Cummins Talks to a Finish

A. B. Cummins, republican candidate for governor, was compelled to cancel a speaking date at Mt. Pleasant for this evening. He returned home yesterday and expected to start out again this morning, but discovered that it would be impossible for him to speak owing to the condition of his throat. He therefore remained at home today, the first day of rest since the campaign opened. He has already made thirty speeches. Mr. L. Temple of Geocelia and J. A. Dyer of this city were sent to Mt. Pleasant to fill the engagement. Mr. Cummins expects to be able to go to Seymour for his meeting tomorrow evening and to fill his other engagements.

Another Turn in Ballot Middle

The State Board of Ballot Judges, consisting of the attorney general, secretary of state and auditor of state, this afternoon decided that the nomination papers of Hufschmidt as candidate for representative for Allamakee county may be placed on the ballot. The ground for this decision was that the act of the board in holding sufficient the objections to the first certificate filed created a vacancy within the meaning of the law and that vacancy could be filled by a new nomination paper, which has been done. The court adhered to its original ruling on the main point of the insufficiency of the fraudulent nomination papers, but opened the door for the correction of errors by the decision of today.

Blind Man to Stand Trial

Otis Green, the slayer of his wife, and who is confined in the room at Mercy hospital suffering from the effects of a bullet which he sent into his own head, destroyed the sight of both eyes, will be arraigned tomorrow on an indictment charging him with murder in the first degree. Physicians report Green able to leave his room, though by no means out of danger. He is suffering from effects of a remedy shot. The prisoner, who was formally placed under arrest by a deputy sheriff this morning, seems to have no conception of his crime, though his faculties are thought to be normal. He expects exoneration from all blame in connection with the shooting, telling officers that his wife invited the shot which ended her life.

Jebb is reported to be in high standing in Peoria and engaged in business and the arrest created a sensation.

DEMOCRATS' RUSE DETECTED

Hamilton County Managers Have to File Amended Certificates to Get Names on Ballots.

WESTER CITY, Ia., Oct. 28.—(Special.)—The democratic nominees in this county were placed on a place on the official ballot. The first certificate of nominations which were filed contained alleged fraudulent signatures. They were filed at the last minute allowed by law and as all necessary signatures could not be secured in time they were affixed by persons other than the regular convention officers. The apparent fraud was discovered and objections filed by the republican committee. The democrats then admitted the charges and filed an amendment to the original certificates, which contained the proper signatures. The amendment corrected the defects in the first papers. The amendment was allowed and the nominees may now run on the ticket.

Lynchings Averted at Sioux City

SIoux CITY, Ia., Oct. 28.—(Special Telegram.)—A lynching was averted by the police here tonight and J. W. Wilkinson, a steamfitter, who carried a long rope, was put behind the same bars which recently imprisoned James McGuire, whom Wilkinson and his followers would have lynched. Two hundred people gathered around the county jail when Chief of Police Nelson and a detachment of officers arrived. Nelson unceremoniously grabbed Wilkinson, lifted him bodily into his buggy and hurried him off to the police station. McGuire on Sunday morning assaulted Ambrose Manahan, a messenger boy, in a shack in the old Soudan district. The crowd around the jail tonight is not demonstrative. Further trouble is not looked for.

ELOPERS FROM NEBRASKA

R. B. Lane and Alma Martles of Columbus Fail to Get Married Because of Youth.

R. B. Lane and Alma Martles arrived in Council Bluffs early yesterday morning from Columbus, Neb., to get married, and they would probably have succeeded had not the young woman confided to Pastor Erickson of the Fifth Avenue Methodist church that she was little more than 16 years of age and her intended husband had not secured the consent of her parents to the proposed marriage. The action of the young people clearly indicated that it was an elopement.

The ordinance vacating three feet of Scott street to enable the Omaha Brewing company to improve the property recently bought by it at the corner of that street and Broadway was passed, Lougee, Hammer and McDonald voting against it. Alderman Boyer spoke in favor of the ordinance, pointing out the benefits that the city would derive in return for the concession. He said it was a business proposition purely, as the brewing company has guaranteed in return for the three feet of ground to erect a handsome three-story building which would be an ornament to the city. He pointed out where the city had made similar concessions and had received practically nothing in return.

It was at first thought the arm was fractured, but examination showed it to be severely wrenched and bruised by the strain to which it was subjected.

Political Notes

Harry M. Brown, chairman of the republican city central committee, estimates that Mr. Cummins' plurality in Council Bluffs will be at least \$60 and may run up as high as \$100. This estimate is based on the reports of the precinct committees.

A meeting of the republicans of the First ward will be this evening in the Wheeler and Herold building, Broadway and Benton street. George H. Scott, candidate for judge of the superior court, will speak on the republican ticket and other nominations on the republican ticket will speak.

On Complaint of Husband

The preliminary hearing of Mrs. Minna Landowski and Emil Snyder, arrested on complaint of the woman's husband, John Kilanowski, was completed before Justice Ryan last evening and the defendants were bound over to await the action of the district court jury. Each furnished bonds in \$500.

When John Kilanowski came to America from Germany he left his family behind

son, a steamfitter, who carried a long rope, was put behind the same bars which recently imprisoned James McGuire, whom Wilkinson and his followers would have lynched. Two hundred people gathered around the county jail when Chief of Police Nelson and a detachment of officers arrived. Nelson unceremoniously grabbed Wilkinson, lifted him bodily into his buggy and hurried him off to the police station. McGuire on Sunday morning assaulted Ambrose Manahan, a messenger boy, in a shack in the old Soudan district. The crowd around the jail tonight is not demonstrative. Mrs. H. S. Wagstaff, President Kansas City, Mo., Blue Ribbon Club, Tells How She was Cured of Severe Bearing-Down Pains, Backache, etc., by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—After suffering for months with a complication of female troubles, causing severe bearing-down pains and backache, feeling constantly fatigued and unable to stand up without great weariness, great relief came to me when a friend advised me to use Lydia E. Pinkham's Vegetable Compound, which I did. It was worth more to me than all other medicines I ever tried, which only seemed to poison my system, while your Compound healed me. I took your pills in connection, and they seemed to help cast the poison and waste matter out of the system. I used the Compound for six weeks and was then completely cured, and while this was eighteen months ago I have had no relapse, but have enjoyed the best of health ever since. I wish that every poor dragged-down, suffering woman might know that it would bring their health to consult you and use Lydia E. Pinkham's Vegetable Compound, and I always do what I can to tell them of it."—Mrs. H. S. WAGSTAFF, 1830 McGee St., Kansas City, Mo.

\$5000 FORFEIT IF THE ABOVE LETTER IS NOT GENUINE. Mrs. Pinkham, whose address is Lynn, Mass., will answer cheerfully and without cost all letters sent to her by sick women.
