## Acorn Base Burners

Are the highest grade hard coal stoves made. They do not firecrack, the beautiful silver finish nickel does not tarnish and we have sold many of them, that have side where it is not still doing good work. What stove can equal this record? The accornation used in these stoves is the best known and does not detract from the radiating power of the stove. Prices, \$20.00 to \$50.00.
