## SCHLEY LAWYER DIES

Judge Jeremiah Wilson, Senior Counsel, Expires Suddenly at Hotel.

## COURT OF INQUIRY ADJOURNS WHEN TOLD

Dewey Postpones Further Proceedings Until This Morning.

## ANNOUNCEMENT IS A PAINFUL SURPRISE

Attorney Attended Hearing Monday Apparently Feeling Well.

## ADMIRAL FEELS IT IS PERSONAL LOSS

Says the Deceased Was Not Only His Counsel, but a Dear Personal Friend—Two Witnesses Heard.

WASHINGTON, Sept. 24.—The Schley court of inquiry was brought to a sudden adjournment for the day eighteen minutes after convening this morning by the announcement of the sudden death of Judge Jeremiah Wilson, senior counsel for Admiral Schley. The announcement was made to the court by Hon. Isidor Rayner, assistant counsel, in the following language:

"I have a very sad announcement to make to the court. I have just heard of the death of Judge Wilson. I left him at 10 o'clock this morning, slightly indisposed. I was with him until late last night. I saw him this morning at 8 o'clock and left him at 10. We have conferred the rumor, through the kindness of Mr. Schley, that he had died at the Shoreham hotel and I would respectfully ask, if it meets with the approval of the court, to adjourn for today."

## Will Not Delay Hearing.

Admiral Dewey later said he did not think the proceedings of the court would be interfered with greatly by Judge Wilson's death. He added, there would be another adjournment on account of the funeral, but beyond that there would hardly be further delay.

## "Judge Wilson's death," he added, "is a severe loss. It is a loss not only to the community at large, but especially to the court at this time. His amiability, conservatism and long experience in public affairs rendered his presence here most acceptable. Personally, too, I have suffered a severe bereavement in this death. We had been friends for twenty-five years and I had come to love and respect him for his many excellent qualities of head and heart."

They differed as to many points, but agreed that the anarchist press must be suppressed and that concerted action must be taken by all civilized countries. The results of their discussions may be expected in the near future.

## FOUR BANKRUPT ROADS IN THE DEAL

Omaha & St. Louis Figures in His Plans, to Checkmate Which Big Companies Will Have to Pay a Price.

CHICAGO, Sept. 24.—(Special Telegram.)—John W. Gates has signalled his return from Europe by launching a new railroad system. His announcement today brought surprise and consternation to the big trunk lines that run from Chicago to Kansas City. He has injected a new disturbing element into the plans of the magnates who have been serenely anticipating the effect of working out a community of interests and looking forward to peace and harmony in the western section of the country.

Gates and his associates have been quietly corralling the securities of four bankrupt roads, each independent, but so situated as to make a continuous line from West Quincy on the Mississippi to Kansas City on the Missouri, and to Council Bluffs. The consummation of the new system has been effected in the acceptance of a scheme by an overwhelming majority of the bondholders of the Kansas City & Northern Connecting line.

The ambassador exhorted the chiefs to be loyal to his authority, saying that only by obedience could they retain the strength of the country, a legacy from the Almighty. He then explained a plan to take one man from each eight in every tribe for military service. One of the chiefs, however, refused to do this and hence the recent disturbance, the invasion of British territory, the pursuit.

ST. LOUIS, Sept. 24.—Police here have failed to find any substantiation of the claim of Edward Saffig that he was with Czolgosz for several days prior to the assassination of President McKinley and the preparation for the murderer's handkerchief. Saffig, who had been arrested for a theft, told the police here that he was an anarchist and had been taken into the confidence of Czolgosz and a fellow-conspirator named Frank Harrison to assist in protecting the assassin in the crowd until the shots could be fired. He claimed that he was living with the assassin in a rooming house on the river front of the city. The police here, however, have no faith in Saffig's story.

BRISTOL, Va., Sept. 24.—Considerable excitement was created at Stonegap, Wise county, Va., yesterday when a dozen officers arrived in that town with thirteen prisoners whom they were taking to Pineville, Ky., to be placed in jail for safe keeping until they can be brought to trial. The men under arrest are members of a Ku Klux band that, it is alleged, has been operating in Letcher county, Kentucky, and that immediate action for the last several months has been taken to suppress the band. During the past few days a number of men and women have been mysteriously murdered and these crimes are charged to this Ku Klux gang, together with a number of other crimes which have been committed in that vicinity. The men were captured near Whitesburg and taken from that place to Stonegap, where they were held in the jail at large, but a posse on his track.
