rebuilding wing to the Norfolk Hospital for Insane." The Board of Public Lands and Build-ings reserves the right to reject any or all bids and to waive any defects or irregularities. The burning of the Hospital for the In-sane at Norfolk has created an emergency by reason of which it is made necessary to at once rebuild the west wing of said building. There are no funds appropriated in the treasury for such rebuilding and all parties bidding thereon must do so with the understanding that no money can be paid on any contract let thereunder until an appropriation for that purpose has been passed by the legislature of the state of Nebraska.
