

WON IN SEVEN HARD HEATS

Transylvania Trotting Stake is Notable Triumph for Onward Silver.

IMPROBABLE TAKES LEXINGTON FUTURITY

Ed Geers Finally Gets What He Has Been Striving for for Seven Years by Spectacular Driving.

LEXINGTON, Ky., Oct. 10.—After trying for seven years Ed Geers today landed a Transylvania stake. Urging Onward Silver, tried from several fast heats, to his top speed, following one of the most sensational drives through the stretch in the recollection of veterans, he captured the first money in the \$5,000 event. The last heat was thrilling, only a short neck separating the victor.

They were sent off to a good start on the second attempt, Chainshot leading by half a length. Susie J took the lead at the turn, with Chainshot and Onward Silver very closely following. At the quarter Susie J had increased her lead to a length and a half, Chainshot two lengths ahead of Silver. The distance had been covered in 0:34. Two lengths separated them at the half, reached in 1:06 flat. Onward Silver began to gain. He was three lengths to the good of Chainshot at the three-quarter pole, which was passed in 1:40. Then began the race home. Chainshot spurred and the space between all three decreased. Susie J maintained the lead, but Onward Silver was going slightly faster as they passed the distance flag. Then came a furious drive to the wire, all three of the pilots whipping. Twenty yards from the wire Onward Silver was on even terms with the roan mare and as he reached the wire her nose was at his throat latch. Chainshot was three lengths behind. The time was 2:13, the same as in the previous heat.

Other Events. The 2-year-old pacing Futurity was won by Improbable, a long shot. Miss McClintock being the heavily favored favorite. David Harum, was beaten in the 2:20 trot, Colonel Cochran being the victor.

With five heats paced the 2:12 event was unfinished when darkness fell. Pincham Wilkes and Dan Riley having won two and Louise G one.

The Abbott made an unsuccessful attempt to break the world's wagon record, covering the mile in 2:05 1/4.

WINNER OF WORTH HANDICAP

The Lady Equals Track Record in Star Event of Opening Day's Racing.

CHICAGO, Oct. 10.—Worth opened its fall meeting today with a sensational card of six races, the feature of which was the Worth Open handicap at a mile, which went to S. C. Hildreth's filly, The Lady, in the fast time of 1:49 1/2, equalling the track record.

Laboring under false impressions as to track conditions there were four scratches in the stake event and the fifth race was declared off as Money Mues and The Prize had been scratched. Arroyo, the favorite in the handicap event, with the Lady second choice. The two raced close together into the stretch when W. J. Deboe rushed in and took second place.

Jack Ratlin and Gallantrie furnished a sensational struggle in the third race running nose and nose from start to finish, finishing as named and equalling the track record. Weather conditions were perfect and the track fast. Results: Oliver Mc won, Frank Ireland second, Boomerang third. Time: 1:29 1/2.

The race was the fourth on the program, the distance one mile and seventy yards. Lady Strathmore was a slight favorite over Peaceful and Lunar. After finding out Peaceful had raced their weight off in the backstretch, the handsome daughter of Strathmore took command and won handsomely by two lengths from Peaceful, who beat Lunar a length for the place. In a bad jam at the half-mile pole in the second race, Billy Bell, Edgin and John Morton fell. Jockey Dugan retained the fracture of several ribs and H. Murphy, who badly skinned up, two favorites, one third choice and three long shots won. Kuhn rode three winners. Track slow. Manley of Long Beach, Mass., and Miss Genevieve Hecker of the Essex Country club of New Jersey.

The feature of the day's play was the defeat of Miss Bessie Anthony of Chicago by Miss Margaret Curtis of Oakley, Mass. Curtis had previously defeated her in the Western and Boston Golf associations. It was a close match and the players had to go on for an extra hole before the game was won.

READY TO BEAT MINNESOTA

Nebraska Varsity Team Shows Its Strength for the Great Game.

LINCOLN GOES WILD WITH EXCITEMENT

Business Men and Societies Exchange Accommodations for the Excursion—Minneapolis Prepares a Royal Welcome.

LINCOLN, Oct. 10.—(Special.)—Foot ball enthusiasm at the university is rampant. The topic of conversation is the great game with Minnesota. Even the town has gone foot ball mad and parties are being organized among the business men and the various orders. The Elks have secured a car. The H. E. Sidles Cycle company will hang out its banner on another. Several of the fraternities will have sleepers reserved for their members.

Varsity practice has been light this week and every precaution will be taken to put the men in the best possible shape and keep them from getting hurt. Only a half hour's practice was taken Monday evening. The varsity lined up fifteen minutes against the scrubs, during which time they secured one touchdown and a second was in sight when Coach Booth called them in. The scrub team was strengthened by Johnson, Eager and Mulliken. George Shedd was not in the game, owing to the condition of his arm. The shoulder was severely strained in Saturday's game, but with careful treatment he will be all right for Saturday. Captain Westover was not in the lineup. He and Coach Booth and Mulford were taking pointers on the team play. Koehler had his toes on, but did not play. His back is about well and he will be in the big game. Pillsbury made some mighty plunges into the line. It seems almost impossible to stop him when he is once started. Kingsbury also put up a snappy game.

Yesterday's practice was light, as the grounds were in a slippery and soggy condition. Coach Booth gave the varsity only a few minutes against the scrubs and no score was made, although Westover's men were near the goal line when time was called. A good deal of punting was done, which showed that Nebraska will be all right on the kicking question. Shedd was on the field, but not in a suit. If he is unable to play Saturday Nebraska will be considerably weakened. It seems almost certain that the line will be composed of Koehler, Brew, Ringer, Stringer, Westover, Shedd, Cortelyou, Drain, Shedd, Pillsbury, Kingsbury, Crandall, Bell, Bender, Tobin, Hank Johnson, Eager, Martin, Voss, Mulliken.

The men to be taken number twenty-one: Koehler, Brew, Ringer, Stringer, Westover, Shedd, Cortelyou, Drain, Shedd, Pillsbury, Kingsbury, Crandall, Bell, Bender, Tobin, Hank Johnson, Eager, Martin, Voss, Mulliken.

Up at Minnesota the boys are getting ready to give Nebraska a royal reception. An enthusiastic mass meeting was held in chapel Saturday, the large hall being crowded to the doors. Plans were outlined, yet left unappointed and speeches made by President Northrop and other members of the faculty. There are daily practices in singing and rooting on the campus. A mass meeting will be held Friday morning and a mammoth bonfire will blaze on the campus in the evening.

The team has been undergoing secret practice and little can be learned of its work. Muller's parents have forbidden the big guard to play since the Physicians' and Surgeons' game and this necessitates the substitution of either Hutchinson or Tigue. Aune's injured foot is again troubling him and he may be compelled to stay out of the game. The lineup will be: Rogers, left end; Fee, left tackle; Flynn, left guard; Paige or Strathorn, center; Hutchinson, right guard; Waist or Thorpe, right tackle; Aune or Carrigan, right end; Dobie, quarterback; Allen, left halfback; LaFane, right halfback; Knolton, fullback.
