

Always in the Lead.

The Union Pacific was the first line to introduce Dining Cars, Vestibuled Cars, Steam Heat, Piped Light, Buffet Smoking and Library Cars, Tourist Cars on transcontinental trains west of the Missouri River, and continues to lead. Is first in equipment; first in speed; first in important improvements; first in stupendous engineering enterprises; first in historic interest; first in scenic attractions. It again leads in reducing by several hours the time of "THE OVERLAND LIMITED" to the Pacific Coast, making the run to Salt Lake City 11 hours, to San Francisco 15 and to Portland 15 hours quicker than any other train. Be sure your tickets read over this route.

The Royal Acorn

The Royal Acorn is the highest grade base burner possible to make. Other makers only hope to equal it, knowing it cannot be exceeded. It has the most powerful system of hot air circulation and is very easy to regulate.

The Imperial Acorn

Is the only strictly high grade stove that is sold at a medium price. Made just like the Royal Acorn, but trimmed a little plainer and sold much lower in price.

Why Don't They Stop Us?

It has come to our ears that the drug trust combine is claiming that some of the goods which we are quoting at "falsely" low prices are not the genuine articles. Now, if they are not, why don't they stop us? It's against the law to sell an imitation for a genuine article. We're no better than any other size when it comes to law. Let them sue us for damages. That would be a good thing for them.

PERSONAL TO SUBSCRIBERS

WE WILL SEND to every subscriber or reader of Omaha Sunday Bee a full sized ONE DOLLAR package of VITAE-ORE, by mail postpaid, sufficient for one month's treatment, to be paid for within one month's time after receipt. If the receiver can truthfully say that it has done him or her more good than all the drugs and doses of quacks or good doctors' or patent medicines he or she has ever used, READ this over again carefully, and understand that we ask our pay only when it has done you good, and not before. We take all the risk; you have nothing to lose. If it does not benefit you, you pay us nothing. VITAE-ORE is a natural, hard, adamant-like substance—mineral—ORE—mined from the ground like gold and silver, and requires about twenty years of oxidation. It contains free iron, free sulphur and magnesium, and one package will equal in medicinal strength and curative value 800 gallons of the most powerful, efficacious mineral water, drunk fresh at the spring. It is a geological discovery. To which there is nothing added or taken from. It is the marvel of the century for curing such diseases as Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Diphtheria, Catarrh and Throat Affections, Liver, Kidney and Bladder Ailments, Stomach and Female Disorders, La Grippe, Malarial Fever, Nervous Prostration and General Debility, as thousands testify, and as no one, answering this, writing for a package, will deny after using. Give age, sex.

This offer will challenge the attention and consideration and afterwards the gratitude of every living person who desires better health, or who suffers pain, ill and disease which have defied the medical world and grown worse with age. We care not for your skepticism, but ask only your investigation, and at our expense, regardless of what life you have, by sending us to us for a package. You must not write on a postal card.

In answer to this, address THEO. NOEL COMPANY, 527, 529, 531, W. North Ave., Chicago, Ill.
