NEW YORK, Oct. 14 .- Rev. Charles C Creegan, district secretary for the Amer ican board of foreign missions, gave out a letter today, part of which reads:

Appeal is to All Americans.

"To the American People-The case of Miss Stone now in the hands of the Turkish brigands, has undergone no material change. In the office of the American board and among her immediate friends the greatest anxiety prevails. Our government at Washington has not modified the opinion uttered by President Roosevelt that there is but one thing to do and that is to raise the sum demanded for her ransom, and that as quickly as possible. O

this amount \$60,000 has already been subscribed, by far the largest part in Boston and immediate vicinity. A multitude of her neighbors in every condition of life have ured their gifts into the Boston office or her deliverance. Fifty thousand dolars more are required. We appeal now to those among us who, by the blessing of God, have larger financial ability to supplement the contributions of their neighbors, that the necessary sum may reached.

"An answer is anxiously awaited at the office of the American board at 15 West Twenty-fourth street, New York, where subscriptions to the undersigned will be received.

C. C. CREEGAN, District Secretary. "HENRY A. STIMSON.

Dr. Creegan said that the board had re coived assurance from the United States government in the past few days that the only thing that could be done was to raise the money necessary for the payment of the ransom.
