Three New Directors to Be Chosen

fam Harris Invists that McGovern is Young Corbett's" Superior.

ANX OUS TO BRING ABOUT ANOTHER MILL

McGovern is Still the Champion, Says His Manager, and Corbets Wins Only by an Aceldent,

NEW YORK, Nov. 29 .- In sporting circles nere nothing was talked of today more than the defeat of Terry McGovern by "Young Corbett" in Hartford yeslerday afternoon. That McGovern was beaten by a twohanded, rushing fighter like himself was conceded by everybody, but McGovern's friends are evidently of the opinion that should the boys meet again McGovern will retrieve his lost laurels. This afternoon Sam Harris, McGovern's manager, posted \$2,500 to bind another match, the time and place to be at the will of "Young Corbett." In an interview this afternoon Harris said:

'In order to get a return match with Young Corbett' Terry will agree to knock him out before the limit of twenty or twenty-five rounds is reached or forfeit the entire purse. Now, if 'Young Corbett' thinks he is McGovern's master he will cover the torfeit which I have placed in reputable hands, and if he refuses the public can easily see who is the better man-

"I don't wish to take away any of the credit that is due to Young Corbett' over his great victory, but I still insist that the result of the fight was due to a fluke. When McGovern was put down in the first round his head came in contact with the boarded floor of the ring and this so stunned him that he was in a dazed condition thereafter. My man, McGovern, had all the better of the mill up to this time and had the ring been padded there would have been snother story to tell. In delivering the last blow 'Young Corbett' did not realize himself that he hit Terry with effect, as his head was down and he was swinging his hands wildly. It was lucky enough to be a winning blow, and what I consider a chance

Not in True Form.

"I am positive that McGovern did not show his true form in this contest and I am willing to accept the proposition of James Kennedy, manager and matchmaker of the Twentieth Century Athletic club of San rancisco, who has offered a purse of \$10,000 for the men to meet again at his club. I again, the same conditions to maintain and would prefer to have the winner take all. Prosper La Gal. SHARKEY BACKS SULLIVAN Sailor Tom Will Pit the Easterner

Against Young Corbett.

NEW YORK, Nov. 29.—Tom Sharkey has taken charge of Dave Sullivad, the feather-weight puglist, and today issued a challenge to Young Corbett, the winner of yesterday's battle with Terry McGovern at Hartford, Conn. He says that Sullivan is anxious to tackle Young Corbett, under the same conditions that Young Corbett met McGovern yesterday. He is ready at any moment to make a match at 125 pounds, the duration of the battle being limited to twenty or twenty-five rounds, and Sharkey is willing to bet \$2,500 or \$5,000 on the side. Speaking this afternoon, Sharkey said; "While yesterday's battle was square and clean cut, I think McGovern is the better man and while I don't wish to deprive Young Corbett of any part of his well-earned merits. I believe that Dave Sullivan can beat either Corbett or McGovern. My

JENKINS AFTER JEFFRIES Big Wrestler Turns Pugilist and Wants to Tackle the Champton.

CLEVELAND, Nov. 28.—Tom Jenkins, champion wrestler, intends to turn puglist and tonight issued a challenge to meet James J. Jeffries in a glove contest for the world's championship and a reasonable side bet. Jenkins has long been known by the public only as a wrestler, but he is equally skillful with the gloves and he believes that the greater financial emoluments accruing from the ring would warrant his turning to puglism. He does not intend, however, to give up wrestling entirely, but will meet all bona fide challengers in both wrestling and boxing.

Manager Touhey will leave Cleveland for San Francisco Monday morning to see Jeffries in the matter of a match with Jenkins.

Corbett and McGovern Again. NEW HAVEN, Conn. Nov. 25.—The Register this afternoon publishes a communication from the manager of the New Haven Athletic club in which that organization offers a purse of \$6,000 for a return match between "Young Corbett" and Terry McGovern, to take place in New Haven in January or February.

OUT PROFESSIONALISM College Athletics Are to Be Kept Inviolate for Strictly Amateur

Pinyers.

CHICAGO, Nov. 29.—A long step toward the abolition of professionalism from college athletics was taken today by the faculty representatives of the intercollegiate college conference, who had an all-day session here today. The following rule was massed:

college team who plays in so-called ama-teur, semi-professional or professional base hall games where gate money is charged or where prizes, premiums or purses are offered."

Whether the rule is retroactive was not settled by the committee and after the meeting it was announced that this phase of the matter had not been thought of or discussed. It was voted to discourage as far as possible prolonged absences from college on tours.

contract I will give him all the time he desires to rest up before fighting Terry again.

"This is a fair statement and I think if he is fair-minded and believes that he can defeat McGovern again he ought not to throw any obstacles in the way of another meeting between the two. I will wager as much as \$25,000 a side that in case the lads meet again Terry will win. I notice that it has been published that Corbett has won the featherweight championship, but this is not true. McGovern defeated George Dixon for the title of featherweight champion, the limit for which is 122 pounds, and when Terry won it he only turned the scales at, 118 and he is now ready at all times to defend his championship honors at the limit 122 pounds, against anyone."

The change is suggested, as it is impossible for the officers and committees to make final reports of the year at the present date of the annual meetings, as the season of the Country club does not close until November 1. At the date of the meeting this year the election was postponed until December to permit these reports to come before the stockholders before the change in directors, if such a change should be decided upon. The retfring directors are George F. Bidwell, Guy C. Barton and E. P. Peck. It is considered probable that they will be re-elected.
