second place choices at 2 to 1 and 3 to 1 re spectively, were not there for a place. Great excitement resulted from the first event, a half-mile dash for 2-year-olds, for See Key fell at the first turn, taking a long slide, with his jockey mixed in somewhere Neither horse nor rider was hurt. H. McFor est won the race in 0:58%, with Manona second and Gracie R third. Five youngsters

Eleven horses were entered for the fourth event, but Jim Hicks, Gold Bug and Billy Van were withdrawn. It was a hard bunch to start from the three-eighths pole, it being a five-eighths mile dash. Finally all were got away save Leostratus who stuck behind and was left. Virgil D, at 2 to 1. took first in 1:08, with Queen Ell and Joe Foster, even choices at 3 to 2, second and third. It was the prettiest bunched race of the day, horses lying neck and neck for half

A three-eighths mile dash for maider starters was the extra event. Seven horses entered, but Joe Foster dropped out. It was terrific race, Jim Hicks starting in the lead and keeping it for a quarter. Then, Lowever, both Bay Prince and Baby Sweetheart proved superior in the heavy running and they snatched first and second from Jimmy, it taking only thirty-nine seconds

Master Specialist

I do not treat all diseases, but cure all I treat. I treat men only, and cure them to stay cured.

In almost every vocation specialty work is now called for and demanded. This is actably true when life or death is involved. It is then that the best treatment the medical profession affords is sought after, and this can come only from the true specialist, whose deep knowledge, expert skill, cast experience and thorough scientific equipments have given him complete mastery over the diseases that constitute his specialty.

Whatever may be your allment, get help from one who has made such cases a special study. If your eyesight is failing go to a reliable optician or occulist. If your hearing is defective consult a competent aurist. If a bad tooth is distressing you engage the skill of a dentist. Or if you are burning with fever or shaking with chills, tell your troubles to a family physician. They can do more good than I can, for I do not treat such complaints, nor pretend to cure them.

But if you have one of the serious diseases peculiar to men, such as VARICOCELIS STRICTURE, KIDNEY or URINARY TROUBLES, CONTAGIOUS BLOOD POL SON, NERVO-SEXUAL, DEBILITY or allied troubles, which is depleting your vitality, or if your case has been aggravated and made worse by the use of specific, free samples, trial treatments or similar devices—if this be your unfortunate condition, I want you to write us or came to our offices, where you will be welcome to private counsel, a careful personal examination and an honest and scientific opinion of your case free of charge.

These diseases and weaknesses of men, and they alone, are my specialty. To them I have discovered and developed various forms of treatment which make their cure an unqualified and absolute certainty. Is it not worth your while to investigate a cure that has made life anew to multitudes of men?

Milkman, 43rd and Fowler Streets-Mr. Brown Has Delivered Milk to Many Omaha People for the Past 10 Years and Was Cured by Cramer's Kidney Cure.

OMAHA, Dec. 9, 1909. RAMER CHEMICAL CO., Albany, N. Y. I received your sample bottle of Cramer's Kidney Cure, which you kindly sent me. it helped me very much and I have taken two bottles since. Being out in all kinds of weather, I contracted a cold which settled in my back. It was impossible for me to properly attend to my work and I had to employ a man to do my work. I was told by one of my customers what Cramer's Kidney Cure had done for him and wrote for the sample. Today I can attend to my duties and feel ten years younger. I certainly can't praise your remedy enough. G. P. BROWN.
