PROTESTS TO BE THE FAD

Turning Down of Williams of Iowa May Start Epidemic.

BADGERS AND GOPHERS ARE SCHEMING

Each Hopes to Weaken the Other by Filing Kicks at Eleventh Hour—Iowa Feels Its Loss.

CHICAGO, Nov. 7.—(Special Telegram.)—The investigation for professionalism in western college athletics, started by Minnesota's protest of Captain Williams, may result in a general cleansing of athletics in all the western schools. It is said that a number of the present Minnesota foot ball team will be protested on the grounds of professionalism. Doble, Rogers and, possibly, Lafans, are the ones mentioned. Should these Minnesota players be protested there is no question but that institution will, in turn, protest some of the Wisconsin team.

Captain Williams said today: "If western athletics were absolutely purged of all taint of professionalism we wouldn't have any athletics in the west!"

Growing out of the controversy between the conference representatives of these two institutions, it is said the Wisconsin authorities are planning to disrupt the Minnesota team, if possible, by protests against some of their star players, the protests to be lodged just before the Wisconsin-Minnesota game. Minnesota will not be idle, either, and if anything on which to hang a protest can be found, Wisconsin players will be barred from that game as well as the Gophers. A feeling of bitterness is being engendered between these two institutions owing to these charges.

Bitter Pill for Iowa.

IOWA CITY, Ia., Nov. 7.—(Special.)—The news of the decision against Captain Williams causes more gloom to come over the athletic supporters here than does the loss of any game on the schedule. Although this is the last year for Williams in athletics, his services were very much in demand in the games with Illinois on Saturday and the Michigan game on Thanksgiving day. Williams is probably the best all-round athlete in the west. During his four years at the State university he has starred in base ball, foot ball and basket ball, and has enjoyed the captaincy of the teams of each game. Practically without training, he has represented Iowa in the broad jump and the hop-step-and-jump in the field meets, having won the university "I" in all four of the games. Williams, before he violated the rule that barred him from amateur games, studied the rules and decided that his action was not contrary to the rule. Without Williams in the game with Illinois Saturday the score is expected to be low and close; nevertheless, the Hawkeyes are confident of victory.

CHANGE IN THE CLUB'S NAME

Omaha Amateur Athletic Association Will Be Known as the Omaha Field Club.

At a large and enthusiastic meeting of the Omaha Amateur Athletic association in Royal Arcanum hall in The Bee building last night two radical alterations were made in the club. The first was to change the name to the Omaha Field club, a proposition which met with general favor.

The second change was only adopted after much parliamentary wrangling and hours of discussion. It was to raise the dues from $10 to $20 a year for men and from $5 to $10 for boys. The final vote on this amendment to the bylaws was sixty-two ayes and forty-six noes.

This added money thus secured will aggregate about $10,000 and the expenses planned for 1902 amount to $9,605, that sum covering everything in the way of improvements and running expenses as well.

The new construction and other features provided for are: Bowling alleys, $1,500; dancing pavilion, $1,500; locker rooms, $500; fence about grounds, $1,000; golf instructor, $400; caddie house, $200.

The total expense of the club for 1901, including its commencement and the erection of all buildings, was stated as $11,085 and there is now on hand a cash balance of $867.50.

YALE-PRINCETON GAME IS OFF

Eli Freshmen Are Obliged to Defer Contest Owing to Restrictions of Faculty.

NEW HAVEN, Conn., Nov. 7.—The Yale faculty has caused a postponement of the Yale-Princeton foot ball game which was to have been played at 2 p. m. tomorrow in Yale field. The objection of the faculty is on account of a rule which prohibits games being played before 4 o'clock on any day of the week, except Saturday. As it would be impossible to finish before dark a game begun after 4 o'clock the Yale freshmen management has asked the Princeton team to arrange another date for the contest.

SEVENTY GOLFERS IN A MATCH

Clubs of Western Association Are Represented at Cincinnati—High Wind Plays a Part.

CINCINNATI, Nov. 7.—The open golf tournament for gentlemen players, under the auspices of the Cincinnati Golf club, opened at the Grandin Road links here today, with over seventy players entered. The contests are for the Queen City cup and the Grandin cup. Almost all the clubs in the Western association and throughout Ohio are represented. Today was devoted entirely to the preliminaries. The weather was very unfavorable and the wind was equal to a handicap of six. C. H. Kirk of the Nashville Golf club carried away the honors of the day. Among the other winners was Robert Newhall of Los Angeles. On Saturday there will be an open handicap, for which there are already a great many entries. The finals in the cup contests will also be played on that day.

Forewarned, Forearmed.

The liability to disease is greatly lessened when the blood is in good condition, and the circulation healthy and vigorous. For then all refuse matter is promptly carried out of the system; otherwise it would rapidly accumulate—fermentation would take place, the blood become polluted and the constitution so weakened that a simple malady might result seriously.

A healthy, active circulation means good digestion and strong, healthy nerves.

As a blood purifier and tonic S. S. S. has no equal. It is the safest and best remedy for old people and children because it contains no minerals, but is made exclusively of roots and herbs.

No other remedy so thoroughly and effectually cleanses the blood of impurities. At the same time it builds up the weak and debilitated, and renovates the entire system. It cures permanently all manner of blood and skin troubles.

Mr. E. E. Kelly, of Urbana, O., writes: "I had Eczema on my hands and face for five years. It would break out in little white pustules, crusts would form and drop off, leaving the skin red and inflamed. The doctors did me no good. I used all the medicated soaps and salves without benefit. S. S. S. cured me, and my skin is as clear and smooth as any one's."

Mrs. Henry Siegfried, of Cape May, N. J., says that twenty-one bottles of S. S. S. cured her of Cancer of the breast. Doctors and friends thought her case hopeless.

Richard T. Gardner, Florence, S. C., suffered for years with Boils. Two bottles of S. S. S. put his blood in good condition and the Boils disappeared.

IMP IS PINNED TO THE RAIL

Favorite is Unable to Shake Free from Bunch—Poor Starting Mars Sport.

NEW YORK, Nov. 7.—Reformer, at 8 to 5, was the one favorite to win at Aqueduct today. The starting, as usual, marred the sport and in four of the six races about half of the horses had no chance when the barrier was released. Imp was beaten again in the Oakdale handicap at seven furlongs. She was heavily played at 12 to 5, but was pinned in on the rail all the way. Results:

First race, Oakdale handicap, seven furlongs: Paul Clifford won, Shoreham second, Unmasked third. Time: 1:27½.

Second race, one mile and seventy yards: Annie Thompson won, Disturber second, St. David third. Time: 1:46 4-5.

Waddell Badly Injured.

CHICAGO, Nov. 7.—A heavy plunge in the books on Wayward Boy in the fourth race at Lakeside today proved a bad investment, due in large measure to a poor start. The Derby winner, Robert Waddell, is believed by many to have fractured a shoulder blade in his breakdown yesterday. Owner Bradley admitted today that it may become necessary to destroy the popular horse. Results:

First race, four furlongs and a half: Purser won, Smith's Reel second, Crescent City third. Time: 0:55 3-5.

Second race, six furlongs and a half: Andes won, Maggie Davis second, Henry of Franstamar third. Time: 1:20 4-5.

Sixth race, one mile and a sixteenth: Fantasy won, Donator second, Isabey third. Time: 1:49 2-5.

Ring Has a Setback.

LOUISVILLE, Ky., Nov. 7.—Another good crowd saw today's sport at Douglas park. The Wade McLure stables scored a win in the first and second races and as the stable following and incidental support went strongly to the black and red representatives the ring received a decided reverse. Huntressa was backed down from 8 to evens. Huntressa proved to have all the speed of her company, while Trio in the race came away in the last eighth. Sister Sarah swerved badly. Hie Away in the last race won leisurely. Two favorites and three second choices, well played, materialized. Weather clear and track fast. Results:

First race, six furlongs: Huntressa won, Kindred second, Springwells third. Time: 1:14⅘.

Second race, selling, five furlongs: Trio won, Lillian M second, Sister Sarah third. Time: 1:02¾.

Third race, selling, seven furlongs: Cherry Head won, Metoxen second, Halot P third. Time: 1:29⅘.

Fourth race, selling, one mile: Banquo I won, Bigger second, Omelia third. Time: 1:43⅗.

Fifth race, seven furlongs: Hie Away won, Rice second, Ellis third. Time: 1:29.

Finishes Are Close.

SAN FRANCISCO, Nov. 7.—Some of the events at Oakland today were closely contested, Saul of Tarsus winning by a neck, while Essence gained a nose victory in the fifth race. Favorites or well played horses won during the afternoon and the public had the best of the argument. Results:

First race, four and a half furlongs, purse: Montoya won, Flattered second, The Maniac third. Time: 0:53½.

Second race, six furlongs, selling: Saul of Tarsus won, King Dellis second, Fridolin third. Time: 1:14⅗.

Sixth race, one mile and seventy yards, selling: Bonnie Lissak won, Billy Moore second, Eloriente third. Time: 1:46.

Latonia Track Improves.

CINCINNATI, Nov. 7.—After a week's racing in the mud, the track at Latonia today was made fast by harrows being worked over night and there was a big improvement in the sport. The bookies had evidently figured on a soft track, as four of the winners were at long odds. Jockey Arvin was set down for the meeting. He did some rough work. The death of the western crack, Doyles Common, was reported from Newport. Results:

First race, five and a half furlongs, selling: Haldee won, Bill Massie second, Sim W third. Time: 1:15.

Second race, five furlongs: Mabel Winn won, Throstle second, Jane Oaker third. Time: 1:02.

Extra sets of curling stones were ordered from Canada and several new names were recommended for membership.

The board also decided not to protest Mueller or Dobey of the Minnesota team, so it is probable that all these men will play in the Minnesota-Wisconsin game on November 16.

MISSOURIANS ARE IN TOWN

Come Early for Their Battle Against the 'Varsity Team.

SEVENTEEN OF THE HUSKY HEAVYWEIGHTS

Their Chiefs Speak Modestly of Their Expectations Against the Cornhuskers, but Promise to Do Their Best.

Seventeen husky Missourians arrived in Omaha at 1 o'clock this morning from Columbia in that state. They are the men who will battle with the Nebraska gridiron athletes tomorrow for the foot ball supremacy of the western states. The pigskin chasers were accompanied by Coach Murphy, Manager Clark W. Hetherington and Student Manager Arnold.

The party arrived in Council Bluffs over the Wabash at midnight and were carried across the river in a special street car to the Millard hotel. They will have all of today and most of tomorrow to prepare for the big game.

In their effort to defeat the Cornhuskers, acknowledged to be the champions of the states west of the Missouri river, the Tigers will play every one of the seventeen men whom they have brought with them. Both Captain Washer and Coach Murphy have little to say concerning the game, but they are not daunted in the slightest by the excellent showing the Nebraska men made against the strongest two teams of the middle west.

Captain Washer said: "We really have not thought much concerning the game, but as far as we have given it any consideration we expect to be defeated. However, we will fight to the end, and the score will represent a bitter fight."

Coach Murphy said: "There is nothing on which to base a comparison of the teams. They have not met the same opponents in any instance, save that of the Kirksville Osteopaths, and that was so early in the season as to afford no just measure of strength. I have nothing to say as regards tomorrow's game."

A feature of the game is the rate war that is now on between the Rock Island and Burlington roads for the traffic from Lincoln. It is estimated that fully 1,000 people will come up from the capital city to attend the game, provided the weather is favorable, and these two roads are in hot competition for the business.

Each railroad had a rate of $1.16 for the round trip, in effect today, and now the Burlington has offered a $1 fare. It is expected the Rock Island will either meet this or better it today, and the prospects for a hot rate war between these roads are of the best.

The Missourians will spend most of today resting after their long trip, and will not go out for practice till this afternoon, when they will take a long walk round the city, followed by a brief lineup for signal practice only on the Young Men's Christian association grounds, where the game will be played. Tomorrow will be one continual rest till the game.

The Nebraska team will arrive in Omaha tomorrow morning and will do nothing till the game is called. The boys are in good condition and expect to make a clean winning.

The average weight of the Missourians is exactly the same as that of Nebraska, 170 pounds, and the seventeen who came to Omaha will play and weigh as follows:

Left end, Perry, 150 pounds; left tackle, Anamoso, 167; left guard, Jesse, 176; center, Cox, 188; right guard, Ellis, 190, or Gordon, 180; right tackle, Washer, captain, 178; right end, Birney, 154, or Anderson, 157; left halfback, L. M. Anderson, 155; right halfback, Forester, 165; fullback, Nick Hall, 170. Substitutes: Bennett and Hogan, for halves, 165 and 154 pounds respectively; Van Hall, for fullback, 170; Hoff, for guard, 177.

JENKINS WORLD'S CHAMPION

Scotch Wrestler, McLeod, is Defeated After Three Falls in Hard-Fought Contest.

CLEVELAND, Nov. 7.—Tom Jenkins tonight won the catch-as-catch-can championship of the world in Central armory here in the presence of 6,000 enthusiastic spectators, when he defeated Dan McLeod, an opponent who gave him the severest struggle of his wrestling career.

Jenkins weighed 190 pounds and McLeod about 170, but despite the difference in their weights the Scotchman gave his adversary such a struggle that it aroused the onlookers to intense enthusiasm.

McLeod won the first fall in nineteen minutes with a half-Nelson. This round was a dashing exhibition of wrestling and the men fought each other like tigers.

An interval of fifteen minutes elapsed before the second fall, which Jenkins secured quite easily with a half-Nelson. The third fall, also won by Jenkins, was a half-Nelson and lasted for nearly thirty minutes, being pretty much a repetition of the first fall.

Charles Wittmer of Canada was the referee. The event was for a purse of $2,500 and the championship, 75 per cent to the winner, 25 per cent to the loser.

Young Mowatt in Omaha.

Young Mowatt, featherweight, of Chicago, stopped off in Omaha last night on his way to Chicago from San Francisco. In the latter city Mowatt defeated Toby Irwin in a fifteen-round fight. While here Mowatt met some Chicago sporting men who are trying to make a match between him and Johnnie Richie, for which a Chicago club has offered a purse.

MRS. VER MEHREN DISCHARGED

Mrs. Kroenert's Allegations Are Unsupported When the Trial Comes.

Mrs. Sarah Ver Mehren, divorced wife of Herman H. Ver Mehren, the wholesale liquor dealer, was discharged in Justice Crawford's court Thursday afternoon after a hearing on charges preferred by Mrs. Helen Kroenert, who professed to be afraid of her life at the hands of Mrs. Ver Mehren. She wanted the latter placed under bonds to keep the peace, alleging that she (Mrs. Ver Mehren) had threatened to kill her.

The testimony was much the same as that adduced in the hearing of the divorce case in the district court. The defendant testified that Mrs. Kroenert had come between her husband and herself and broken up her home, but denied that there had ever been any threats of violence on her part. As Mrs. Kroenert's testimony to the contrary was unsupported, Mrs. Ver Mehren was discharged.

MILLER'S LEAD OVER UNITT

Unofficial Returns Give the Democrat a Majority of Sixty-One.

Returns which have been received at the office of the county clerk show that Harry Miller, the democratic candidate for county clerk, has sixty-one more votes than Charles Unitt, the republican candidate. All precincts have been heard from, but the reports received from six districts are not the clerks' reports. When the official count from these six precincts is received there may be a change in the result. The districts which have not been heard from are mostly in South Omaha. In compiling the vote for county clerk the reports submitted to the republican county central committee were used for districts in which clerks have not submitted reports.

CHILI ACTS AS PEACEMAKER

Step Is Taken Toward Mediation in Difference Between South American Republics.

LA GUAYRA, Venezuela, Nov. 7.—Senor Herbst, the minister of Chili at Bogota, with the authorization of his government, has cabled to President Castro, offering the good offices of Chili in order to arrange the differences between Venezuela and Colombia, stipulating the acceptation of Colombia. President Castro's reply was:

"I accept your proposition with pleasure, on condition that Colombia gives full powers and does not forget my answer to the congress at Mexico, stipulating reparation and the payment of damages for invasions and losses, bases which I consider just and reasonable."

GRAND JURY HEARS WITNESSES

Cases Against Criminals Now in Jail Are Undergoing Investigation.

So far the grand jury has devoted its attention entirely to the investigation of charges made against persons who are now in jail. Many witnesses have been summoned and have testified concerning minor criminal offences with which inmates of the jail are charged.

Charles Edwards, who is charged with having stolen a diamond during the Oriental carnival, and Sadie Woods, a colored woman, charged with larceny from the person, are two of the prisoners who have testified before the grand jury.

CALLAHAN CASE GOES TO JURY

Trial Closes Early and a Verdict is Now Expected.

JUDGE KEYSOR EXPLAINS LAW ON PERJURY

Instructs the Jury Very Carefully on the Points Involved in the Complaint Filed by the County Attorney.

The fate of James Callahan now rests with the twelve jurors chosen to decide whether the defendant perjured himself in giving testimony on his own behalf when he was on trial for robbery. County Attorney Shields and Callahan's attorneys completed their arguments in the hard-fought trial yesterday morning and Judge Keysor entrusted the case to the jury.

In prosecuting Callahan the county attorney and his assistants contended that the alleged kidnaper of Edward Cudahy, jr., testified falsely concerning seven points which were of great importance to the outcome of the case. These seven points were carefully reviewed and analyzed by Judge Keysor in his instructions to the jury.

"Remember that under the laws of Nebraska the testimony of one person cannot prove perjury," said Judge Keysor. "At least two persons must give evidence. In the present case the defendant is charged with having testified falsely concerning seven counts. If the evidence shows that he willfully gave false testimony concerning any one of these disputed points it is your duty to return a verdict for the state."

Seven Statements Challenged.

The seven statements of Callahan which the state alleges to be untrue are as follows:

That he had no moustache for two weeks previous to the kidnaping of Edward Cudahy, jr.

That he was in a saloon on Fifty-fourth street the morning of December 19.

That he was at no time near the Schneiderwind cottage on Melrose hill.

That he did not go with Pat Crowe to purchase a bay pony of Daniel Burris.

That he has not seen Pat Crowe since December 1, 1900.

That he was not directly or indirectly connected with the Cudahy kidnaping.

That he was entirely ignorant of the $25,000 which was laid on the Center street road to secure the return of the stolen boy.

During the reading of the instructions to the jury Callahan seemed to be unmoved. A slight movement of his head was noticeable when the judge announced that persons found guilty of perjury may be imprisoned for a period varying from one to fourteen years. Callahan's sister, Mrs. Kelly, sat by the defendant and showed great interest in the judge's instructions.

GRAND ISLANDER'S HOT PACE

John Jones, Miller, Reports Hundred and Forty Dollars Lost to Pickpocket.

John Jones, who says he is a miller from Grand Island, has added his name to the list who came to Omaha to see the elephant—and saw him. Jones, in company with J. T. Watch of Kansas City, started out Monday to enjoy afew days' vacation and see the sights of a metropolitan city. The first town of importance they struck was Council Bluffs. There they met two old acquaintances, B. Lozier and James Ross, foot racers. Yesterday afternoon Jones was induced to stake Lozier and Ross in a poker game. At the close of the game Jones was $300 loser.

Concluding that they had acquired sufficient headway in Council Bluffs they came to Omaha late yesterday evening. After supper, while strolling along the street near the Windsor hotel, they were accosted by a colored woman who invited them to attend a colored dance in the neighborhood of Capitol avenue and Tenth street. The invitation was accepted and a couple of hours later Jones rushed into the police station and informed the officers that the women had picked his pockets of $140, making $440 for his day's sport, besides $20 which he claims was spent for liquor.

Jones gave the police a description of the woman and promised to prosecute vigorously if she were arrested.

Woman's Work in Club and Charity

The program is issued this week for the annual convention of the Nebraska Equal Suffrage association, which is to be held in Lincoln November 13 and 14. There is an accompanying announcement that the dues of each club must be paid before its delegates will be admitted to seats in the convention. It is asked that all dues be paid to the treasurer, Mrs. K. W. Southerland of Blair, by November 10 to avoid overtaxing her at the convention.

The announcement further says that the future of the state headquarters rests entirely with the convention. If they are to be maintained another year they must be supported by the organizations of the state and if the clubs desire that the work be continued next year the executive committee asks that each club shall send its delegates to the convention instructed to pledge a certain amount to the headquarters and if they desire the work to be doubled their pledge must be doubled.

The convention is to be held in the First Baptist church of Lincoln. All day on Tuesday delegates will be received by committees at the Lindell hotel and assigned to their places of entertainment. There will also be meetings of the executive committee at the Lindell between 11 a. m. and 5 o'clock on Tuesday. The convention proper will open at 9:30 o'clock on Wednesday morning. There will be an address by the president, Mrs. Frank Young of Broken Bow, and reports of the various officers and committees. At 10:30 there will be a work conference, Mrs. Carrie Lane Chapman-Catt, president of the National American Woman's Suffrage association, to act as chairman. The subject is to be, "What Methods of Work Have Proven Successful in Increasing Membership, Stimulating Activity and Extending the Club Activity." Club president or their proxies will participate.

The afternoon session will open at 2 o'clock, Rev. Laura Wilde to deliver the invocation. There will be greetings from the Lincoln Equality club by Mrs. Maria C. Arter, the city of Lincoln by Mayor Winnett, with a response by Mrs. Southerland of Blair. "Woman's Sphere," by Miss Nellie Taylor of Merna; "Women of the Past," by Mrs. M. L. Ward of Tecumseh; "Women of the Present," by Mrs. Jennie Ross of Dakota City; "Women of the Future," by Mrs. Getty W. Drury of Pender, are to be the addresses of the session. There will also be a question box conducted by Mrs. Catt. An address by Governor Savage and a debate, "Resolved, That the Right of Citizens to Vote Should Not Be Denied or Abridged on Account of Sex," affirmative, Miss Laura A. Gregg of Omaha; negative, A. M. Bixby of Lincoln, will be the feature of the evening session.

At 9:30 on Thursday morning there will be an executive session open only to members of the convention. At 11 o'clock the annual election of officers will occur. In the afternoon there will be a symposium, "How Would the Enfranchisement of Woman Advance the Progress of Civilization?" 1. "It Would Tend to Develop the Higher Womanhood of Woman," Mrs. Anna A. Wells, Schuyler. 2. "It Would Tend to Develop the Higher Manhood of Men," J. H. Dundas of Auburn. 3. "It Would Surround Children with Healthier Influences," Mrs. Emma Shumann of Nebraska City. 4. "It Would Create Happier Homes," Mrs. Rose R. Modlin of Beaver City. 5. "It Would Tend to Elevate the Moral Standard of Society," Mrs. C. W. Damon of Omaha. 6. "It Would Advance the Cause of Peace," Mrs. Mary Jeffords of Broken Bow. 7. "It Would Creat Better Industrial Conditions for Women," Mrs. Alice Brayton of Geneva. 8. "It Would Tend to Purify Politics," Mrs. Belle Sears, Tekamah.

An address by Mrs. Carrie Chapman Catt will be given Thursday evening.

A large attendance is expected at the convention, especially as Mrs. Catt with Mrs. Young, the state president, and Miss Gregg, the state organizer, will have completed a two weeks' tour of the state, having held conferences in twelve of the large towns.

The members of the Woman's Christian association met on Tuesday morning to transact the business of the Old Ladies' Home and arrange for a Thanksgiving benefit to be given for it. It was decided to give a donation party and that large paper sacks should be distributed among friends of the institution to be filled and returned to the home on Wednesday, November 20. The members of the association will hold an informal reception at the home on that day and a general invitation has been extended to all interested in the work.

It was also decided that the association would bear $5 of the monthly expense of keeping Mrs. Wilson, the former Woman's club matron, at the Union and Burlington stations.

The annual meeting of the association will be held on Tuesday, December 10. There was some discussion in favor of holding the business session and an annual election of officers in the morning, serving lunch to the women and holding an informal reception and program meeting in the afternoon. Nothing definite regarding it was decided upon, however.

The members of the household economics department of the Woman's club that were present at Thursday morning's meeting indulged in the discussion of a subject that has been a question in the minds of the male relatives and many of the women friends of club women ever since the club movement began, namely, "Is There a Time When Housework Can Be Slighted?" The department is one of the largest of the club, having a membership of sixty-two women, and in the estimation of the fifty or more members present Thursday morning there is a time and a way of slighting the routine work of keeping house. It was a sort of experience meeting, the women telling their various ways of arranging their work to make time for the three or four hours of the week that they devote to their club meetings or work, and it was the general experience that the prospect or result of these few profitably-spent hours stimulated them to economize their time or arrange their duties to accomplish everything. During the business session Mrs. Mary Moody Pugh was made honorary assistant leader and Dr. Millen elected to succeed her in the active duties of that office.

The members of the Needle Work Guild of America concluded their two days' work of the annual distribution of garments with an informal reception Thursday afternoon in the parlors of the First Methodist church, which were used as the distributing point. The collection of over 1,500 new garments this year was the largest that has ever been made and attested the success of the work. The various charitable organizations, among which the garments were divided, have come to recognize the guild as one of the most valuable co-operative charities of the city and, providing new garments as it does, it supplied wants that could not be filled by any of the other organizations.
