3955 Misses Shirt Waist, 12 to 16 yrs. Misses' Shirt Waist-No. 3,355. To be made with or without the fitted lining. Simple shirt waists that close at the back are much in demand for young girls and are exceedingly attractive and becoming. The very pretty model shown is made of corduroy in Napoleon blue, but velveteen, flannel, silk, albatross and all waist cloths are equally appropriate. The original includes the fitted lining but, when preferred,

the waist can be made unlined, The foundation, or lining, is smooth and snug and extends to the waist line only. but closes with the waist at the center back. The waist proper is plain at the back and drawn down in gathers at the waist line, but in front is laid in a single plait at each shoulder and stitched to a few inches below the shoulder seams; a novel arrangement which provides graceful fullness while giving a plain effect. The sleeves are in bishop style with the new deep and flaring culfs. At the nack is a regulation stock worn with a tie of black

satin that matches the belt. To cut this waist for a miss of 14 years of age 3 yards of material 21 inches wide, 2½ yards 27 inches wide, or 1% yards 44 inches wide, will be required. The pattern, 3,955, is cut in sizes misses of 12, 14 and 16 years of age.

For the accommodation of The Bee readers these patterns, which usually retail at from 25 to 50 cents, which usually retail at from 25 to 50 cents, which covers all expense.
