NOW FOR THE CONGRESSMEN

Nebraska Republicans Prepare to Extend Their Victories.

DESIGNS ON ALL FOUR FUSION DISTRICTS

With Permanent Headquarters and Active Campaigning the Party Leaders Hope to Cement Their Gains.

(From a Staff Correspondent.)
 LINCOLN, Nov. 9.—(Special)—If present plans are carried into effect as they doubtless will be, the headquarters of the republican state central committee will be maintained permanently at the Lindell hotel and notwithstanding the fact that the republicans are again in the majority the campaign work will be continued with vigor and without cessation. Chairman H. C. Lindsay is now enjoying a brief rest at his home in Pawnee City, but will return to Lincoln Monday to resume his duties with the committee and as private secretary to the governor.
 In the latter part of next week Mr. Lindsay will leave for a hunting expedition in western Nebraska, to be gone probably one week. After his return he will begin the foundation for next year's campaign. The fall list will be brought up to date, the organization will be strengthened in places where it is now weak and particular attention will be paid to the organization of the various congressional districts. It is confidently believed that with this year's gains as a beginning the party can carry at least three and probably all of the four fusion congressional districts at the next election. The First and Second districts are the only ones represented by republican congressmen, but the prediction is made by the leaders here that after next year the number will be increased to five and it is thought that there is good chance of making the state's delegation in congress unanimous so far as party politics is concerned.
 Early next week Mr. Lindsay will address a letter of congratulation to each

county chairman in Nebraska. The gains were general throughout the state and he wishes the local managers to know that their efforts in getting out the vote are appreciated.

Custer Prepares for Ratification.

The republicans of Custer county and nearby territory are planning to hold a monster ratification meeting at Sargent next Tuesday evening. Governor Savage will be in attendance and will probably deliver an address. The party workers in that section of the state are feeling especially jubilant and they intend to make the affair fittingly memorable of the victory on election day. In Custer county the republicans made a better showing than ever before in its history and gains were almost as large in the surrounding counties.

Articles of incorporation of the Britton Engine company of Omaha were recorded in the secretary of state's office today. The company is capitalized at \$50,000 and the incorporators are Thomas G. Britton, Arthur J. Cooley and George H. Palmer.
 Carl J. Ernst, successful candidate for member of the Board of Regents, has filed a statement with the secretary of state certifying to the expenditure of \$75.37 incident to his campaign. The major portion of this was a contribution to the campaign fund and the balance was for stationery and incidental expenses.

Teachers' Reading Circle.

Superintendent Fowler is sending circulars to school people detailing the work and object of the Nebraska Teachers' Reading circle. In it he reviews the various books adopted and submits a list of questions for the month's reading.
 "Within the past year the Teachers' Reading Circle of Nebraska has grown in membership in a large majority of the counties," says Mr. Fowler. "While the membership is voluntary, it should include all the public school teachers of the state, of whatever age or experience and of whatever grade of professional and personal culture. Desultory reading cannot take the place of systematic work, nor can local clubs answer the purpose of a state organization. The more exacting demands upon the teachers of the present day require united professional work along the whole line. The Reading circle board makes its appeal to the county and city superintendents and to the teachers generally, to unite in promoting the circle's interests, to the end that its enrollment in each county shall constitute at least a very large proportion of the teachers actually engaged in the work of the public schools."
 "The books adopted for 1901 and 1902 are Hinsdale's 'Art of Study' and Bailey's 'Principles of Agriculture.' Both have in view the legal requirements of teachers and no teacher in Nebraska can afford to miss the benefits of either of them."
Claims Five Thousand Damages.
 Laura B. Prindle thinks that William D. Fitzgerald, president of the Fitzgerald Dry Goods company, should pay her \$5,000 as damages for an alleged slander, and the admittance of the case in the district court was argued before Judge Frost today. Mrs. Prindle avers that Mr. Fitzgerald virtually accused her of stealing money from the mail order department. A novel plea was entered by the defendant, whose attorneys declared that a business man had a perfect right to talk shop affairs over with his employees and it was perfectly proper for him to question clerks or assistants concerning mooted points.

ORD UNITARIANS DEDICATE

Have Prominent Visitors to Assist in Formal Opening of Their New Church.

ORD, Neb., Nov. 9.—(Special)—The new Unitarian church building here was dedicated Thursday night. The handsome structure is just completed and has a seating capacity of about 150 people. It is built of chipped brick, the upper part, or auditorium, being octagon in shape. The basement, which however, is only three feet in the ground, is divided into library, reading room, kitchen, furnace room and cloakroom. The building is forty feet square and cost about \$2,500, without furniture. Rev. Southworth of Chicago, secretary of the Western Unitarian association, was present and preached the dedication sermon. Mrs. Mary B. Davis of New York, secretary of the National alliance of the Unitarian church, was present, as were also Rev. and Mrs. Marsh of the Unitarian church at Lincoln. The church was beautifully decorated and was crowded to its fullest capacity. Music was rendered by the choir, under the leadership of Prof. George Eret, who also played violin solos. Rev. Enosh Towell, the pastor, was master of ceremonies.

DIETRICH STOPS IN OMAHA

Is to Arrive Tonight to Remain Until Monday on His Way to Washington.

HASTINGS, Neb., Nov. 9.—(Special Telegram)—Senator Dietrich will depart tomorrow morning for Washington, but will stop in Lincoln until tomorrow evening, when he will go to Omaha and remain there until Monday night and then continue his journey eastward. He has engaged rooms in the Sherman hotel at Washington, where he will reside while in that city.
 Mr. Dietrich has not yet selected his private secretary, but he is considering favorably Adams McMullen, whose home is at Wymore, Neb., but who has been in Washington during the last year. Mr. McMullen is a graduate of the Nebraska university and is also a graduate from an eastern law school.

Charged with Cattle Stealing.

BASSETT, Neb., Nov. 9.—(Special Telegram)—Chris Pope and George Wiegand, two old residents of this county, were bound over to the district court here today by the county judge on separate charges of cattle stealing. The property alleged to have been stolen belongs to Johnston brothers, who live seven miles southwest of Bassett. Pope is said to have practically admitted his guilt and testified against Wiegand, who, he claims, was his accomplice.

Jury Finds Bradbury Guilty.

CLAY CENTER, Kan., Nov. 9.—(Special Telegram)—The case of the State against ex-representative William S. Bradbury, charged with assault and battery on S. P. Burnett, has been on trial for the last three days and the jury brought in a verdict this evening finding Bradbury guilty. He is yet to be tried for assaulting Burnett at the same place.
 There are two damage suits pending before the court, the outcome of the assault.
 George A. Paine, Upper Sandusky, O., writes: "I have been using Foley's Kidney and Urinary Tract Remedy and find it the best remedy I ever tried. It stepped the cough immediately and relieved all soreness. Take none but Foley's."

DISASTROUS FIRE AT BUTTE

Starts in Rear of Saloon and Consumes Many Business Houses.

SUPPOSED TO BE OF INCENDIARY ORIGIN

Before Extinguished Several of the Town's Most Extensive Establishments Are in Ruins—Search for Strangers.

BUTTE, Neb., Nov. 9.—(Special Telegram)—Apparently with incendiary intent undetected persons started a fire in the rear of Anton Scheinost's saloon at 2 o'clock this morning and as a result many of Butte's business establishments are in ashes and the proprietors heavy losers on their stocks. There is not a hotel or restaurant left in the town.
 The ten buildings destroyed were all in the business section, and being of wood, burned so fiercely that the rest of the town was saved only by the hardest work. New and better buildings are promised for the old sites at once.
 The evidence of incendiarism was so strong that search is being made for a stranger who is reported to have made threats of "getting even" with the town last night because of some alleged financial grievance.
 Starting with the saloon, which was valued at \$2,500, and on which there was \$1,000 insurance, the flames destroyed the Hotel Boyd, Wm. M. Carter, proprietor, value \$2,000, insurance \$700; G. S. Wright's restaurant, value \$900, insurance \$500; John Story's hardware store, value \$2,000 and insurance \$500; Mrs. John Story's grocery, value \$1,500 and insurance \$750; Warner & Maxam's drug store, value \$5,000 and insurance \$1,700; Mrs. John Adkins' restaurant, value \$1,900 and insurance \$700; the stock and building of William Mantby, tailor, value \$400, with no insurance; Ed Johnson's saloon building, value \$1,500 and insurance \$400, and D. W. Forbes' building, used as a pool room, value \$900, with no insurance.
 Among the minor losers were A. Maandla, whose drug stock and building were damaged to the extent of \$150; J. S. McMullan, \$50; Ed Lusk, \$25; S. McGowan, \$50; George Whitman, \$50; C. W. Blagg, \$150; C. W. Weedman, \$150, and Ben Stockwell, \$50.

Endeavorers at Fullerton.

FULLERTON, Neb., Nov. 9.—(Special)—

The ninth annual convention of the Fifth district of the Christian Endeavor union is in session at the First Presbyterian church in this city. Last night the meeting opened with the president, Miss Bessie Sheldon of Columbus, presiding. A song service was followed by an address of welcome by Rev. Ray of the Presbyterian church of Fullerton and response by Miss Minnie Becker of Columbus, after which Rev. Edward Hart Jenks of Omaha gave his lecture, "A Great Day Dream and What Came of It." The convention will continue until Monday.

Two Years in Prison.

BEATRICE, Neb., Nov. 9.—(Special Telegram)—Robert Hook, convicted of stealing a team of horses from a farmer near Barnston, in this county, about the middle of October and who was caught by Sheriff Waddington in Kansas, was today sentenced to two years in the penitentiary by Judge Letton. The prisoner will be taken to Lincoln Monday by Sheriff Waddington.

Looks Much Like Judge Smith.

YANKTON, S. D., Nov. 9.—(Special Telegram)—Nearly complete returns from the First judicial district indicate that Judge E. G. Smith, rep., has a majority considerably in excess of 2,000. Charles-Mix county gives 240 majority; Douglas, 50; Turner, 214; Yankton, 468; Clay, 175; Bon Homme, 250 and Gregory, 95. Hutchinson county returns so far secured indicate over 500.

Adolph Bluner, Grand Juror, Ia., writes: "I have used Foley's Kidney and Urinary Tract Remedy and find it the best cough cure on the market. I would not be without it in my home, as there is nothing so good for coughs and colds."
