NEBRASKA Y. W. C. A. WORK

National Secretary Dunn of Chicago Tells of Organization's Efforts.

BUILDINGS THE GREAT NEED IN CITIES

Homes for the Associations Are of Much Service in Extending the Influence and Benefits of the Plan.

Miss Mary Dunn, national secretary of the American Committee of Young Women's Christian Association, with headquarters at Chicago, spent yesterday afternoon in Omaha, enroute from Lincoln, where she attended the Nebraska association convention, to Sioux City to visit the local association of that place.

Speaking of the work in Nebraska Miss Dunn said the chief need is for association buildings, the lack of which is a great handicap to the two city associations of Lincoln and Omaha. She spoke of the city work as especially aggressive and effective, saying: "I find that where an association is content to remain in rented quarters that it seldom acquires buildings of its own and cannot help but feel that if this necessity is continually agitated the buildings will be forthcoming."

Miss Dunn said that there is little encouragement for the establishment of city associations in places of less than 20,000 inhabitants, because such places rarely can afford to support a general secretary, and without a general secretary the work is not effective. This accounts for Nebraska's having but two city associations. The college associations of the state, she said, are doing fine work and compared well with any in the country.

The fact that Nebraska is to have a state secretary for but two months this year, which, with the exception of South Dakota, is less than any other state, she compared with four months other years, she does not attribute to any decline in the interest or work of the association. This year the Nebraska budget is to be but \$400 and fully two-thirds of this amount is furnished by the state committee and associations, the other third being raised by private subscription.

Miss Dunn spoke of the Omaha association's contribution of \$25 to the state work with evident pleasure, but avoided the subject of its being an independent organization. When questioned regarding its standing as such she admitted that it was one of the largest and most effective independent associations in the country. Regarding a prospective union of the American committee and the international she admitted the two are nearer a union just now than ever before. Both sides have made great concessions, from which much is hoped.

AGAINST CAMPAIGN FUNDS

Attorney General Knox Warns Federal Officers Concerning Campaign Assessments.

The Department of Justice at Washington has sent out to the federal officers in the various cities copies of the following circular letter from Attorney General Knox:

To All Officers and Employees of the Department of Justice: Your attention is directed to a circular of this department issued August 20, 1900, in which section 2 of the civil service act of January 18, 1883, forbidding any executive officer or employee, among others, to solicit or receive political contributions from any officers or employees of the United States, was quoted in full and the instructions of that department were repeated in detail. It is now repeated the instructions of that department and add the following further directions on this subject:

BOOTH TUCKER IS COMING

Commander of the American Salvation Army Will Speak at Boyd's Next Friday.

Commander Booth Tucker of the Salvation Army will deliver a lecture at Boyd's theater next Friday night on "Light in Darkness," an exposition of the many phases of the army's work. It will be illustrated with stereopticon views and a number of living tableaux. The commander will be assisted by a corps of eighteen of the best actors from New York, who are making a tour of the country with him. They have a brass band of twelve pieces, a singing brigade and a string orchestra.

MRS. MARY GREGOVICH

Of Phillipsburg, Montana, Tells How She Was Cured of Dandruff.

Mrs. Mary Gregovich of Phillipsburg, Mont., under date of November 26, 1899, writes: "I had typhoid fever this summer, consequently was losing my hair, and my head in places was perfectly bald. Newb's Herpicide had just come into use in Phillipsburg and the doctor strongly recommended it to me. After 3 or 4 applications my hair stopped falling out, and is coming in again quite thick. I used to be troubled greatly with dandruff, of which I am now quite cured." Kill the dandruff germ with Herpicide.

RECOMMENDS BEET SUGAR

Retail Grocers' Association Executive Committee Adopts Resolution.

ASKED TO HANDLE NEBRASKA PRODUCT

Reciprocity in Abolition of Tariff on the Raw Article Opposed as Destructive to a Home Industry.

The executive committee of the Nebraska Grocers' and General Merchants' association has decided to take a stand in the question of the parcels post, in the opinion of the committee in Lincoln this week the secretary, Harry Fischer, was empowered to issue a circular on the subject, in which the parcels post bill is opposed and reasons given for the opposition.

The committee also adopted resolutions on the subject of the late sugar war, after a long preamble calling attention to the west, if they are to succeed, and the benefits to be derived from such a course, the resolutions are as follows:

Resolved, That we, the executive board of the Retail Grocers' and General Merchants' association of Nebraska, recommend that our merchants will prefer the Nebraska product to all other sugar, and further, that we will do all in our power to prevent such national legislation.

HOT THANKSGIVING TOUCHES

Police Listen to Many Tales from People Who Have Been Robbed.

Snack thieves and pickpockets were busy Thursday and complaints of their depredations are still being filed at the police station. W. M. Dalton was relieved of \$40 while drinking in a winery of the saloon at Sixteenth and Davenport streets. He says he doesn't know the name of the woman who was with him at the time.

Will Halstead shared a room with a stranger at the Montgomery hotel, 1413 Dodge street, and when he awoke in the morning it was to find himself alone. The stranger had departed, taking with him Halstead's pocketbook, containing \$30.

Someone entered the home of Mrs. E. L. Kramer, 223 North Fourteenth street, Thanksgiving eve and stole \$4 in cash from the dresser.

Burglars entered the residence of Charles J. Corbhill, 1402 Center street, Thanksgiving night and stole a suit of clothes and a razor, representing a value of \$20. Entrance was effected by unlocking the front door with a skeleton key.

CONSUMPTION AT THE PARK

Animals in the Riverview Zoo Are Now Threatened with Extinction.

"TAWEE" DIED FROM TUBERCULOSIS

Buffalo Cow Spreads the Dread Disease Among the Captive Animals and All May Succumb to Its Ravages.

The threatened extinction of the entire menagerie at Riverview park by an epidemic of tuberculosis, just discovered to be in existence, is the sensation of the hour at the headquarters of the Board of Park Commissioners.

About ten days ago "Tawee," the cow buffalo of the pair of bisons loaned the park by Colonel Cody, died suddenly and peacefully. The preservation of its hide and head was entrusted to a taxidermist and the carcass was examined for signs of the cause of death.

The investigation showed that "Tawee" had only part of one lung left. This would indicate that the disease had been of long standing and the cow had probably been suffering with it all during the time of her sojourn in the park, which began in 1898.

Fire, Smoke, Water—

You'll never have another such an opportunity to buy pianos, organs, musical instruments, etc., etc., as now at our great fire sale—The entire stock of pianos has had a smoke damage adjustment—to the extent that every instrument will be offered with the allowance made by the underwriters—enabling us to sell at half cost, some at two-thirds their cost, all at cost prices—This stock embraces all the leading pianos of the world—Knabes, Kranich & Bach, Kimball, Hallett & Davis, McPhail, Clark and seventeen other makes of pianos.

The executive committee appointed vice presidents for different parts of the state, but their names will not be announced until they have accepted the position. The total membership in the state organization is now about 1,000 and no work has been done in the smaller towns in the southeastern part of the state. The committee hopes that by the date of the second convention there will be a membership of at least 2,500 grocers and general merchants.

A. HOSPE, Music and Art. 1513-1515 Douglas.

Some Boys' Feet—

that are almost as big as a man's—others as small as a girl's—a wide range of sizes and widths required to fit all boys—yet we can do it satisfactorily to you, the boy and ourselves (and we're mighty particular about fitting shoes just right) with our boy's \$1.30 all leather shoe—an ideal school shoe for winter wear—no damp or cold feet—and a Drexel L airship with every pair sold on Saturday.
