A Private Affair

That's what our prescription department is. Do you know that the filling of prescriptions is one of the most exacting things in the line of a druggist? It is, and to every person having a prescription filled it is something he should carefully consider and take it only to those competent to fill them properly. Our work in this line gives perfect satisfaction. We. have a regular registered pharmacist. Our apartment for filling prescriptions is exclusive from other parts of the store. It is a neat little room, built for this purpose only and free from any annoyance in other parts of the store. WE ARE PREPARED TO FILL PRESCRIPTIONS AS NO OTHER STORE IN THE CITY, because ours is the only exclusive prescription department connected with a drug store in town. Don't forget to take a look at our window filled with the finest line of sponges in the city. Any kind of a sponge you want-and you won't kick on the price, either.
