but the duchess says:

to contribute."

The reply was: "None that I know of." Mr. Hanna then asked: "Were there any shoals or other obstacles of any kind to prevent the battleships from approaching the mouth of the harbor of Santiago suffciently close to have been within easy range

of the Colon ?" Captain Parker objected to the question but the court refused to sustain the objec-

tion and the question was repeated. Captain McCalla replied: "None that I know of. The only shoal I know of was the shoal on the west side of the channel opposite the Morro." "Did the battleships go within range of

the Colon?" "Not from my observation."

"Were you so situated as to observe the fall of shots from the fleet?"

"I was." "Where did they fall?"

"I think I saw every shot fired. They

all fell short that I saw. One very nearly ranched the Colon."

Continuing, he said: "The commanding officers were ordered on board Brooklyn on May 29. It was with regard to the work of blockade. I can only remember one specific thing which took place at the close and that was that Captain Evans asked Commodore Schley if the Spanish ships did not come out, if he was going in for them. He said 'Certainly,' and then arranged for a mates the number of American men and is well suited to be the foundation of our subdivision of fire from the ships under

his commond on the Spanish ships should they come out."

Fleet Remains Close In.

Replying to a question Captain McCalla ill sadly need an American home instead of said that Commodore Schley's fleet, while a hotel. off Santiago, had never to his knowledge been withdrawn to any distance from the harbor of Santiago. "Then," said Captain Parker, "that story, by whomsoever told, is absolutely false?'

"I object," shouted Captain Lemly in a voice as sharp as a pistol shot. "The objection is sustained." said Ad-

miral Dewey. "The question is highly im-

On redirect examination Mr. Hanna asked: "If Commodore Schley had signaled you to come on the Brooklyn and had stated to daughter, you that his destination was Cienfuegos would you or not have communicated to being heard in him the secret signal to which you have referred ?"

"I would have given him the code, course," answered the witness,

Court Questions McCalla.

The court asked these questions of the witness:

"What was the state of the sea between May 24 and May 25, when the squadron was to minimize the scandal. It is believed that steaming to Santiago from Cievfuegos ?"

"To the best of my recoirection, it grew separation from her husband, even though rough during the night of the 24th. We religious scruples may deter her from aphad, so far as I remember, rain and thick pealing to the courts for dissolution of weather. Next day we had thick and rough her marriage ties. weather and moderately heavy sea. The

I remember, by noon of the 26th it was fair weather; the sea was moderate from the Berlin Hotel Owners Find They Know 25th right on until it became quite calm on the night of the 26th."

"Was Marblehead in condition for any pervice that might be required of it on May

"It was in condition for any service which might be required of it, beyond the fact owners have begun to employ American that it had not been in dock for nearly a year."

At what distance from the mouth of the harbor were Massachusetts, Iowa and New Orleans during the firing on May 31?"

'I can only judge from the effect of their I judge they must have been from the Colon, about five miles. 1 esti-

tions and the exact basis for the board's preceding day. The regulars had fairly caraction was never made public. Therefore ried the day and were entitled to the control of the convention, but lost it through the shrewd manipulation of their opponents, aided by treachery in their own ranks.

Primary Victory Discounted.

Friday night McBride, who was the choice of the antis for sheriff, had given up all hope and solicited the privilege of retain-For gallantry in battle, Santiago &e Cuba, July 1, 1898, Lieutenant Colonel Theo-dore Roosevelt to be breveted brigadier. He took under consideration a suggestion put forth by some of his friends seeking to harmonize opposing elements that he take there was no active candidate, but later, on referring it to his delegation, decided to stand out for sheriff or nothing. In the meantime Judge Vinsonhaler and his friends had come to an agreement with the leaders of the city administration by which his renomination was to be conceded in consideration of his aligning the Seventh ward delegation that he had carried with the forces of the regulars. A committee consisting of A. C. Foster and another member representing themselves to be the steering committee of the Seventh ward delegation, declared that all they wanted was Judge Vinsonhaler's success, and in the presence of Judge Vinconhaler gave a solemn pledge on their word of honor that the Seventh ward votes would be cast sol--Lant K. Salsbury, city attorney of Grand idly on every proposition and candidate with the other city delegations carried by baler's nomination by acclamation. It is ing of this pledge accounts for the transfer of the control of the convention.

Treachery Helped It Along.

Even then the regulars might have had the convention except for the backsliding of certain members of delegations they charges against him after he has demanded had elected. On the first test vote which trial at four consecutive terms of court and turned on the seating of one or the other of two contesting delegations from Clontarf, three members of Mr, Hoye's delegation in the Second and one member of the antis. Had these four votes been true the seating of the Clontarf delegation would have given the regulars control of the convention by the same majority that the antia finally wielded. After the contested seats had been

awarded and the chairmanship wrested

from the regular organization the lines

were no longer so sharply drawn and many

tion. Once the lines in their hands, the

antis completed their work by delivering

all future conventions and the machinery

of the party into the hands of the country

delegates, whose strength had been drawn

upon by them. This was done by ordering

an apportionment for the next county con-

vention of ten for each ward in Omaha

eighteen for South Omaha and five for each

country precinct, leaving the city with

only ninety votes, as against eighty-eight

for South Omaha and the country. The rel-

stive proportions on the committee as re-

of the city, giving Omaha only twenty-seven

and W. A. Messick as secretary completed
