#### Scientific Palmist, MME. GYLMER, OMAHA'S FAVORITE.

OMAHA'S FAVORITE.

PALMISTRY is the leading science in LIFE READING, and positively the only CORRECT method. All supernatural pretensions are absolute fakes. The ordinary person knows just as much concerning the future from a superhuman standpoint as the robed pretender of the most authentic creed. Mme. Gylmer has devoted the greater portion of her life to the study of Palmistry, and has mastered it to an unparalleled degree. She has few equals and no superiors in the profession. Her readings are scientific and guaranteed to give satisfaction.

#### MICHAEL'S GIRL COMRADE Manner and Outfit of a Princess.

(Copyright, 4901, by Press Publishing Co.) PARIS, Nov. 2 .- (New York World Cable. gram-Special Telegram.)-Jimmy Michael, the bleyele crackajack, has had a mysterious romance since he began riding here and is the greatest favorite among the women. "I don't object to their sending me notes and portraits," he says. "My manager spares me the trouble of reading their fool-ish messages. But receiving flowers kills me. They sent me bouquets, which are carried to my dressing room, and I cannot

refuse them without rudeness, yet they make me feel like a chorus girl." Michael was compelled to make an exweeks ago. While he was training on the Pare des Princes track a beautiful girl suddenly dashed from the rider's quarters to everybody's surprise, for in the mornings only racers are admitted.
